VISIONS OF HEAVEN-FROM A SERMON BY DR. TALMAGE. The question is silently, though, perhaps, never admittedly, asked by multitudes: What are our departed Christian friends doing now?" The question is more easily answered than at first supposed, though no news comes directly from heaven and we are dependent upon descripis the finest trucking region in the tions eighteen centuries old as to of dents. Yet we may, by strongest inference, know the present em ployment of our transferred kins become a sanguine temperament. Conversion implants new principles unchanged. John and Paul are as different fromseach other in heaven

as they were different in Asia Miwhat your departed friends are do ing. You will only have to subtract from them earthly grossness and add to them celestial goodness. They are doing on a grander scale, and without any hindrance what they loved to do on earth in their

BEECHER'S START AS A MINIS other raised 1021 bushels of rice, TER. - Half a dozen proud fathers their arms, and accompanied by lbs,-at prices from 20 cents to 5 tioned the Throne of Grace that

"When I was a young man,"

said the pastor in a few remarks that prefaced the sermon, of was a Presbyterian, and I am such streams with a combined water I was 23 o. 24 years of age, when a young woman she was not more equal to the entire steam power of theore 21 years old, and her name New England. She has plenty at was Marcha Sawyer-came to me room, plenty of fuel, cheap labor, and gave me an invitation to preach cheap living, no interference by ice in the hitle Presbyterian church at or storm; and the material at the Lawrenceville, Indiana, Taccented door. Her profits to-day are greater her myitation, and become the region than those of New England. For play pastor of a congregation of 20 example, by census of 1870, Massa, persons, Martha Sawyer was the sole deacon, trustee, secretary and treasurer of the church. She was thei main pillar of the little society. Carolina invested \$8,140,473 and She collected all the money by persisten' effort, and than used to raise culture, same year, we had \$900,630 sufficient wherewithal to pay the in farms, tools and labor. Our pro-Missionary Society-God bless its members-gave us \$250, and my salary was fixed at \$400 per year I was the only man in the church. I-swept the floor of the little edifice, and lighted the candles for the Indiana then. When lamps came into tashion I purchased four or five, and with my own hands fastened them to the wall. This little first pastoral Liber-is still standing. A friend sent me a photograph of it a lew days ago. The humble little structure is to be torn down, Judge J. T. Bossier, of St. Tam and a new and modern house of

DEATH. - Addison on this subthe tombs of the great, every motion of envyalies in me; When I read the epitaplis of the beautiful, every inordinate desire goes out; when I till tombstone, my heart melts with compassion; when I see the tomb of the parents themselves, I consider the vanity of grieving for those whom we must quickly follow, When I see kings lying by those who deposed them, when I consider rival Wits placed side by side, or the boly men that divided the world with their contests and disputes, I reflect with sorrow and astonish ment on the little competitions, fac-When I read the several dates of the tombs, of some that died yester day, and some six bundred years ago, I consider that great day when The Normal school at Chapel we shall all of us be contemporaries
