The ADVANCE endeavors to be an honest, faithful and impartial chronicler of the news, devoting special attention to the section in which it is published. It is Democratic to the core and will spare neither friend or foe who is in hostility to Democratic success. It will seek to promote the industrial development of the State and section and will take pleasure in doing whatever lies in its power to aid the farmers and laboring new in their efforts to better their condition. Every honest son of toil will find in the ADVANCE as incerefriend. Every effort looking to the establishment of more and better educational institutions will receive our hearty co-operation and endorsement.
