Complimentary and Deserved Tributes. We rejoice to know that our esteemed contemporary, the Mirror,

is held in such high favor by the State press. We print the follow ing opinions of the press to show what three leading State papers say about our excellent neighbor. The Wilson "Mirror" has begun

its third year. As long as W. H. Blount is at its head it will be always readable, and full of bright rhetoric and, now and then, some gems of purest ray serene. _"Star."

For pure sentiment, chaste language and beautiful diction brother Blount has no superior on the State Press. Some of his flights in discription might seem overdrawn. but not withstanding this, there is beneath his flowers a current of pure and noble humor. His wit, fluency and sprightliness make him the most fragrant flower of the North Carolina Press. He is to the efficacy of AVER'S HAIR VIGOR. The title will attract all North Carolinians, who pin their faith to one or other senator, and the reading once begun BUHRS 1774 will not stop whilst anything remains to read. It is somewhat "highfalutin" out is also a most wonderful performance, and the writer is not more than one remove from a genius. If the Register had space, it would reprint the whole of the last "Mirror." not doubting that our readers would enjoy as thoroughly as we have done its pages of editorial, paragrahs about politics, news and every-day affairs, all more or less in the style of the Ransom-Vance article, and three Mills, as follow some of them of surpassing beauty PATAPSCO MILL, A in thought and in expression. AYER'S Hair Vigor

youth, faded or gray hair to a natural, rich brown color, or deep black, as may be desired. By its use light or red hair may be darkened, thin hair thickened, and baldness often, though not always, cured. It checks falling of the hair, and stimu-

lates a weak and sickly growth to vigor. It prevents and cures scurf and dandruff, and heals nearly every disease peculiar to the scalp. As a Ladies' Hair Dressing, the Vigor is unequalled; it contains neither oil nor dye, renders the bair soft, glossy, and silken in appearance, and imparts a delicate, agreeable, and lasting perfume.

MR. C. P. BRICHER writes from Kirby, O., July 3, 1882: "Last fall my hair commenced falling out, and in a short time I became nearly baid. I used part of a bottle of AYER'S HAIR VIGOR, which stopped the falling of the hair, and started a new growth. I have now a full head of hair growing vigorously, and am convinced that but for the use of your preparation I should have been entirely bald."

J. W. Bowen, proprietor of the McArthur (Ohio) Enquirer, says: "AYER'S HAIR VIGOR is a most excellent preparation for the hair. I speak of it from my own experience. Its use promotes the growth of new hair, and makes it glossy and soft. The Wgon is also a sure cure for dandruff. Not within my knowledge has the preparation ever failed to give entire satisfaction."

MR. ANGUS FAIRBAIRN, leader of the MR. ANGUS FAIRBAIRN, leader of the celebrated "Fairbairn Family" of Scottish Vocalists, writes from Boston, Mass., Feb. 6, 1880: "Ever since my hair began to give alvery evidence of the change which fleeting time procureth, I have used AYER'S HAIR VIGOR, and so have been able to maintain an appearance of youthfulness—a matter of considerable consequence to ministers, orators, actors, and in fact every one who lives in the eyes of the public."

MRS. O. A. PRESCOTT, writing from 18 Elm St., Charlestown, Mass., April 14, 1882, says: "Two years ago about two-thirds of my hair came off. It thinned very rapidly, and I was fast growing bald. On using AYER'S HAIR VIGOR the falling stopped and a new growth commenced, and in about a month my head was completely covered with short hair. It has continued to grow, and is now as good as before it fell. I regularly used but one bottle of the VIGOR, but now use it occasionally as a dressing." We have hundreds of similar testimonia

cal of its value. PREPARED BY Dr. J. C. Ayer & Co., Lowell, Mass.

Adams, N. Y. Jan. 30, 1882.

Dr. B. J. Kendall & Co., Gents.—Having used a good deal of your Kendall's Spavin Cure with great succest. I thought I would let you know what it has done for me. Two years ago I hai as speedy a colt as was ever raised in Jefferson county. When I was breaking him, he kicket over the cross bar and got fast and tore one of hind legs all to pieces. I employed the best farriers, but they all said he was spoiled. He hai a very large thorough-pin, and I used two bottles of your Kendall's Spavin Cure, and it toos the bunce entirely off, and he soid afterwards for \$1800. I have used it for bone spavins and wind galls, and it has always curel completely and left the leg smooth.

It is a splendid medicine for rheumatism. I have recommended it to a good many, and they

have recommended it to a good many, and they all say it does the work. I was in Witherington & Kneeland's drug store, in Adams, the other day and saw a very fine picture you sent them. I tried to buy it, but could not; they said if I would write to you that you would send me one. I wish you would, and I will do you all the good I can. e good I can. KENDALL'S SPAVIN CURE. Charleston, S. C., July 22; 1883.

† Dr. B. J. Kendall & Co., Dear Sirs:—I purchased at Louisville, Ky', a very fine bred colt, and in shipping he got his hock badly hart on the outside of the joint which caused it to swell-three or four times the natural size, which made him very lame. I tried a great many liminents which failed to benefit the injured part. At last when disgusted, and ready to give up the colt as ruined. I happened to see your adjusted of Kendall's Blister and Spavin Cure, and thought I would give it a Irial. I first applied the Blister to the hock which by this time had become calloused, and to my surprisefound it worked like a charm. In twenty four hours the part that was harp became soft some of Kendall's Spavin Cure and applied it according to directions, which has made a perfect cure, ann the colt is now as sound as any horse alive. I merely write this letter to you, Charleston, S. C., July 22, 1883.

according to directions, which has made a perfect cure, ann the colt is now as sound as any horse alive. I merely write this letter to you, as I think it a duty I owe to you, and also for the good of the public at large. The foregoing statement I will make affidavit to, and can also have the same verified by the best horsemen in our city who caw the colt before and after Ireatment.
