"Buffalo Bill's Last Shot."
The entertainment given at Ma-
son Opera House Monday night
by Newman's Guild of Dramatic
Art is said to have been "healthy
in sentiment, pure in motive, vigor-
ous in dialogue, effective in situa-
tion." The role of "Buffalo Bill"
taken by our friend of other days,
Jas. F. Newman, was well sustained
and reflected credit upon him. The
other characters, especially the
comedians, have rare talent. By
special request this company will
be in Wilson again Monday even-
ing and give "Molly, A World of
Sorrows." They should be greeted
with a full house.

The Governor's Scruples.
It is said that the negro Pratt,
who was sentenced to be hung in
Goldboro, and whose sentence was
commuted to imprisonment for life,
wrote a letter to Governor Jarvis
asking the commutation. In the
letter he said, in effect, that he had
been his peace and would be soon
walking the golden streets of the
New Jerusalem, turning his harp to
the music of the celestial choir and
singing the praises of his Maker.
While ready and prepared to die,
he begged the Governor to spare
his life.
After reading the letter the Gov-
ernor remarked to a friend that he
had about concluded to commute
the sentence, but as Pratt was now
preparing to be the instrument of
keeping him from walking the golden
streets and singing the celestial
music; that if he then commuted
the sentence and Pratt should
backslide and finally go to his
death, it would be a disgrace to the
Governor's name, in a measure
feel that he had wronged the
negro, and had kept him out of heav-
en. The sentence was commuted
and it is to be hoped that Pratt will
continue the "straight and narrow
way" so that the Governor's
conscience will not smite him over-
much.

Sale of the Petersburg & Weldon R. R.
The "Roanoke News" has the
following in reference to the re-
ported sale of the Petersburg &
Weldon railroad:
"It is rumored here, and it is
generally believed, that the Atlan-
tic Coast Line has purchased a con-
trolling interest in the Petersburg
road, and will build a bridge across
the river at this place if a half in-
terest in the Seaboard road cannot
be purchased. It is also said that
the road will be under Col. Bridg-
er's control and that all the officers
except such as are not will be dis-
charged. We trust this latter rum-
or will prove to be untrue. There
are many people here who are de-
pendent on the road for their living
and understand their business per-
fectly. It would be unwise for them
to have to leave their positions.
It is also said that conductors
will run from Wilmington to Rich-
mond, and engineers and engineers
will be sent to Rocky Mount and
New Bern. These changes, it is
said, will save the road about \$2,000
a month. It is a serious matter to
Weldon."

People and Their Movements.
Mr. Frank W. Barnes, who has
been in Washington City, has
been found among the great ones
in that city a growing feeling in
favor of the "old ticket." He says
many Southern Senators are open-
ly in favor of the nomination of
William H. Hunt and Hendricks, be-
lieving that ticket, we can sweep the
country. There is some talk, he
says, of putting a Southern man on,
if the old ticket is not nominated,
for Vice President.—Rev. J. H. R.
Brooks and wife are visiting friends
in New Bern. Mr. Brooks will
return in time to occupy his pulpit
Sunday.—Miss Hattie Barnes has
returned from a visit to Gold-
boro.—Miss Nina Jenkins, of
Nash, is visiting friends in Wilson.
Mrs. T. J. Hildley is on a visit
to Mrs. H. F. Grainger, at Gold-
boro.—Mr. S. J. Carter, of Nash,
has joined the Wizard Oil Com-
pany. He is said to be a regular
customer of the firm. Mr. Thorp,
of Rocky Mount, is on a visit to
his old home.—We have been pleased
to meet in town this week our
young friend David L. Ward, Esq.,
a native of Wilson county, who is
now practising law at Marshall,
North Carolina. He is, we are
glad to know, meeting with much
success in his adopted home.—
W. C. Taylor Esq., of Whitakers,
was in town this week.—Mr. J.
Oettinger has gone North to pur-
chase his fall stock. We were
pleased to receive a call this week
from Dr. Wm. Edwards, of Nash,
who has just graduated as a com-
pounder of pills.

**A Chat With North Carolina's Most
Prominent Man.**
There are lots of beggars in the
world. In conversation with Mr.
Julian S. Carr, President of the
celebrated Durham Bull Tobacco
Company, on the train Monday
morning, we said to him:
"I would think that you would be
greatly troubled with begging let-
ters. Do you receive many?"
"Yes, and some of them can but
amuse me. Only a few beggars
received a letter from an old man
who wanted me to give her
enough money to dig a well. And
the Clerk of the Court in county
wrote a short while ago and asked
me to give him enough money to
buy a plantation."
"Of course," we said, "you can't
answer all these letters."
"I rarely fail to answer a single
one. I dictate to a stenographer
and have them answer them."
Well this set us to thinking.
Here is a man—the most generous
and benevolent and busiest man in
the State who is not too busy to re-
spond to letters written to him by
all sorts of people on a hundred
different topics. He is a wonderful
man—not that he is so much great-
er than some other men we know—
but because of his capacity for
work, his cheerfulness and his
open hearted generosity. We
heard one of our leading citizens
say Tuesday night that of all men
in the State he'd rather vote for
Julian Carr than any man in it.
"And" said he "I don't care what
he wants! I'd vote for him for any-
thing or everything." This gen-
tleman has no acquaintance with
Mr. Carr, but appreciates so good
and so public spirited a citizen.

Wilson Superior Court.
Wilson Superior Court is in ses-
sion this week. Judge James E.
Sheppard is presiding with marked
ability. The people of Wilson feel
a peculiar pleasure in having Judge
Sheppard preside over the court.
They have watched his career with
interest and pride and no commu-
nication rejoices more in his elevation
to the bench than the Wilson peo-
ple. He is a model Judge and
transacts business with rapidity.
There is no unnecessary delay in
his court, and when a case is called
he requires that it be disposed of
unless very good reasons are offered
for its postponement. If all our
judges were like Judge S., we would
not hear so many complaints about
the laws delays. A learned lawyer,
an elegant gentleman, a genial
companion, a model judge—he is
always gladly and warmly wel-
comed in Wilson.
In addition to the resident bar
from a distance have been in at-
tendance, Galloway, W. T. Dyer,
Judge Strong, of Raleigh; W. T.
Dortch, F. A. Daniels, W. S. O'B.
Robinson, of Goldboro; B. H.
Bunn, of Rocky Mount; B. F. Bul-
lock, of Franklinton; R. A. P. Cooley,
of T. M. Arrington, of Nashville;
D. L. Ward, of Marshall; T.
Wooden, of Snow Hill; and E. W.
Pon, of Smithfield.
A large number of cases have
been disposed of most of a trivial
character. Major Johnson, of
Wilson, was sentenced to the penitentiary
for four years for breaking into Mary
Hog's house. Louis Aiken and J.
Brown, both colored, were sen-
tenced to a four year term for rob-
bing Frank Drake on the streets of
Wilson. Prince Moore, Pat Brewer,
Jerome Barden, and Robert
Kersey, for resisting policeman
Winbourne and rescuing a prison-
er were found guilty and each sen-
tenced to four months imprison-
ment in the county jail.
The criminal docket is nearly
finished and the civil docket will
be taken up this evening or to-morrow.
The court will last probably until next
Friday.

The Graded School.
The sixth month of the session
closed last Friday. The number
enrolled, the number of visits paid
to the school, and the percentage of
attendance give some idea of the
popularity of the school and the
earnestness of the teachers and
pupils. We obtain the following
items from the Principal's report:
No. new pupils enrolled this
month, 15
No. pupils enrolled up to date 349
Percentage of attendance, 95
Percentage of tardiness, .007
No. of corporal punishments, 1
No. of visits paid the school 432

Money for the Cyclone Sufferers.
Since our last issue the following
amounts for the benefit of the cyclone
sufferers has been handed us:
J. A. Clark 1.00; J. G. Rawls 1.00;
M. B. Atkinson 2.00; Gen. Joshua
Barnes 10.00; B. P. Branch 1.00;
an amount collected by Mrs. S. W.
Brewer and Mrs. Geo. Wainwright
from white and colored 12.00; Mrs.
Sue W. Brewer 1.00; making total of
28.10. In addition to the above
amounts the enterprising firm of
W. W. Hargrave & Co. has donated
a dozen of their excellent plows,
which were sold at auction Tuesday
which brought \$14.34, which amount
added to all heretofore collected
makes the total contribution
\$42.44. There is still need of
other funds and contributions may
be left at this office.

Spring Hope.
DEAR ADVANCE:—For the past
month the weather has been very
beautiful and the farmers are get-
ting ahead with their spring work,
clearing, hauling and remodeling
their old fences.

bride's father, in Nash county, near
Peach Tree, Feb. 23, Mr. Hillmond

Rev. G. M. Duke officiating. May
their pathway be strewn with flow-
ers.
Died, at the residence of his father
in Nash county, Feb. 20th, Mr.
Bunyan Collins, aged 28th years.—
He leaves a father and mother, 3
brothers and three sisters to mourn
their loss.

PLAIN FRANK.
February 24th, 1884.

PENCILLINGS AND SCISSORS.
Chowan county commissioners
have decided to make an exhibit at
the State Exposition.
Joe W. Hicks, Esq., of the
"Home Journal," has been chosen
mayor of Warrenton.
A friend from the Elm City writes
that New Bern will shortly
build a \$5,000 Graded School build-
ing.
Joe Turner's new paper, "Truth,"
has made its appearance, and is
highly complimented. We have not
seen it.
Gen. Ben Butler is to be a dele-
gate to the National Democratic
Convention. Such is the report
from Massachusetts.
Laurinburg was visited last Fri-
day by a \$15,000 fire. Eight stores
and three small dwellings were
burned—all frame buildings.
Hon. Kenneth Bayner, Solicitor
General, died at his home in
Washington City, Wednesday morn-
ing. He was about 70 years old.
Mr. J. S. Carr has made a pres-
ent for the benefit of the Durham
Graded School a lot \$3,000. This
is an act of generosity, characteris-
tic of this gentleman.
The Liberal and Republican State
Executive Committees have been
formed. Each committee has been
called by their respective chairmen
to meet jointly at Raleigh, March
19th, for the purpose of taking in
to consideration what action shall
be taken in reference to the ap-
proaching campaign.
We have been says an exchange,
reading for years of "Mrs. Dr."
"Mrs. Rev." "Mrs. Col." and so
on, but it has remained to a correspon-
dent of our esteemed contemporary,
the New Bern "Journal," to an-
nounce the death of Mrs. Sheriff
Harper, of Greene county.
The Shelby "Aurora" says W. H.
Morrow, of Interfer county, left
home sober on the morning of the
17th, went to a grog shop, got
drunk, started home, fell off his
horse and received injuries from
which he died. He was 25 years
old and left a widow and two children.

D. S. Phillips, of Bear Creek
township, says the Chatham "Re-
corder," is 52 years old, has never
taken a chew of tobacco, never
smoked; never took a dose of
medicine; never went hunting or
fishing; never fired but one gun in
his life; and never—well—hardly
ever, took a drink.

On Sunday, says the "Messen-
ger," as the train from Raleigh was
passing the Wilson Mills section,
a white man, named M. O. Atkins,
was run over and killed. He was
evidently in an intoxicated con-
dition, lying between the cattle
guards, and was not seen by the
engineer until too late.
The statute of Gen. Robert Lee,
which was unveiled at New Orleans
last week by the Lee Monument
Association weighs about seven
thousand pounds, and was cast in
six sections, the lead alone weigh-
ing over three hundred pounds. It
is by far the largest bronze statue
ever cast in New York.

The "News" of that place, says
"Congrats to the good making
it ten years in the penitentiary at
hard labor for any business man in
Mr. Atry to advertise in the 'News,'"
and from the appearance of the
columns of our contemporary we
judge that the Mr. Atry business
man after a very law-abiding set of
people.

DIED.
In Smithfield, Johnson county,
Mr. W. B. DANIEL, of pneumonia,
aged 28 years.
Near Whitakers, Friday, Feb.
20th, MR. WILEY BRADLEY, aged
83 years. He was a good man and
will be sadly missed.

At the residence of his son-in-law
near Rocky Mount, Feb. 25th, MR.
JAS. D. BATTLE. He was a member
of the Baptist church and a good
man.

COL. JOSEPH DIXON, a well
known citizen of Greene county, died
on Saturday last. COL. DIXON
died the unexpected term of Col. Hae-
ton in Congress in 1869 and 1870.

MARRIED.
MR. WADE H. HARRIS, local editor
of the Charlotte "Observer," was
married on Wednesday of last
week, to MISS CORA SPRINGS,
of Charlotte. The congratulatory
brother quill driver and wish him
many years of happy married life.

We are glad this week to be able
to record the marriage of our cle-
ver friend A. B. WILLIAMS Esq., of
Nash, to MISS MILLBREE DEANS,
on Tuesday of this week, J. M.
Barnes Esq., (who takes delight in
telling the story) officiating. The
ADVANCE extends best wishes and
predicts that the example of Mr.
Williams will be followed before a
great while by two other of our
best friends in that section of
Nash.

all Uterine troubles, female
complaints, nervousness, indigestion,
dyspepsia, headaches, cholera,
and fevers, sore throat, scirrhus,
eczema, and all skin diseases. Any
one suffering or afflicted with any
of these ailments, may rely with
certainty upon receiving direct and
unmistakable benefits from the
proper use of the "Mass." And
any lady, not able to buy the Mass,
and she will furnish a regular phy-
sician's certificate to that effect, we
will mail her a package at our own
expense. Be sure you get "Seven
Springs Mass." Landrum & Litch-
field, Abingdon, Va.

THE SEVEN SPRINGS MASS.—
More sought after than ever before.
The people are just beginning to
realize the value of a reliable remedy.
Dr. Richard Leannon, of Lynch-
burg, Va., says: "For Throat Dis-
eases and chronic Nasal Catarrh,
taken systematically, and as a local
application, in connection with other
local remedies, he finds the Iron
Alum Mass of extreme value." "Who
would not give one dollar, or even
50¢, if necessary to be cured of
"Nasal Catarrh." How strikingly
true, that nature wisely provides a
remedy for every ill, but forces none
to use it against their will. Moral.

Remember that no medicine
cures; it simply assists nature
in relieving itself of an unnatural
condition of the system. Worms
disorganize—Shriner's Indian Ver-
mifuge kills and drives them from
the system, thus removing the cause
of disease.

Women teach us respect, civility
and dignity.

KING'S EVIL
Was the name formerly given to Scrofula
because of a suppurating gland which
is cured by a king's touch. The world is
wiser now, and knows that

SCROFULA
can only be cured by a thorough purifi-
