To the Afflicted,

No matter under what form of sickness you labor, there is one great truth you should keep in mind: All disease originate in an impure condition of the blood. Purify that, and the disease must depart; but you cannot purify the blood by the use of poisonous dugs, and exhaustive stimulants. The bat Blood Purifier ever discovered is Dr. WALKER'S famous VINEGAR BITTERS, compounded of simple.

Consumptives, Take Notice. Every mamont of delay makes your cure more hopeless, and much depends on the ju-

The amount of testimony to favor of Dr. Schenck's Palmonic Sarup, as a cure for consumption, far exceeds all that can be brought to support the pretensions of any other medicine. See Dr Schenck's Almanac, containing the certificates of many dreams of the highest respectability, who have een restored to health, after being pronounced incurable by physicians of acknowledged ability. Schenck's Pulmonic Syrup alon- has cured many, as these evidences will show; but the cure is often promoted by the employment of two other remedies which. Dr. Schenck provides for the purpose. These additional reme and President pro tem. of the Senate dies are Schenck's Sea Weed Tonic and Manwas agreed to, and the Senate at 5:45 trake Pills.
