Election News - Tweed's Suit.

NEW YORK, Nov. 3 .- Kings county gives B.gelow 6,922.
Shroe, Rep., for M syor of Brooklyn, is elected by 1,000 majority.
The World says the State will be We claim it by about 5,000.

The Legislature will be very close. We claim the Assembly. The Senate must be determined by fuller returns. Morrissey's majority is estimated at The Times editorially congratulates

the Republicans on the result, and says that Tilden, as a Presidential candidate, has destroyed himself, and it is now beyond doubt, that both Republicaus and Democrats will have to place new candidates before the people next year if they wish to succeed. Grant has long been out of the question as a P esidential candidate, and now Gov. Tilden may safely make up his mind to close his public life with his present term of office. No one need fear that the Republican successes will revive the Third Term, as that is as dead as Julius Casar. The latest returns at hand leave the

State in doubt, with chances rather in favor of Bigelow. The majority is not likely to exceed 5,000 either way. The counties estimated this morning show where the Democratic returns increase, and where the Republican majority correspondingly decrease.
The Republicans have certainyl a

fair working majority in both Houses of the Legislature. The Senate will stand about 2 Re

publicans to 11 Democrats. Assembly 78 Republicans to 53 Democrats. The result on the State ticket is close and still a matter of doubt.

Advices from Panama state that ex-President Stell is under arrest. Bandits attempted to assassinate the Governor and other officials at San Juan del Norte. The Governor was shot in the sdoulder, his wife and daughter both being wounded. The Governor has resigned, the British Vice-Consul taxing charge of affairs. Motion has been granted by the Supreme Court to strike out the \$6.

000,000 suit against Tweed, on the ground that the amended answer had been served within twenty days after the case was noticed for trial. VIRGINIA.

Frauds-County Returns.

RICHMOND, Nov. 4.—Jas. McDougal, registrar, and John Marthinson, judge at the first precinct, have been arrested on the charge of fraud, in returning the vote of their precinct, whereby it is claimed that Knight, Independent candidate for the Senate, was beaten by Gen. Bradly Johnson, the Conservative nominee. James S. Morrison was also arrested on a criminal charge of misleading voters. They were all bailed in the sum of \$5,000 each. If the charge of fraud is established

at this precinct, and the vote thrown out, Johnson will lose his election. County returns are still light, but enough has been received to show that the complexion of the Legislature will not be materially changed.

Independent candidates were voted for in a number of counties, but only in a few instances with successful re-Carolina county elects Swann, Con.

and J. H. White, Ind., for the House, Culpepper county elects Halle, Ind., over Strother, Con. Henrico county elects Talley, Rep.

over Bryan, Con. In Augusta county A. H. H. Stuart run for the House as Independent. It is thought probable he is elected.

WASHINGTON.

Freedman's Bank-Fast Mail. Washington, Nov. 3 .- The Commissioners of the Freedman's Savings Bank say they will continue to pay the 20 per cent. dividend, until every de-

positor has received his proper pro-portion, but they cannot possibly ad-just more than five hundred accounts per day, of which there are over sixty thousand. The Post Office Department has made arrangements for an additional daily fast mail between New York and the West. The limited mail train will still be dispatched from New York.

NEW JERSEY.

Election News. TRENTON, Nov. 3.—Complete returns put the Assembly at, 39 Republicans,

WISCONSIN.

Republican State Ticket Elected. Milwauere, Nov. 3 .- Returns reseived to-day make it certain that the Republicans have elected their State ticket by a ranging majority of 5,000. MARYLAND.

Election Row. BALTIMOBE, Nov. 2 .- During an alterestion yesterday, at Annapolis, originating in a political quarrel, Geo. Schmidt, proprietor of the Marx Hotel, was shot and killed by Wm. Barber, an employe in Kallero's restFOREIGN.

SPAIN.

Carlist Generals in Trouble. MADRID, Nov. 3.—Gen. Saballs baving returned to Spain has been arrested by the Carlists. Gens. Saballs and Dorregarrey will be tried for causing the disasters to the Carlist cause.

ENGLAND

England's Intentions Toward Egypt. LONDON, Nov. 2 .- The Pall Mall Cazette, in a leading article eays, the English occupation of Egypt is only a question of time, as that movement is necessary for the preservation of the Indian Empire.

PURE lager beer, just received in ice from 8t, louisdirect. The following is the re; sult of the analysis made by W. C. Conrad, Chemist of the United States Naval Labora tory, New York. CONCLUSION FROM THE ANA THIS OF

THE QUALITY. The quality of this beer, as shown by our amilysis, is superio by its purchess, as no extranso is matter could be leaseded. The large am not of extract substance (wall being used in extraordin averant quastities, which, having been roasted, gives the over that peculiar flavo of fresh bread) makes this beer a very sourishing and blichly recommend the drink for medicinal purposes. Anoth r good quality of this beer is that it keeps in good condition ander all circumstances.
