ST. LOUIS.

THE ASSEMBLY ENGAGED ON THE WILSON CASE.

St. Louis, May 26.—Noon.—Most of the time of the Presbyterian Assembly was taken up yesterday in listening to the reading of records in the Wilson case. This was finally finished, and to-day Rev. Stuart Robinson will make the argument for the Louisville Presbytery; Rev. J. J. Cooke for the complainant.

EUROPE.

THE CHURCH WAR IN GERMANY.

A GRAND DAY AT THE DERBY.

Berlin, May 26.—Noon.—The government forbids the procession in honor of the Pope's jubilee.

Vienne, May 26.—Noon.—The bearer of an anonymous letter offering one million florins for the assassination of Bismarck has been arrested.

Rome, May 26.—Noon.—The Pope is not seriously ill.

Paris, May 26.—Noon.—The Bishop of Nismes is dead.

London, May 26.—Night.—There was a dense crowd at the Derby race, including the Prince and Princess of Wales, the Duke and Duchess of Edinburgh, the Marquis and Marchioness of Lorne and the Duke of Cambridge. The weather was fine.

The betting against Galopin was 2 to 1, against Claremont 14 to 2 and against the P. Rance Colt 12 to 1. Galopin won easily by a length. Garterly Bell came in fourth followed in the order named by Seymour, Lord Berners' Punch, Bay of Naples, Balfe, Earl of Duntrey, Gilbert, Woodward, Temple Bar, Fareham, Earleton, Camball's Breech Leader and Telescope. The time of the race was 2:47.

LOUISIANA.

THE UBIQUITOUS CHARLES WESLEY WARREN.

EULOGY ON GENERAL BRECKENRIDGE.

New Orleans, May 26.—Noon.—Rev. W. E. Copeland, who recently figured in the scandal case, in Baltimore, and who preached in one of the Baptist churches in this city Sunday last, has, it is reported, left the city, though shadowed by the police.

The friends of the late John C. Breckenridge met at the St. Charles Hotel last night and adopted a resolution eulogizing the life and character of the deceased.

ELECTRICISMS.

President Jewett has called a meeting of the Erie Directors for consideration in the refusal of the Pennsylvania Coal Company to buy Erie coal lands.

Maj. Charles J. Graves, of Rome, Ga., is en route for Egypt to enter the Kedive's service as Lieutenant Col. of Engineers. Major Graves was a Federal graduate but duty called him to the South.

At Wilkesbarre it is thought quiet will be restored and that mining will be resumed the 1st of June.

The heavy rains have drenched millions of grass-hoppers near St. Louis, Mo.

Six men while working on a roof at Columbus, Ohio, fell a distance of seventy feet, when three were killed outright and the others were fatally injured.

GOTHAM.

ERIE TO DEFAULT ON ITS JUNE INTEREST.

PRESIDENT JEWETT APPOINTED RECEIVER.

New York, May 26.—Noon.—The Tribune says a director of the Erie Railway Company, in conversation with one of its reporters last night, said that the Erie Railway Company will probably default on its June interest, in consequence of the failure to obtain expected money from the Delaware, Lackawanna and Western, and Delaware and Hudson Companies. In view of this failure there will probably be an application for a receiver on Wednesday, to-day, on the ground of the insolvency, not bankruptcy, of the corporation. This action will be taken under the State law, and will be designed to protect all interests concerned.

Mr. Jewett, President of the Erie Railroad, was appointed receiver of the company by the Supreme Court this morning.

VIRGINIA.

INTERNATIONAL CONVENTION OF THE YOUNG MEN'S CHRISTIAN ASSOCIATION.

Richmond, May 26.—Night.—The International Convention of the Young Men's Christian Association met here to-day, and was called to order by F. D. Taylor of Detroit, President of last Convention. The Convention adjourned until 4 P. M., to await the trains with Northern delegates, and when assembled over four hundred delegates were in attendance, representing thirty States, Territories and Provinces. After devotional exercises

and temporary business, the following permanent officers were elected; President, Joseph Hardie, of Selma, Alabama; Vice Presidents, B. K. Remington, Massachusetts, M. R. Jessup, New York, J. B. Morrow, Nova Scotia, L. W. Munhall, Indiana, George Hague, Ontario, M. S. Crosby, Michigan, D. C. English, New Jersey, J. B. O'Bryan, Minnesota, W. P. Mumford, Virginia; Recording Secretary, J. B. L. Graham, Maryland; Assistant Secretaries, H. L. Porter, Massachusetts, F. L. Lockhard, Georgia, J. W. Jones, Richmond, Va.

OHIO.

FAILURE OF THE FRATERNAL NEGOTIATIONS.

CLEVELAND, May 26.—Night.—In the Presbyterian General Assembly a resolution was adopted regretting that the negotiations relating to fraternal correspondence with the Southern church had failed. The Assembly, however, deems it inexpedient to press the question through another committee, and at the same time expresses unequivocally its confidence in the integrity and christian character of their brethren of the Southern Church.

In the morning session the report of Committee on Foreign Missions was received and discussed. The board asks for \$545,000 for Foreign Missions for next year.

It was agreed to publish the correspondence between the Commissioners of the Northern and Southern General Assemblies in the appendix of the minutes.

HEADQUARTERS.

THE PRESIDENT AND THE SIOUX SAVAGES.

WASHINGTON, May 26.—Night.—The Sioux Indians visited the President to-day, who made a long speech on the subject of another location for them. He did not want them to leave their homes, where they were born, without their consent, but would point out the advantages of entering into an agreement that he would propose through the Interior Department. The President alluded to the difficulty of keeping the whites away from the Black Hills, and said that each recurring year the difficulty would be greater unless the Indians grant the right to go to that country.

No speeches were made by the Indians, except that Spotted Tail, with some show of indignation, denied that he had said the Secretary of the Interior was a liar.

Attorney-General Pierpont has issued a circular that "Hereafter the practice of District Attorneys employing substitutes must be discontinued, and no compensation for such services rendered to this department will be sanctioned."

PENNSYLVANIA.

STATE REPUBLICAN CONVENTION.

HARRISBURG ENDORSED FOR RE-ELECTION, AND GRANT QUIETLY SHELVED.

LANCASTER, May 26.—Night.—The Republican State Convention was called to order by Russell Errett, Chairman of the State Committee, at 12 o'clock. John Cassan was elected temporary Chairman.

After the roll call several committees, including one of 13 on resolutions and platform, were appointed. Hon. E. McPherson is Chairman of the Committee on Platform.

The Convention was permanently organized by the election of General Henry White, President, C. D. Elliott, Secretary.

The anti-third term resolution received tremendous applause.

The Republican Convention adopted resolutions affirming their continued adherence to the party, and the fundamental principles of their political faith as follows:

1st. The equality of all men before the law, equal justice to all and special favors to none.

2d. The harmony of the National and State governments—both are parts of one system, alike necessary for the common prosperity, peace and security.

3d. The unity of the nation. We are one people, the Constitution of the United States forms a government, not a league.

4th. A faithful execution of the laws, an economical administration of the government, integrity in office, honesty in all the branches of the civil service, and a rigid accountability of public officers.

5th. Protection to home industry, and a home market for home products.

6th. The right of the laborer to protection and encouragement and the promotion of harmony between labor and capital.

7th. Cheap transportation and the advancement of closer intercourse between all parts of the country.

8th. Free banking, a safe and uniform national currency adjusted to the growing wants of the business interests of the country, and a steady reduction of the national debt.

9th. The public domain being the heritage of the people should be reserved for actual settlers exclusively.

10th. The qualification of the bounties of soldiers, and a speedy settlement of all just claims arising out of the late war.

11th. Honest men in office, men with brains enough to know dishonestly when they see it and courage enough to fight it wherever they find it.

The resolutions also declare against the third term—but entitle in the highest terms the administration to Grant. In presenting the name of Harrisburg for re-election they declare that it meets with the unanimous wish of their constituents who desire to find in this manner their approval of his conduct as the chief magistrate of

the State; arraign the Democrats for failing to protect the pledges upon which they partially attained power in the State, and heartily commend the efforts of the Government against whiskey frauds.

STATE NEWS.

The Monroe Enquirer says: Mr. G. W. Flow shows us a beet planted and raised in his garden last year, measuring 16 inches in circumference, and weighing 7 lbs. and 9 oz.

The Hillsboro Recorder says: During the Centennial Celebration, the Hon. W. A. Graham sat for his photograph surrounded by his seven sons. This will be a valuable memento of the occasion.

The Monroe Enquirer says: Mr. J. Kinley Griffin, of Olive Branch, has a cow that gave birth to three calves on the 14th inst.; all fine, well shaped, and doing well. Two are exactly the same color and size, the other a little smaller.

The Raleigh News says: A telegram was received from Charlotte yesterday announcing the fact that Messrs. Williams and Bingham, of the Raleigh Light Artillery, are doing well, being enabled to walk about their rooms.

The Raleigh News says: Gov. Brogden yesterday commuted the death sentence of Robt. A. Owens, convicted at the Spring term of Lincoln Superior Court for murder, to imprisonment. Owens was to have been hung on the 30th of August.

The Hillsboro Recorder says: The fire rains of Monday morning gave the first opportunity had for setting out tobacco plants. Complaints of a scarcity of plants are general, but we suppose two thirds of a crop may be planted. The wheat is heading out finely, and so far the prospects of a good crop continue good. Oats never promised better.

The Charlotte Southern Home says: We regret to learn of the death on Saturday morning, about 2 o'clock, of Mrs. Jane M. Swann, aged 94 years, a daughter of George McKinney, one of the heroes of McIntyre's Branch fight while Cornwallis was in Charlotte, and an estimable old lady. She leaves a very large circle of relatives and connections in the county.

The Raleigh News says: His Excellency Gov. Brogden never owned or wore a pistol, a pair of boots or a watch; he never owned a dog, went fishing or shot at a squirrel. He is by no means homesy, and it is said he has been discarded by sweethearts oftener than any other man of his age, having never been able to get the answer "yes" yes—and "dat ish de kind of man our Governor ish."

The Charlotte Democrat says: Although there were thirty or forty thousand people in our streets on Thursday, the 20th, there was not the slightest disorder, and no arrests were necessary of any sort. It was, indeed, the greatest gathering that has ever occurred in this country, and a more orderly one was never known. We are proud of the good conduct of our Southern people and of the conduct of all visitors from Northern and Western States. No gathering in the world ever surpassed the gathering in this city last week in good feeling, good order and good cheer.

The Charlotte Observer says: The handsome thing of the Centennial occasion was the honor paid Mrs. Stonewall Jackson, by the Raleigh Light Artillery Company and the Raleigh Light Infantry, and by the Steam-Fire Company of Newbern, and the Citizens Band of the same place. The Raleigh companies both called at the residence of Col. John E. Brown, on North Trade street, where Mrs. Jackson lives, and gave three cheers for her. In response to these Miss Julia, the only daughter of the immortal Stonewall, came out and presented the companies with a bouquet, after which, upon returning to camp, each of the companies fired a salute in honor of the widow of the Christian hero. The Newbern band and fire company called also, and gave three cheers for Mrs. Jackson. They, too, were presented with flowers by Miss Julia, after which the firemen were received by, and shook hands with Mrs. Jackson. They spent a few moments in the parlor, looking at a large portrait of the General, then solemnly departed, many of them wiping away the fast falling tears. The compliment implied in this action of the companies was a beautiful tribute, not only to one of the greatest soldiers of ancient or modern times, but as well to one of the noblest and most lovable of women—to her who was, and who was well worthy to be, the wife of General Stonewall Jackson.

PUBLIC REPORT

—OF A—  
POLICEMAN.

I have not enjoyed good health for several years past, yet have not allowed it to interfere with my labor. Every one belonging to the laboring class knows the inconvenience of being obliged to labor when the body, from debility, almost refuses to perform its daily task. I never was a believer in dosing with medicine; but having heard the VEGETINE spoken of so highly, was determined to try it, and shall never regret that determination. As a tonic (which every one needs at some time) it surpasses anything I ever heard of. It invigorates the whole system; it is a great cleanser and purifier of the blood. There are many of my acquaintances who have taken it, and all unite in praise of its satisfactory effect. Especially among the aged class of people, it imparts to them the one thing most useful in old age—nights of calm, sweet repose, thereby strengthening the mind as well as the body. One aged lady, who has been suffering through life from neuralgia, and has become blind from its effects, having tried many remedies with no favorable result, was induced by friends to try the Vegetine. After taking a few bottles, she obtained such great relief that she expressed a wish for more. She has since been able to look upon the face of her dear old mother, a blessing.

Yours respectfully,  
O. P. H. HODGE, Police Officer, Station 6, Boston, Mass., May 9, 1871.

Heartfelt Prayer.

ST. PAUL, Aug. 26, 1864.  
Dear Sir—I should be wanting in gratitude, if I failed to acknowledge what the VEGETINE has done for me. I was attacked about seven months since with Bronchitis, which settled into consumption. I had night sweats and fever chills; was disordered for breath, and frequently spit blood; was all emaciated, very weak, and so low that my friends thought my case hopeless.

I was advised to make a trial of the Vegetine, which, under the providence of God, has cured me. That he may bless the use of your medicine to others, as he has to me, and that his divine grace may attend you, is the heart-felt prayer of  
BENJAMIN PETTINGILL.

P. S.—Mine is but one among the many cures your medicine has effected in this place. D. P.

Make it Public.

SOUTH BOSTON, Feb. 8, 1871.  
H. B. STEVENS, Esq.

Dear Sir—I have heard from very many sources of the great success of VEGETINE in cases of Scrophulous, Rheumatism, Kidney Complaint, Catarrh and other diseases of kindred nature. I make no hesitation in saying that I have VEGETINE to be the most reliable remedy for Catarrh and general Debility. My wife has been troubled with Catarrh for many years, and at times very badly. She cured me. That he may bless the use of your medicine to others, as he has to me, and that his divine grace may attend you, is the heart-felt prayer of  
L. O. GARDELL, Store 451 Broadway.

Yours truly,  
L. O. GARDELL, Store 451 Broadway.

Has Entirely Cured Me.

BOSTON, October, 1870.  
M. STEVENS:

My daughter, after having a severe attack of whooping cough, was left in a feeble state of health. Being advised by a friend she tried the VEGETINE, and after using a few bottles was fully restored to health. I have taken several bottles of the Vegetine for this complaint, and am happy to say it has cured me. I am now happy in informing you and the public (if you choose to make it public) that she is entirely cured, and Vegetine accomplished its cure. I can only say that Vegetine is the most reliable remedy, and would advise all suffering humbly to try it. I believe it to be a good, honest, vegetable medicine, and I shall not hesitate to recommend it.

I am, Sir, respectfully,  
L. O. GARDELL, Store 451 Broadway.
