The report of the Executive Committee discussed in regard to the business of the different agencies. The report says, some citles are doing a very large business, and have in the aggregate millions of dollars, while in other respects they are unsatisfactory, and falls abort of the benefits which ought to be realized. The commission system of order is said to be false in theory and unjust to members, at dherefore in the minds of the Commit-

ed necessary for the good of the Order. Such a system, the Commit-tee begs leave to submit the plans of at an early day, and are satisfied that it will mest with general approval. In conclusion, the committee recommends employment of lecturers to canvas the country, and make known the true aim and objects of the Order, thereby our-cing the wrong impressions which now exist in the minds of many

The City Hall, completed two years ago at a cost of \$2,000,000, is on fire, and will probably be totally destroyed. The fire is confined to the tower of the City Hall. The loss will be less than the insurance, which is \$45,000.

GEORGIA.

Augusta, Nov. 18. -A frightful accident occurred last night on the Charlotte, Columbia & Augusta Rulroad, near Pine House, about twenty-five miles from Augusta. After the regular passenger left Columbia yesterday afternoon for Augusta, it was followed by a train of empty cars for the same point. The two trains rolled along at the rate of about twenty miles an houone following closely on the other. The passenger train had just reached the siding, and was about to stop, when the second train came along and the engine telescoped the ladies' pas-senger car, throwing it and amashing the car from the track. A terrible scene followed. The ladies' car was filled with passengers. Men, women and children were jammed together-wounded crushed and bleeding. After GORHAM, Nov. 18 - Two mining mills a few moments confusion, windows passengers emerged from the wreck.
