EDITORIAL NOTES

TAGLIONI, the denseuse, is worth \$3,000,000.

BETTER begin practicing on 1876. Baurrow in ortunate in his enemies Bishop Haven is 54.

William Twice, of Tonnessee, is Billy Deux. A New York church spent \$5000 for

Christmas floral decorations. Pieus The first white child born in Cin-cinneti is dead again. Next! In Kentucky they give their children

red pepper pode to play with- o as to Bir Roger Charles Doughty Tich-

borne, Baronet, has been adjudged a

A London correspondent gives ourrepey to the sad rumor that Hop. Reverdy Johnson, who is now sejourning in the English metropolis, is hopeleasly blind. It is certainly to be hoped that the report is untrue, though there seems to be no reason to doubt

Bishop Haven, not content with nominating Presidents, is likewise in-terpreting the ways of Providence. In the Isdopondent he says that if Vice-President Wilson had helped pas-ed the 'force bill' and other bills necessary to secure equal rights to all, ould have been alive to day.

Don't imagine the holidays over yet. The Christman trees have been lighted, and the tapers have burned out; but the Christmas garlands still hang on the walls, the Christmas obser remains with us, and New Year's Day comes on apage, and those who did not receive Christmas gifts, and some who did, have a right to expect that they will be remembered on New Year's morn-

SHRATOR Gordon, of Georgia, who wishes he had no liver, is much exercised over the impudence of a certain medicine vender who has descrated every rock from Virginia to Texas with the interesting information that Benator Gordon uses So-and-so's Care for the Liver Complaint." His aqueam-ishness will not be appreciated by our Diplomatic Service if the present system of peddling official influence con-

SHOOKD Lieutenant Campbell, of the Twenty-second Intentry, is the fortus sale young man now. He became a ew of the President a few mouths ago, and he has just been appointed to an assistant quartermestership over the heads of a dozen young officer, who the Administration opposes a reduction

of the army. that Pinchback has given up his fight of to-day than of our Republican an-and will resign before the Legislature centors. There was a time—how peinand will resign before the Legislature adjourns, in order that a successor may be elected. His negro admirers in the Legislature will insist that a ne of their number be elected in his stead, and threaten that they, will abandon ublican party in 1876 unless

HOLLAWAY has been indicted at Indispanolis for crookedness in the post office ! When an Indiana grand jury can indict one of Morton's brothersin law the great war Governor must be losing his grip, Give the bloody shirt an extra twirl, Senator.

The Hartford Times says about one thousand workmen at Rockville, Coun. of the strine. They are mostly from the different woolen mills; but the o eximen of the Glasgow (gingham) mill have also joined them. The men in the New England and Hockanum mills have not yet joined the strike, and may not. About \$1,10 per day in the average rate of wages, on which a Inction of 10 per cent. was go into effect on the 1st of January and that Isû to the strike. Board in the 1st Isû to the strike. cept so far as these represented cul-

ture and refinement, and its doors

name, and what Tennyson calls "the

socursed gold that gilds the narrow

forehead of the fool." It was such acciety, as taken all in all, we can

never hope to look upon the like again. It was exclusive indeed, but no tho-

roughbred gentlemsn was ever heard to

complain of it on that account, for

such a one in any case is always suffi-

cient auto himself. But then, as now, to occupiain of its exclusiveness was

the sure mark of the vulgarian and

Accordingly who are those who now

they not less reason to complain inas-much as they must, to judge from as-sociation, have already found by the law of natural selection, the only so-ciety for which they are fit? If we mistake them not, those who clamor for social recognition now are the ames who only a year go attempted to de-lugs our churches, echools, hotels and theatres with a notice throng of

testros with a motioy throng of

hetguards, negroes and lamaroni.

the parvenu.

ell into contempt and disuse.

nion's mke. The charge which eir wish we should not now hear bring against us is, in their own with surprise of negroes and scallawags assembled not in political conrecism, And yet no charge could be more unfounded as we will proceed to days orly, but a or id the feative board Where some sancy mr. alto m ght lough Onvertel g' sases with some gubernaorial aspirant or some impudent Ostracism, as practiced at Athens, blacksmoor pledge his ex-judge over it's penalty was banishment for ten the way. In which orse nothing more sars. It was one which was inflicted could be wanting than that some dark only upon those of her leaders whose public services or private virtues had passis could be found to do the ors of the board, rud who while ised to such an influence as to en diving from off the piate she lately ger the commonwealth. It is bewashed, might sapire to rule the circle lieved to have been instituted by Pisiswhich she served before. trotus, but this we know that Aristides

Agaip, are these social reformers altogether consistent with themselves? If we rightly remember them they have never failed to disgust with their snobbery every sciou of royalty or nobility who has come smongst us. They are even said to have surrounded their chief at Washington with somefor his eloquence as an orator, and yet thing of the tawery splendor of impeanother for his uprightness as a Judge. rialism. But this we know that they have been seen to go into extacles over in such a sentence; it being at worst a lot of Japanese mandarius, and only a but a splendid exile. Plate speaks of year 1go were seen to fall down without deceney or sense of shame before ous eminence." At least such it was a "mockery king" of the Sandwich originally and such it long continued Islands

> TAMMANY HALL ACCEPTS THE ANTI-CATHOLIC ISSUE,

Tammany Hall has assued an address in which it joins is no with Gen, Grant on the anti-Catholic sentiments of his peoch at Des Moines and his message whether we look at the forn, of this The following paragraphs are specienders has been the outlawry with mens of the bitter and flerce spirit and Isnguage in which Tammany assails the President :

"Buddenly and without warning the Chief Magistrats of the Union sounds the fire bell in the night from the regions of persecution be invokes the spirit of religious intollerance, and bids it to erect its sable throne in this land of liberty and in this age of enlightenment and vaunted progress.

"Has history no terrors for his im-agination as he looks back over the pecimens of the one class, and of sanguinary fields, the blocks, the gib Holden, and Moses, and Brownlow, of bets, the stakes which stand like grim estones of blood across the the other. Such men are indeed dangious track of the past three hundred years? Or is the historio as a scaled gerous to the State, but in quite another way. They possess a sort of book to the unlettered soldier who has risen from the tented field to the prominence it is true, but of a kind Presidency, and who would clutch at power and hold on to it with buildeg totally unlike that of any one of these illustrious rivals who strove for the nacity even over the ruins of his

inence as they do possess in not altoinence as they do possess in not alto gether such as public opinion has as signed them. For the popular estimate of them is that they are also great men; but that they are also great men; while the truth is that there is nothwhile the truth is that there is noth-Most High, no less than to the fabric of our civil liberties." edness. In the very nature of things therefore, there could not and has not fallen to the lot of men like these any
