space made upon liberal terms.

ENGELHARD & SAUNDERS, Wilmington, N. C.

EDITORIAL NOTES.

- " By G -d !" says old Ben Wade, "They've got us on down grade!"
- "That's so," says Speaker Blaine, " And parry a brake on the train.

Lady Burdett Coutts certifies from personal knowledge, that one Parisian milliner uses forty thousand humming birds every season, and she thinks that at such a rate the species will soon be extinct.

The London correspondent of the Boston Duily Advertiser says that the State debt in New York." The comreport is well founded that the Freuch Prince Imperial is to marry the youngest daughter of Queen Victoria, and and the bonds themselves appear to that in consequence of this arrange- have disappeared. It is a matter of ment the Queen has indersed the last public congratulation that during the loan put in circulation in England by misgovernment to which the Souththe Empress Eugenie,

Tae San Francisco Academy of the war, only two States have practi-Sciences have been looking at some cally squandered the moneys received curious fish of the tront species, some by them for the specific purposes of of which, says the Alta, are joined education from the general governabout the umbilical region, and while having but one sail, have two distinct bodies and heads, and seem to navigate with entire ease. Others have two bodies and tails parallel, united Siamese Twins.

Civil Rights took effect in closing some of the Northern hotels, but in Evansville, Ind. the colored servants at one of the hostelries, upon hearing of the passage of the civil rights bill, refused to take their hats off in the house, and were accordingly discharged. They fell glorious martyrs to the dignity of the African race, which consisted in being rude and impolite.

Senator McDonald, of Indiana, it satisfied that the Democratic nominee SENATOR RANSON WHAT HE for the Presidensy, to be successful, must come from the West, and indi cates Governor Hendricks as his choice. On the subject of the Vice- law only by the vigilance of Senator Presidency he is of the opinion that a RANSOM. We publish it in full that Northern man should be chosen; however, he thought General Gordon, of trouble and vexation and outrage and Georgia, would not be a bad selection oppression they were saved: -indeed, he expressed the belief that " Hendricks and Gordon would sweep the country."

It was expected at one time that women would be admitted to all the bled, That in all proceedings in a man degrees of the London University, but damus, in any of the Courts of the English conservatism is not yet quite United States, wherein any officer of no to the mark. The resolution that had been passed in May last, admitting female students to all the honors and privileges of the institution, has been recently revoked, the Senate having recently reconsidered and reversed the former action, and placed the death of a party defendant during the ladies again on the lower plane they pending of a suit at law in proper must yet awhile occupy.

mus shall proceed to a hearing at the Rents in the business portion of Rents in the business portion of same term, unless for good cause shown the Court shall continue the last year, this spring, and this reduction, added to those of previous years, makes a very approcable difference in the cost of doing business. In dwellings, the middle class are readily rented, without much reduction, but the best and the poorest have to come down. Houses built in flats are in great favor, as being very compatible with domestic retrenchment mon or the chancery law is an appropriate remedy; or by way of original proceeding when such writ is neces-They require less furniture, less serving and less spread in every way, while affording at the same time a good degree of comfort, as the continental cities found out years ago. The impas ability of the Brooklyn and Jersey Ferries, this winter, has checked the gush for suburban quarters, and in the Congressional Record, will people are more inclined to lodge on the island. In the auction sale of in the matter. Had the bill passed twenty houses and lots of the Adon we would have been at the mercy of Smith estate, Thursday, several fine any District Judge in the country; brick residences on Third avenue, below 89th street, each 20 by 100 feet, sold for about \$27,000 each, which

was thought a very good price.

The House of Representatives dopted a resolution on the 2nd Febmary, 1874, instructing its Committee on Education and Labor to inquire in; to the condition and management of the institutions that had received the and scrip found donated by Congress to the States for the establishment of Colleges for the advancement of Agriculture and the Mechanic Arts. The report of this committee has been published, and bears in an especial sense upon two lines of information, namely, the use which the States have made of the money obtained from the sales of

States have placed the money in Uni-

ted States bonds, and others in their

own State bonds, This latter form of

investment, however, has proved very

disadvantageous in some instances,

specially in certain Southern States.

Thus the State of Alabama invested

its scrip in State bonds bought at

eighty-five per centum of their par

value, and now selling at fitty per

centum. Louisiana invested the \$182,-

923 received from the sale of its scrip

in State bonds of the nominal value of

made for any Louisians bond is twen-

ty-six per centum of its par value.

Similar losses, but less in amount,

have occurred in the investments made

by the States of Arkansas, Georgia,

Misstssippi, Tennessee and Virginia,

the demands of other creditors.

In the States of North and South

Carolina the mismanagement of

the fund has been of the grossest

character. The committee say that

the securities in which North Carolina

placed its money "are now substan

taily valueless;" and in the case of

South Carolina the money was invest-

ed by H. H. Kimpton, who was then

the financial agent of the State, in

State bonds, bought at sixty-seven to

sixty-eight per centum of their par

value, which were afterward reported

as having been hypothecated on

mittee say that "no revenue whatever

has been received" from these bonds,

ern States have been subjected since

mismanaged or squandered by indi-

viduals the State will be held respon-

known to us in the contract" under

say, and "the State is responsible to

the national government." Undoubt-

edly this view is accurate and ought

to be maintained, says the New York

Evening Post, to which we are indebt-

of the Senate. Mr. Ransom-Then I move that the Senate request the recall of the bill

The Vice-President-The Senator from North Carolina noves that a message be sent to the House of Repre entatives asking the return of the bill. The motion was agreed to.

BESSEL E. J. HALE & SON. The New York Evening Post is publishing a series of reminiscences and estemporary sketc ies of American publishers. The twenty-first paper \$327,000, but the largest offer recently of the series is devoted to our friends Messrs, E. J. Halle & Son, and being desirons that our readers should share with us the pleasure of reading about the success of gentlemen whom we are sure they remember with the most affectionate regard we reproduce it although in a majority of the States in our columns this morning. The mentioned the interest money has been HALES are men whom we delight to paid, and in the case of Virginia this money has been paid when the public funds were not sufficient to meet

A BILL is before the Legislature, asys the Raleigh News, similar in its provisions to the one introduced into the Virginia Legislature which it is thought will counteract some of the offensive applications of the Civil Rights bill. It has force more directly in connection with botels and places of amusement, giving legal sanctrou to a very commonly exercised right on the part of proprietors of ho tels, to exclude all persons suspected of inability to pay for accommodations, or undesirable from other causes, by t ie reply that the house is full and can receive no more guests, or some other l gitimate answer, and to punish as d sturbers of the peace all such who resent such reply by noise or violence. Proprietors of theatres may make the same objections, and can apply the same remedies.

The New York Tribune does not seem to attach much importance to the fact that the authorities at Washington are opposed to the call of a Convention in this State for the purpose of amending the Canby Comstitution, The committee take the ground that It says: wherever these moneys have been

The people of North Carolina are urging their Legislature to provide for Constitutional Convention without . DA-Cov. Vance is prominent in favoring the step. The kitchen which these grants were made, they organ at Washington is sure such action means rebellion, and attributes it all to the failure of Congress to deelop sufficient stiffness of knee to pass the Force bill. It doesn't seem to occur to the organ that it is none of the business of Congress to tell the people of a State what they shall do ture hesitate any longer what to do with thier Constitution.

GUANO. CENUINE

PERUVIAN GUANO.

t at was prevented from becoming a ruvian Government in this country, adding a very small commission as a compensation for my services; and I am happy to say that all those who bought, acknowledge that is gave entire satisfaction. This year, owing to the more liberal discount allowed to purchasers of large quantities. I am enabled to sell not only at the same price without commission, in lors of 1 to 5 tons, but even cheaper when in larger quantities, as I buy enough to obtain the largest discount, which I propose to divide with my ensomers in proportion to their artiers; whereas, the General Agents are obliged to maintain a fixed scale of prices and discounts. Therefore, parties in want of small quantities will find it economical to club to gether and buy in lots of ten tons or more, on our people may see from how great AN ACT TO REGULATE PROCEEDINGS IN House of Representatives of the United States of America in Congress assemquantities will find it commical to club to gether and buy in lots of tentons or more, on which there is a saving both in price and cast-age. I hear of some buyers of fit y tons and upwards, who still go to the General Agents inthe United States is made a party destead of calling on me, losing money thereby To those I say, if you doubt the genuineness of the Guano sold by me, I will give to y u, o fendant, but who may die, resign, or be removed from office before the final deof the crame sold by me, I will give to y u, or to your representative here, my orders on the Government stores, whi h will be conclusive vidence that the Gazzo is the same as that sold by the General Agents, and at loss price. Circulars with references, testimobials, and tail particulars, mailed free on application to R. BALCAZAR. termination of such proceedings, the poses of justice, be revived against his successor in said office, and such proceedings may be had as in case of the
