Yung Wrng, the Chinese Commisbuilding capable of accommodating 70 persons. It will be used as the headquarters of the Commission, who will there superintend the education of the Chinese youth.

DR. J. G. HOLLAND wrote as follows to the Woman's National Temperance watched with absorbing interest the children are in the bands of womenwomen mainly in the home, women bope of your success as a so their greatest energies to explore ciety in influencing legislation. I

CARL SCHURZ delivered his new leelack of statesmanship. The fathers, should allow the Republican adminishe said would stand fairly aghast at tration funds enough to run the Govthe monstrons abortions which exist crament respectably, but give it no and exclaim with scornful disgnat, "Is margin for stealing. it this you have made of the fair fab- To these two main ideas, it seems to

The law making power of the Uni-WILMINGTON, N. Co. tad States, and so far as we know the same power of the States in severally bus made it obligatory on the different Executives to set spart a day of thanks will let the quantion alone, the Republicant many of the country of the country, and should be held responsible. If the Democrata will let the quantum alone, the Republicant many of the country of the country and should be held responsible. conceived in a spirit of piety, -piety which impelled the framers of thus INCLASS & year; Foun Dollars in government to a firm adherence to the medial Severiterive cents per month principles upon which that government was formed. The strict letter the country for that purpose, and now to the city at leventy-rive cents of the Constitution, together with the that the Domocrats are in a position to the city at leventy-rive cents of the Constitution, together with the that the Domocrats are in a position to investigate their stewardship, the in-The Warking Louinnair. (Friday) a thirty-six solumn paper, Two Dollars and a salf from copies, Savas Dollars and a salf from copies, Savas Dollars, twenty ten copies, Fifther Dollars; twenty copies Fifther Dollars; tw there was in the hearts of the people as abiding confidence that whatever might be the result of political contests, there would be a spirit of bonesty and fair dealing in the hearts of the victorious leaders that would continue the country in the course of

> But the times have changed and men have changed with them. There is a universal feeling of distrust and want of confidence. The belief is widely prevalent, that instances of individual integrity are becoming rarer as the country grows older. Corruption has deepened and widered in the land, until we begin to feel that it is idle to look for honesty and integrity in official position. Is it not then a mockery for these officials to pronounce the name of Deity in connection with thanks for His Divine bounty?

HOUSE.

The Democratic members of the Penn., and he has been a member of next House of Representatives will be the Legislature and collector of inter- called upon to discharge duties to the country which will be both onerous and difficult. The increased power and influence which a strong majority in the next House will give them will has given \$10,000 to the Connecticut be attended with greatly ingreased responsibilities. Until the Democrats shall obtain control of the Senate and consin is said to own the largest flour the entire government, as well as of mill in America. It is seven stories the House, the policy which has charhigh, cost \$300,000, and turns out acterized the Demogratic minority for years past in the House, should now

Heretofore, the Democratic strength feeble. His friends are said to be dis- comprised only a few members, and nobody expected that it would originobody expected that it would originate new measures, or exercise very FANOY GROUERIES. Serious charges have been brought much influence in shaping important Call or order from us, corner of Dock and against both. Not a whisper has been legislation. This minority lacked the heard against Kerr. His record is power, even if it had the will. Its that of a true man, and he will make a usual policy was one of observation. capital Speaker. - | Augusta . (Ga) and protest to watch closely the res. ponsible majority, to scrutinize carefully every measure proposed, and to exsioner of Education, has bought a lot pose promptly whatever was dishonest, in Hartford, Conn., for \$10,000, and extravagent, or unwise. The miintends to have erected upon it a large nority, except as individual members, could not be be held accountable for the success or defeat of any bill.

In the coming Congress this, in messure, will be changed. The Democrats will still lack the powers to make laws. A Republican Senate and President will prevent them from doing Association assembled in Cincianati that; but they will be able to say that TUCKING COMBS. last week: "For the last 25 years I have bad bills shall not pass, and to throw. upon the Senate and the Presivarious phases and stages of the tem. dent the responsibility for the perance reform. I confess that I have defeat of needed legislation. The Lot found much to encourage me, ci Democrats should content themselves ther in the results of personal reform, with simply proposing such legisor in the outcome of prohibitory legis. lation as is absolutely necessary, and lation. Drunkards are made faster should then devote themselves than they can be mended, and the laws to investigations which shall lay bare are neither executed nor respected the extravagance and corruptions of The only way, therefore to cure drunk. the prese it administration. It enness is to cease producing it. The will not do for the Democratic FIFTY MILLION DOLLARS. only way to get rid of drunkards is to Honse to withhold any needed stop raising them. Here is where we act of legislation. To do this men's true field of labor lies, with re- would be only giving just cause of lation to this great work. The hope of complaint, which would be injurious the country is in its children, and the to the party. But in the investigation of the numberless acts of extravagance and corruptions of the present alminmainly in the school, women mainly in stration the Democrats have a field the Sunday-school. I have no great of labor before them which it will tax
