Border Outrages Troops Ordered to the Frontier—The Canal—Appointments.

[BY TELEGRAPH TO THE JOURNAL.]

**MARYLAND.**  
BALTIMORE, Dec. 23.—Wm. Bono is dead. He was seventy-nine years old, and was one of the proprietors and editors of the Baltimore American for forty years.

**WASHINGTON.**  
WASHINGTON, Dec. 23.—The special postal agents reappointed with headquarters are: L. M. Farrell, Atlanta, Ga.; W. L. Hunt, St. Louis; S. D. Beers, Louisville; Thos. B. Long, Salisbury, N. C.; J. R. Jolly, New Orleans; W. E. Edgerton, Little Rock; Jno. Fry, Atlanta, Ga.; Jas. B. Minnie, New Market, Tenn.; T. P. Shalpers, Wheeling.

**NEW YORK.**  
NEW YORK, Dec. 23.—The Board of Supervisors of Orange county, which fed over 18,000 paupers last year, have elected temporary workhouses in each town, and have enacted a law sentencing from five to sixty days hard labor every tramp applying for relief.

**MARIED.**  
BALDWIN-MITCHELL.—In this city, on the 18th inst., at the First Baptist church, by the Rev. J. B. Taylor, Dr. Albert M. Baldwin to Miss Nettie S., daughter of B. F. Mitchell, Esq., No. 407.

**CALIFORNIA.**  
SAN FRANCISCO, Dec. 23.—Gen. Schofield ordered a company of the first cavalry to San Diego for border service. Six hundred armed revolutionists have crossed the border from Mexico.

**VIRGINIA.**  
RICHMOND, Dec. 23.—There was a second earthquake immediately followed by a terrific one, at forty minutes past eleven o'clock last night, which caused much alarm. The oscillations were south to north. Shocks were felt at several points in the State. The shocks felt here last night were veritable earthquake shocks and no mistake. No comparisons can be made with any similar antecedent event, inasmuch as it was the first ever experienced here. The statements of persons residing in different sections of the city coincide in the main as to the vibrations and duration of the force of the shocks. A short time after the cessation of the shocks, the streets were alive with frightened and excited people. Many made their way to the newspaper and telegraph offices to learn the extent of the phenomenon, while the others, of a more nervous temperament, remained in the streets for hours, not daring to return to their homes for fear of a repetition of the shocks, but the remainder of the night passed off without further disturbance. To-day this remarkable epoch in Richmond's history was the general topic of conversation, it being discussed in all its phases, each one having their own experience to relate. Telegrams from various points in Virginia report shocks similar to those felt here. In some places a greater number of shocks are reported than in others. None of the reports agree as to the direction of the oscillation. As far as heard from, the shocks were not felt south of Petersburg, west of Lynchburg, north of Alexandria nor east of City Point or the James river.
