Br. Schenck's Pulmonic Syrup, Sea Wood Tonic, and Mandrake Pills. These medicines have undoubtedly performed more cures of Consumption than any other reme y known to the American public. They are compounded of vegetable ingredients, and contain nothing which can be injurious to the human constitution. Other remedies advertired as curef for consumption probably contain optum, which is a somewhat dangerous drug in all cases, and if taken freely by consumptive patients, it must do great injury ; for the syst m. which, of course, must make a core impossible. Schenck's Fulmon's Syrup is warranted not to contain a particle of epium. It is composed of powerful but harmless herbs, which actor the lungs, liver, stomach and blood and thus correct all morbid secretons and expet all the diseased matter from the body. These are the only means by which consumpt on can be cured, and as Schenek's Pulmonte Syrup, wes Weed Tonto, and Mandrake Pilis are the only medicines which operate in this way, it is obvious they see the only genuine cure for Pulmonary to samption. Pain in the Back.

The is no remedy known to medical solence which has proved itself more valuable in cases of Kidney Complaints than the VEGETINE. It acts directly upon the socretions, cleaness and purifies the blood and restores the whole system to healthy action.

The following extraordinary cure of great sufferers, who had been given up by the seat physicians as hopeless cases, will speak for themselves, and should challenge the most profound attention of the medical faculty as well as of those who are suffering from Kidney Complaint.

The Best Medicine.

EAST MARSHPIRLD, Aug. 22, 1870 MR. STEVENS : Dear bir-fam seventy-one MR. STEVENS: Dear bir-I am seventy-one years of age; have suffered many years with kidney tompiant, weakness in my back and atomach a was induced by friends to try your Vaurrina, and I think it the best medicine it weakness of the Kidneys I ever used I have tried many remedies for the complaint, and never found so much relief as from the Vaurrina. It strengthens a dinvigorates the whole system. Many of my acquaintances have taken it, and I believe it to be youd for all the complaints for which it is recommended.

Yours truty, JOSIAH H.SHARMAN.

Pronounced Incurable

BOSTON, May 80, 1871. H. B. STEVENS, Esq.: Dear St.—I have been badly afflicted with Kieney Complaint for ten years, nave suffered great pain in my back, hips and side, ith great difficulty in passing trine, which was often, and in very small quantities, frequently accompanied with blood and executation as in

quantities, frequently accompanied with blood and excruciating pain.

I have faithfully tried most of the popular remedies recommended for my complaint; I have been under the treatment of some of the most skillful physicians in Boston, all of whom pronounced my case incurable. This was my condition when I was advised by a friend to try the Vnontina, and I could see the good effects from the first dose I took, and from that moment I kept on improving until I was entirely cursed, taking in all, I should think about six bottles.

It is indeed a valuable medicine, and if I should be afflicted again in the same way, I would give a dollar a dose, if I could not get it without. Respectfully, J. 9. GILE, 381, hird Street, south Boston

Nearly Blind.

H. R. STEVENS: Dear Sir—In expressing my thanks to you for benefits derived from the use of VEGETINS, and to benefit others I will state: When eight or nine years old I was affill ted with Scrotnia, which made i.e appearance to my eyes, fare a due d, and I was very near blind for two years. All kinds of operations we e performed on my eyes, and all to a good result. Finally the disease principally settled in my body, timbs and feet, and at times in an

agg avated way.

L at Summer I was, from some cause, weak
in my spine and kidneys, and it was at times
very hard to ret in the urine. Eccing your
advertisement in the commercial, I bought a
bottle or Vr GETI E, and commenced using bottle of VFGETI E, and commenced using according t directions. In two or three days of obtained great relief. After using four or five bottles I noticed it had a wonderfuleff of on the rough, scaly blitches on my body and legs. I still used Vegeting and the humorous sorts, one after not her, disappeared until they were all gene, and I attribute the cure of the two discusses to Vegeting, and nothing else. If I am ever affected with anything of the kind again I shart by Vegetine as the only reliable remedy. Once more accept my thanks and believe me to be, very respectfully.
