MATTERS AND THINGS IN CONGRESS.

Noon Reports.

WASHINGTON.

WASHINGTON, Feb. 24.—It seems to have been forgotten that there are two returns from Vermont. The highest Democratic candidate of that State cast his vote in favor of a postmaster. Feeling among the Democrats is becoming more bitter.

House.—McMahon offered a resolution to meet the Senate at 1 o'clock.

Wilson offered a substitute to meet the Senate immediately. Adopted 145 to 85.

Then Vance moved a recess to Monday.

Ruled out of order.

A motion was made to reconsider Wilson's motion and to lay on the table. The yeas and nays were taken on this, the object being to filibuster till past 12 o'clock, when Friday's legislative day ends, and when a motion for a recess may then be entertained.

Julian of Indiana, is here to argue the South Carolina case in behalf of the Democrats at 11:55.

Dilatory questions have failed and the Senate has entered. They will make a report on Oregon, when a recess will be taken to Monday.

The result of this morning's proceedings is considered favorable to Hayes' inauguration.

It has been found that Honore has not fully complied with the subpoena duces tecum. Additional papers have been ordered and the committee will wait their arrival.

There are no committees in session.

Ferry is reported as denying having duplicate returns from Vermont. They will, however, be called for when Vermont is reached. It is suspected that Ferry fobbed the extra return.

In the House the motion of Mr. Clymer, one of the irreconcilables, that the House take a recess to 10 o'clock Monday, was defeated—yeas 107, nays 132. This was by a standing vote.

The yeas and nays are progressing and the result will be heard this evening, and two hours' debate on Oregon will occur.

The second joint session is in progress and the count to South Carolina is possible today.

A vote resulted 115 for to 156 against a recess, and debate and the count progresses.

Lane, of Oregon, moved a recess to 9:30 Monday.

Randall ruled the motion out of order, and debate was opened by Mr. Lawrence, of Ohio, in favor of sustaining the decision of the committee.

Upon the return of the Senate to its chamber at 12:10, Sargent, colored, submitted a resolution that the decision of the committee upon the electoral vote of the State of Oregon stand as the judgment of the Senate, objections made thereto to the contrary notwithstanding.

Debate was opened by Mr. Kelly, of Oregon, who denied that Watts was eligible as a Presidential elector.

INDIAN TERRITORY.

DEADWOOD, Feb. 24.—A band of Indians attacked Deadwood City. A hundred shots were fired without damage to the town.

PORTLAND.

CORVALLIS, Feb. 24.—O'Mahony's remains were brought from Queenstown in a special steamer and now lie in the Anatomical Institute. Demonstration was small.

BRAUN, Feb. 24.—Herr Von Forckenbeck has been elected President of the Reichstag, and Prince Hohenlohe-Langenburg and Herr Haufenberg Vice Presidents.

NEW YORK.

NEW YORK, Feb. 24.—The Sch. M. E. Donner, Weymouth, Mass., for Savannah, was run down and sank by the Brig Mariposa on Feb. 19th, lat. 36.40, long. 74.12. The crew of the Donner was brought to this port by the Brig Mary E. Pennell.

MISSOURI.

St. Louis, Feb. 24.—Iglesias is here enroute East.

LOUISIANA.

SHREVEPORT, Feb. 24.—The Bell Rowland, with 1,000 bales of cotton, sunk in Swan Lake. The boat is a total loss. No loss of life.

Night Reports.

WASHINGTON.

WASHINGTON, Feb. 24.—House.—At the end of the two hours the House re-assembled in joint session and the vote of Oregon was counted for Hayes and Wheeler.

Pennsylvania was next opened and Springer and Tucker presented objections. They were signed by a sufficient number of members and Senators, and allege a vacancy illegally filled by the college.

The houses separated and a motion for a recess to 10 o'clock Monday was carried—yeas 132 to 121.

SENATE.—Mr. Conkling, who was absent heretofore when the question of sustaining the decisions of the commission came up, said in the Oregon case: The State of Oregon intended to appoint a Republican elector and the people of Oregon intended to elect a Republican elector and voted for Mr. Watts. The commission had given its decision and he disclaimed any intention of alluding to any of the reasons which prompted the decision of the commission, and believing that the State of Oregon intended to appoint Republican electors, he should vote to sustain and affirm that intention and the decision of the commission.

He was also opposed to impeding in the slightest degree the operation of the decision of the commission, and on the contrary he was in favor of aiding it and consummating it at the earliest practicable moment. The decision was sustained by a party vote.

The Senate after a two hours debate agreed to count the vote of Pennsylvania without division.

J. B. Williams, Jr., of Mobile, Ala., testified before the Senate committee on privileges and elections in regard to the Chapel Hill Church fight in Mississippi. He said the negroes did the first firing, and that Hogan was four miles from the fight. He is the man that Outlaw said killed the negro Chas. Curry. That Henry Outlaw was one of the ring leaders of all the disturbances that occurred during the canvass in Oktobeha county.

The House committee on appropriations agreed to non-concur in subsidies for New Orleans and Brazil, and California and Chinese mails.

FOREIGN.

CONSTANTINOPLE, Feb. 24.—It is said that a complete understanding will be reached to-day between the Porte and Servian envoys, the latter having accepted the Turkish conditions except those claiming equality for troops in Servia and the right of the Porte to be diplomatically represented at Belgrade. Servia will be evacuated by the Turkish troops ten days after the conditions of peace are ratified.

LONDON, Feb. 24.—A special dispatch from Berlin to the Pall Mall Gazette says it is reported in well-informed circles that the Czar will certainly await the Powers' reply to Prince Kirenchagoff's circular before attacking Turkey. A Russian officer just arrived from Kirenchagoff gives a highly favorable account of the Russian army, but it is positively asserted that Russia in no case will commence hostilities before the 31st of March.

THE MILITARY.

Meeting to Perfect a State Organization.

A meeting was held in Raleigh on Friday, by representatives from the different volunteer military organizations of the State to consult with the Adjutant General, and for other purposes. There were present:

Johnstone Jones, Adjutant General; H. G. Flanner, Capt. First Light Artillery; M. P. Taylor, Captain Wilmington Light Infantry, and proxy for Goldsboro Rifles and Orange Guards; J. B. Smith, Captain Lafayette Light Infantry and proxy for Independent Light Infantry; William Whitford, Captain Newbern Grays; C. W. Alexander, Fir & Lieutenant Charlotte Greys, and proxy for Houlston's Nest Riflemen; E. J. Hancock, Captain Elm City Riflemen; J. W. Gordon, Captain Whitling Rifles; J. W. Lee, Captain Raleigh Light Artillery; B. C. Manly, Captain Raleigh Light Infantry.

On motion, Adjutant General Jones was called to the chair and Capt. Manly was requested to act as Secretary.

By request, the Adjutant General read a bill which he had drawn up for the government of the militia of North Carolina.

On motion, the meeting adjourned till 4 p. m.

Pursuant to adjournment the meeting was called to order at 4 p. m. by the Adjutant General.

Captain Hallyburton, of the Roanoke Rifle Guards, presented himself and took part in the consultation.

The Adjutant General continued the reading of the militia bill which, after amendment, he was requested to submit to the General Assembly for consideration.

The Adjutant General was urged to equip forthwith the Cape Fear Light Artillery, Captain Flanner stating that Gov. Brogden had refused to equip this company or to commission its officers.

On motion, a resolution of thanks to the Adjutant General and the Secretary of this meeting for courtesies extended, was adopted.

On motion, it was resolved that an official visit be made to Gov. Vance at 7 1/2 p. m.

On motion, the meeting adjourned.

At 7 1/2 p. m. the delegation waited on Gov. Vance at the Yarbrough House, where they were warmly received. The purposes of the meeting of the day were thoroughly discussed, and the Governor very heartily approved the organization of all the companies as contemplated, but suggested the "State Guard" as the name instead of the "National Guard."

Fire Yesterday Morning.

A frame building on Orange street between Front and Second streets, was discovered to be on fire yesterday morning about 4 o'clock. It was occupied by Mrs. Daniels, a widow lady. Mrs. Daniels was asleep, but awoke to find the room filled with smoke. She sprang out of her bed and ran from the room. The fire department were quickly on the spot but the house burnt like tinder. Mrs. Daniels saved most of her furniture. The house was valued at \$500 and was owned by Mr. L. Vollers. It was insured for \$250 in the Ethna Company, Mr. T. D. DeLamater, Agent.

The supposition is that it was set on fire by rats.

Robbery at St. James' Home.

We have before chronicled the depositions of rogues on this property, owned by St. James' Church. Some unprincipled scoundrel has stolen every cooking utensil in the kitchen, only leaving the stove because it could not be conveniently carried away, and other necessary articles, including two bibles and a large dictionary. It is difficult to say which is the worse, to steal from such an institution as the Home, or to take the Book that commands "Thou shalt not steal," by stealth. A few mornings since the lady who has charge of the Home was startled by the announcement of the servant, who said that the evergreens and flowers had been stolen from the yard! We consider this one of the most unpardonable specimens of heartless, detestable roguery on record. The Home is supported by the generosity of St. James' congregation, and the children of the parish who are unable to obtain an education elsewhere, receive both secular and religious instruction there.

We are assured that it is no easy matter in times like these to keep up the Home, and the midnight robber, if his eye should fall on this paragraph, should not only make every possible reparation for his sin, but beg to be allowed to keep one of the bibles in order to learn how to do better in the future.

Yesterday officer Nick Carr went up to the Home and examined the footprints of the scoundrel who dug up the evergreens. His feet were in some way deformed and his tracks different from any others. Aided by this officer Carr followed the footprints to the house of a negro by the name of Henry Boon. He immediately procured a search warrant and succeeded in finding the kitchen utensils, which the cook at the Home identified as their property. Boon was arrested and carried to jail.

Change of Captains.

Capt. Joseph Irish has been removed, at his request, from the command of the Revenue Cutter Colfax, and Capt. Frank Bar appointed in his stead.

CITY CURRENCY.

Cold weather.

Eggs sold last week at 12 1/2 cents.

There have been no interments in Oakdale Cemetery for four weeks.

There were six interments, all of which were adults, in Pine Forest Cemetery last week.

Bishop Atkinson will give another of his lectures on the Apostle's Creed this evening at St. Paul's Church.

Marriage licenses were issued by the Register of Deeds to one white and four colored couple, last week.

The fine chromo, "Book of Ages," which was stolen from Mr. P. Heinsberger's Book Store, on Friday, was stolen by the same negro who stole Mr. Geo. F. Triley's overcoat. He offered it to several parties for fifty cents.

On his arrival in Philadelphia Rev. S. Mendelsohn was waited on by the President of the largest Jewish temple there, Mr. E. Wolf. Yesterday he preached at the Broad Street Temple, claimed to be the handsomest edifice devoted to religious worship in the city. Doubtless the gifted minister gave satisfaction, as he does here.
