BY TELEGRAPH.

WASHINGTON.

WASHINGTON, Nov. 12.—There are contradictory opinions regarding Mr. Wilson's condition this morning. He was resting during the night and had a spasmodic extension of the arms. Whiskey and opiates have been injected under the skin. He is now drowsy and indisposed to conversation. Dr. Baxter said at 11 o'clock he was resting more comfortably and thinks he will recover. Mr. Wilson himself said he felt more natural.

Attorney-General Pierpont has decided that the act of Congress of April 27, 1816, conferring on Hugh and John Maxwell the grant of thirty six thousand acres at the fork of Black river, Missouri, made to President Maxwell in 1799 by the Spanish government. This large tract of land is situated in Reynolds and Iron county, Missouri, and is therefore declared to belong to the claimants, represented here by Warwick Tonstelt.

Wm. W. Civille, chief clerk in the general land office, has resigned.

Wm. G. Biley, of Virginia, has been appointed consul to Zanzibar. The President returned this morning.

At one o'clock Mr. Wilson was shaved and dropped into a quiet sleep and slept until 2 o'clock. Dr. Baxter expects to have him out in a day or two.

NEW YORK.

NEW YORK, Nov. 11.—Leonard Cox, cashier of the Western Union Telegraph Company in this city, is a defendant in the amount of \$13,000, misappropriation of Company's funds for speculation in Wall street, with the expectation of returning it when he goes to the cause of his downfall. It is thought his friends will make the defalcation good.

C. W. Ellis & Co., bankers and brokers of Broad street, notified the Produce Exchange yesterday that they were unable to meet their engagements. It appears that Ellis was the "Bull" in the corner in October last.
