"Blessed be the man who invented sleep," said Don Quixote's weary squire, "who invent-ed sleep." Sancho's gratitude is ours, but what if one cannot for any reason enjoy that excellent invention? "Nervousness in me had become a disease," writes Mr. Wm. Coleman, the well known wholesale druggist of Buffalo. New York. "I could notsleep, and my nights were either passed in that sort of restlessness which nearly crazes a man, or in a kind of stupor, hannted by torgmenting dreams. Having taken Parker's Tonie for other troubles, I tried it also for this The result both surprised and delighted me. My nerves were toned to concert plich, and like Cresar's fat men. I fell into the ranks of these who sleep o' nights. I should add that the Tonie speedily did away with the condition of general debility and dyspepsia occasioned by my previous sleeplessness, and gave me strength and perfect digestion. In brief, the use of the Tonic thoroughly re-established my health. Thave used Parker's Tonie with entire
