THE WILSON ADVANCE

Wilson, N. C., March 29, 1888.

The Care of a Cancer.

Mr. B. F. George the writer of the following certificate, is a reliable and prosperous farmer living in Hill county, Texas, his nearest post office being Milford, Ellis county. His case and its remarkable cure attracted much attention in his neighborhood. Any one wishing further particulars can write to Mr. George, or Dr. T. B. Bond, the druggist at Hillsboro, through whom Mr. George obtained the medicine, and who furnished an endorsement of Mr. George's statement:

To the Swift Specific Company, Atlanta, Ga.:

This is to certify that I had a cancerous wart or mole on my eyelid as large as the end of my thumb. It had the appearance of a cancer causing me much pain and inflammation, from which I suffered for a long time. Seeing the S. S. S. advertised, I commenced using it, and after using a few bottles the sore dropped out, my cancer gone and I was entirely relieved. This has been several months ago, and I have felt no symptoms of return, and believe that I am entirely well.

Respectfully,
B. F. George,
Milford P. O. Ellis Co., Tex., Nov. 3, 1887.

Hillsboro, Tex. Nov. 3, 1887.
To the Swift Specific Co., Atlanta, Ga.

Dear Sirs—I am familiar with the case of Mr. B. F. George, who is one of the reliable citizens of Hill county, and bear witness to the correctness of the above statement.

The following is the plan of organization heretofore adopted by the State Democratic Committee for the guidance of the party:

TOWNSHIP ORGANIZATION.

1. The unit of county organization shall be the township. In each township there shall be an executive committee to consist of five members, Democratic, who shall be elected by the Democratic voters of the several townships in meetings called up the county executive committee. And said committee so elected shall elect one of its members as chairman, who shall preside at all committee meetings.

2. The several township executive committees shall convene at the meeting of the several county conventions, or at any time and place that a majority of them shall elect, and shall elect a county executive committee, to consist of not less than five members, one of whom shall be designated as chairman, who shall preside at all of said committee meetings.

3. In case there shall be a failure on the part of any township to elect its executive committee for the period of thirty days, the county executive committee shall appoint said committee from the Democratic voters of the said township.

4. The members of the township committees shall elect to any vacancy occurring in said committees.

5. The county executive committee shall call all necessary conventions by giving at least ten days notice by public advertisement in three public places in each township, at the court house door, and in any Democratic newspaper that may be published in said county, requesting all Democrats of the county to meet in convention in their respective townships on a common day therein stated, which said day shall not be less than three days before the meeting of the county convention, and the purpose of such convention shall be to elect delegates to county conventions. Thereupon the conventions so held shall elect their delegates to represent the townships in the county conventions from the voters of the respective townships, and the delegates of such of them as shall attend, shall vote the full Democratic strength of their respective townships on all questions that may come before the said county conventions. In case no convention shall be held in any township in pursuance of said call or no election shall be made, the township executive committee shall appoint such delegates.

6. Each township shall be entitled to cast in the county convention one vote for every twenty-five Democratic votes, and one vote for fractions of fifteen Democratic votes cast by the township at the last preceding gubernatorial election. Provided, That every township shall be entitled to cast at least one vote, and each township may send as many delegates as it may see fit.

7. In cases where townships consist of more than one ward or precinct, each of said wards or precincts shall be entitled to send delegates to county conventions, and shall cast its proportionate part of its township's vote, based upon the last preceding gubernatorial election in said township.

8. The chairman of township committees shall preside at all township conventions. In their absence any other member of said committees may preside.

9. In cases where all the township executive committees are required to meet for the purpose of electing county executive committees, said meetings shall be deemed to have a quorum when a majority of such townships shall be represented in said meeting.

is that of any man or woman afflicted with disease or derangement of the liver, resulting in poisonous accumulation in the blood, scrofulous affections, skin diseases, and diseases of the kidneys, lungs or heart. The troubles can only be cured by going to the primary cause, and putting the liver in a healthy condition. To accomplish this result speedily and effectively nothing has proved itself so efficacious as Dr. Pierce's Golden Medical Discovery, which has never failed to do the work claimed for it, and never will.

A Sad Case of Poisoning

What can be more disagreeable, more disgusting, than to sit in the room with a person who is troubled with catarrh, and has to keep coughing and clearing up his throat into the mucus which drops into it? Such persons are to be pitied if they try to cure themselves at home. But if they get Dr. Sage's Catarrh Remedy there will be no failure.

STATE CONVENTIONS

1. The State Conventions shall be composed of delegates appointed by the several county conventions. Each county shall be entitled to elect one delegate and one alternate for every one hundred and fifty Democratic votes, and one delegate for fractions over seventy-five Democratic votes cast therein at the last preceding gubernatorial election, and none but delegates or alternates so elected shall be entitled to vote in said convention; Provided, That every county shall have at least one vote in said convention.

GENERAL RULES.

1. Such delegates (or alternates of absent delegates) as may be present at any Democratic convention shall be allowed to cast the whole vote to which their township or county may be entitled.

2. If no delegate or alternate shall attend a State convention from any county, any person appointed by the President of the County Convention, or on his failure by its Secretary, may represent the county.

3. In all conventions provided for by this system, after a vote is cast there shall be no change in such vote until the final result of the ballot shall be announced to the chairman of said convention.

4. All Democratic executive committees shall have the power to fill any vacancy occurring in their respective bodies.

5. That the chairman of the different county conventions shall certify the list of delegates and alternates to the different district and State conventions, and a certified list of said delegates and alternates shall be sent to the State Central Committee.

Brace Up.

You are feeling depressed, your appetite is poor, you are bothered with headache, you are fidgety, nervous, and generally out of sorts and you want to brace up. Brace up, but not with stimulants, spring medicines, or bitters, which have for their basis very cheap bad whiskey, and which stimulate you for an hour and then leave you in a worse condition than before. What you want is a medicine that will purify your blood, start healthy action of liver and kidneys, restore your vitality and give renewed health and strength. Such a medicine you will find in Electric Bitters, and only 50 cents a bottle at A. W. Rowland's drug store.

DOES IT PAY TO USE GUANO?

Which Brand is the Best?

We Give You the Results of a Practical Field Test By One of the BEST FARMERS IN N. C.

Messrs. C. A. Young & Bros. Wilson N. C. Feb. 8, 88

Genls.—Below I give you the results of a Field Test made through Mr. Matthews of the different brands of Guano I used last year:

POCOMOKE	FARMER'S BONE	GOLDSBORO PROLIFIC COTTON GROWER	GIBBS' HIGH GRADE GUANO	FARMER'S FRIEND
1st picking 7 pounds.	1st picking 6 pounds.	1st picking 7 1/2 pounds.	1st picking 6 1/2 pounds.	1st picking 6 1/2 pounds.
2nd " 8 1/2 "	2nd " 8 1/2 "	2nd " 8 " "	2nd " 8 1/2 "	2nd " 8 1/2 "
3rd " 11 " "	3rd " 11 " "	3rd " 11 " "	3rd " 11 " "	3rd " 11 " "
Total 18 1/2	16 1/2	17 1/2	17 1/2	17 1/2

The same amount of Guano was used on each row and it took 2 1/2 rows to the acre.

Jonathan Tomlinson.

You can see that Pocomoke made 105 pounds of cotton to the acre, equal to \$3.15, more than Farmers' Bone, 57 1/2 pounds more than Goldsboro Prolific Cotton Grower, 66 pounds more than Farmers' Friend, and 52 1/2 pounds more than Gibbs' High Grade or about enough cotton to pay for the guano used. So it would be cheaper to buy Pocomoke than to have any of the other brands given you, because the excess it makes over other standard brands of guano more than pays the cost of Pocomoke. We also send to the following parties, who used Pocomoke last year:

James W. Hall, of Wayne county, who made 1023 pounds of lint cotton on one acre with the use of POCOMOKE alone.

L. M. McLeod, of Matthews, N. C., made 1014 pounds lint cotton with POCOMOKE.

B. J. Holden, Franklinton, N. C., made 1006 pounds lint cotton.

S. C. Carlett, of Franklin, made 877 pounds of lint cotton.

Jesse Kirby, of Wilson, made 872 pounds of lint cotton.

Reddick Webb, of Edgecombe, made 868 pounds lint cotton.
