looking woman he met. He was Wimpey felt a deep interest in know what to do with the waif and prother of Miss Moniton charges morning her bed was rolled into with and the sheltering arms of happy." The New York wife was to the altar, where she exhorted tient met in Convention at furious. Another wife has appeared the people with great power and Haven. In their address the eloquence. The Rev. W. A. Parks clared that "Blaine is the people with great power and the peop declared her cure to be in answer fication of all that is corrup

to prayers from heaven. The Republican party. His w whole congregation joined in praises. How Little Governing We Reed.

Public men have a very hard ime of it. They are worked almost

Logan's son, at West Point, 7s under trial for profanity and lying. Blaine's brother has been published as an absconding forger. The plot thickens and the campaign appears to be run on personal issues.

BILL ARP'S TALK.

In fact, all human laws are 1000 MANY WIVES.

It is a little odd that not one of the heads of the departments is not need them. Laws are made for the bad, and the frail, and the envious, and the jealous. I was to the clerks, who are certainly competent to look after matters.
