AN ACT Sec. 1. The General Assembly of North Carolina do enact (three-fiths of cial reasons render it expedient. The

That the constitution of this State be powers of justices of the peace." altered as follows, to wit: Amend section 6, of the first article. by striking out the first clause thereof, down to and including the word "but;"

all the members of each House concur- chief magistrates of cities and incor-

this being the clause relating to the striking out the word "annually," and

Amend section 5 of the second article, by striking out all that precedes the words "the said Senate districts," and by striking out the phrase "as aforesaid or" in said section; the parts so stricken out having reference to the State census.

Add a new section to the second article to be styled "section 30," and ROBT. R. HILL! to read as follows :

"The members of the General Assembly shall each receive three hundred dollars as a compensation for their COMMISSION MERCHANTS, services during their term subject to such regulations in regard to time of payment and reduction for non-attendance as may be prescribed by law, but. TAITHFUL PERSONAL ATtention given to the sale of Cotton, Tobacco, Wheat, Corn, &c.

Sale Orders filled for Goods at reasonable session, and mileage shall be 10 ets, per

Amend section one of the third article by striking out the words "four years," Hides, Beeswax, Sheep Skins, &c. T. H. GRIFFIN, Rocky Mount, Agt, wher they occur first in said section, and inserting, in lieu thereof, the words "two years," being in reference to the terms of executive officers.

> occur in the Constitution, thus abolish ing that office. Amend section six of the third article, by striking out the word "ans nually," and inserting, in lieu thereof.

Strike out the words "Superintend-

to the provision respecting the sessions of the General Ascembly. Strike out sections two and three of the fourth article, being the provisions which refer to the appointment

Alter section four of the fourth arti

cle, so that said section shall as follows "The indicial power of the State shall be yested in a Court for the trial of impeachments, a Sur reme Court, Susperior Courts, such inferior Courts as may be established by law, and Courts of Justices of the Peace."

Alter section eight of the fourth article, so that said section shall read as follows: "The Supreme Court shall consist of a Chief Justice and two Ass soci te Justices; Provided. That this shall not apply to the Justices during death, resignation or otherwise, the number of Associate Justices shall be

reduced to two. Alter section twelve of the fourth article so that said section shall read as ! follows: "The State shall be divided into nine judicial districts, for each of which a Judge shall be chosen; and in each district a Superior Court shall be held at least twice in each year, to conrespectively as may be prescribed by law. The General Assembly shall lay off said districts in due time, so that the said nine Judges may be chosen and begin their official term at the first Compound general election for members of the General Assembly which shall occur atter the ratification of this section. The General Assembly may reduce or increase the number of districts to take effect at the end of each judicial term."

judicial districts. Amend section fourteen of the fourth word "office," and inserting, in lieu of 250 pounds Acid Phosplate as been found by experience to produce results rarely "The General Assembly shall presequalled and never surpassed by any cribe a proper system of rotation for cared for at the charge of the State. the Judges of the Superior Courts, so

Medical experience proves that, in

is eminently true of brain disease, and of all those related cases where death results from an exhaustion of the vital power through overwork, excessive excitement or nervous prostration. It is at the hour of 5 o'clock in the morning that the life-force is at its lowest ebb, and succumbs must readily to the assault of epilepsy or paralysis, or of the fatal lethargy that comes in those vividly beautiful picture-dreams, for which medical seience has as yet found no name, and of which it has taken no sufficient cognizance. Ninetenths of those who die in this way expire in their sleep. In many such cases, if a friend were at hand to waken the sleeper when the attack comes on, or if he were to awaken by some accidental noice, he might, by the use of a few simple precautions, prolong his life for many years; for the shock which proves fatal to the man wrapped repelled were it armed with all its
