

THE WILSON ADVANCE

Unnecessary taxation in unjust taxation, Cleveland's Letter of Acceptance.

Our government is the creation of the people established to carry out their designs and accomplish their good.—Mr. Cleveland Letter of Acceptance.

The Democrats are making mighty good nominations for the Legislature throughout the State. It may be observed in this connection that the Democrats mean to win.

I have no ill feeling toward the colored man. It has always been desire to see him improve his condition, but history shows he is not the man to govern this country.—Hon. D. G. Fowle.

With the Republican nominee declaring himself the leader of the negro party and the Third party favoring negro women voting, is it not about time for us white men to stand together?

"You may talk about your Vances and Ransoms and Fowles and Waddells, but the best political speaker in North Carolina is—" said an intelligent gentleman in Greensboro Saturday night. "Who?" was the inquiry. "Aycock," of Wayne was the reply. A gentleman standing by who had heard Mr. Aycock often gave it as his opinion that he would be Governor of the State before he was forty years old.

THE SUPREME COURT HAS DECIDED

that to levy more taxes than necessary for the expense of the government is robbery pure and simple.

We propose to stimulate our domestic industrial enterprises by freeing from duty the imported raw materials which, by the employment of labor, are used in our home manufactures...

The ADVANCE does not believe John Nichols will ever dare meet B. H. Bunn on the stump. He is a coward and would fear to meet the fearless Bunn for a fair and candid discussion of the issues of the day.

Dockery says he is the leader of the negro party in North Carolina. It seems he is not totally devoid of truth, and we, for one, believe in giving the devil his dues, so we proclaim to the world that in a speech delivered in the town of Wadesboro...

If you elect the Republican party then your school committees, your county superintendents of school in the eastern counties will be negroes. The beautiful girls I saw at the seashore this summer, many of whom we carried off to the hands of negroes...

The ADVANCE believes that it is the duty of a county newspaper to show up the men who constitute the Republican county ticket as vigorously, as it does the men on the State or National ticket.

KNIGHTS OF LABOR.

The ADVANCE is speaking after the example set by Mr. T. V. Powderly—the head of the Knights of Labor—when it says this organization has no ticket in the field.

The action of the disgruntled few in this county who, contrary to the advice of the head of the order, have attempted to prostitute the order to their own selfish schemes...

The truth of the whole matter is that they are Radicals, deep dyed, but they are too cowardly to avow it.

The ADVANCE regrets that any feeling other than brotherly love should exist between men of the same political party. Yes, such appears to be the case, Tommie Devereaux—who was described by a negro orator as "a white man with a negro's principles"...

The ADVANCE believes that it is the duty of a county newspaper to show up the men who constitute the Republican county ticket as vigorously, as it does the men on the State or National ticket.

At the election in Richmond county in 1884, Oliver H. Dockery, the present Republican candidate for Governor, voted as follows: To represent the public in the Legislature he voted for Harvey L. McDonald, a white man and a negro lawyer against John W. Steele, one of the best white farmers of Richmond county.

For Coroner, he voted for Felix Jacobs, a negro man against Daniel Gay, a one-legged Confederate soldier. For Register of Deeds he voted for one N. W. Harlee, a negro man, against Alexander L. McDonald, a white man and a competent to fill the office and universally esteemed in the county for his courteous bearing.

The Voice, a Republican sheet of this city edited by a negro, says that any negro who votes for a Democrat ought to be struck thirty-nine. On this line of reasoning what ought to be done with a white man who votes the Republican ticket?—Goldboro Argus.
