Official Report.

The following is a certeet report of the sales of SKWANO MACHINES made by the leading companies during the past four (d) years a careful examination of the figures will show that the sale of the "SINGKE" has largely increased each year; while, on the contrary, a correst outding decrease is shown in the sales reported by all other companies, how, the questions naturally arise: How long will the other companies he able to keep offices open in our different cities and towns when they are seiting as lew machines? All persons who think at buying a machine should consult their own interest and get a good one from the old, reliable SINGER MANUFACTURING COMPANY.
