Littell's Living Age.

IN 1889 THE LIVING AGE enters upon its forty-sixth year. Approved in the outset by Judge Story, Chancellor Kent, President Adams, historians Sparks, Prescott, Ticknor, Bancroft, and many others, it has met with constant commendation and success.

A WEEKLY MAGAZINE, it gives more than

Three and a Quarter Thousand

double-column octavo pages of reading-matter yearly. It presents in an inexpensive form, considering its great amount of matter, with freshness, owing to its weekly issue, and with a completeness nowhere else attempted

The Best Essays, Reviews, Criticisms, Tales, Sketches of Travel and Discovery, Poetry, Scientific, Biographical, Historical, and Political Information, from the entire body of Foreign Periodical Literture, and from the pens of the

WORLD'S WRITERS

The ablest and most cultivated intellects, in every department of Literature, Science, Politics and Art, find expression in the Periodical Literature of Europe, and especially of Great Britain.

The Living Age, forming four large volumes a year, furnishes, from the great and generally inaccessible mass of this literature, the only compilation that while within the reach of all, is satisfactory in the COMPLETENESS with which it embraces whatever is of immediate interest, or of solid, permanent value.

It is therefore indispensable to everyone who wishes to keep pace with the events or intellectual progress of the time, or to cultivate in himself or his family general intelligence and literary taste.

OPINIONS.

"No man who understands the worth and value of this sterling publication would think of doing without it. Nowhere else can be found such a comprehensive and perfect view of the best literature and thought of our times."—Christian at Work, New York.

"It is one of these few publications, weekly or monthly, which seem indispensable. There is nothing noteworthy in science, art, literature, biography, philosophy, or religion, that cannot be found in it. It contains nearly all the good literature of the time. Such a publication exhausts our superlatives."—The Churchman, New York.

"Replete with all the treasures of the best current thought, the best fiction, and the best poetry of the day, it stands unrivalled."—The Presbyterian, Philadelphia.

"It maintains its leading position in spite of the multitude of aspirants for public favor."—New York Observer.

"Biography, fiction, science, criticism, history, poetry, travels, whatever men are interested in, all are found here."—The Watchman, Boston.

"By the careful and judicious work put into the editing of THE LIVING AGE, it is made possible for the busy man to know something of what is going on with ever increasing activity in the world of letters. Without such help he is lost."—Episcopal Recorder, Philadelphia.

"In it we find the best productions of the best writers upon all subjects ready to our hand."—Philadelphia Inquirer.

"Its readers miss very little that is important in the periodical domain."—Boston Journal.

"It may be truthfully and cordially said that it never offers a dry or valueless page."—New York Tribune.

It is edited with great skill and care, and its weekly appearance gives it certain advantages over its monthly rivals."—Albany Argus.

"It furnishes a complete compilation of an indispensable literature."—Chicago Evenin Journal.

"For the amount of reading-matter contained the subscription is extremely low."—Christian Advocate, Nashville.

"In this weekly magazine the reader finds all that is worth knowing in the realm of current literature."—Canada Presbyterian, Toronto.

"It is indispensable to all who would keep abreast of our manifold progress. It is absolutely without a rival."—Montreal Gazette.

Published WEEKLY at $8.00 a year, free of postage.

GIFT TO NEW SUBSCRIBERS for the year 1889, remitting before Jan. 1st, the numbers of 1888 issued after the receipt of their subscriptions, will be sent gratis.

Club-Prices for the best Home and Foreign Literature.

"Possessed of THE LIVING AGE and one other of our very various American monthlies, a subscriber will find himself in command of the whole situation."—Philadelphia Evening Bulletin.

For $10.50, THE LIVING AGE and any one of the American $4 monthlies (or Harper's Weekly or Bazar) will be sent for a year, postpaid; or, for $9.50, THE LIVING AGE and the St. Nicholas or Scribner's Magazine.

THE

TAYLOR COTTON PRESS.

MANUFACTURED BY

LUCIUS L. TAYLOR,
SEABOARD, N. C.
—AND—
S. R. WHITE & BRO.
NORFOLK, VA.

We desire to call the attention of cotton planters throughout the Sonth as well as the shippers of Hay to the following facts which we sincerely believe will pay you to carefully perusee and consider before you invest your money in a

PRESS.

We claim for the Taylor Press the following qualifications superior to any other now on the market.

1. It works by Lever Power without friction, to perfection.
2. It will pack a bale of cotton in less time and with more ease than any other Press manufactured.
3. It will (with two ordinary hands) pack a bale of cotton in one and one-half minutes.
4. In as much as there is absolutely no friction from the ropes, pulleys, chains, &c., it will cost nothing to keep the press in repair and requires no oil for lubrication.

For simplicty in in constructions and operation, as well as for durabilitv, it cannot be excelled.

This is a Press and owing to the facts above stated it does is not require the addition of steam power.

For reasons already mentioned it is not liable to get out of order.

This Press was patented in 1885, and this is the fourth season it not it has been in use. I desire to extend my sincere thanks to the public for their very liberal patronage and with several important improvement and superor facilities for manufacturing them I hope to merit and receive their continued patronage. I will also state that the rachets of those presses heretofore made of cast iron are now made of the very best wrought iron and with reasonable use I warrant and guarantee the Taylor Press in every particular.

For further particulars I refer to the followings named gentlemen Wesley Deloach Jackson, J. G. L. Crocker, Dr. J. N. Ramsey, A. B. Doughtry, C. R. Coker Seaboard; Capt. S. N. Buxton Jackson, N C., and others that used them or see them work.

N. E. VENABLE & Co.:
I have been using B. B. B. in my family as a blood purifier. Having never used any medicine to equal it. Respectfully, MRS. R. M. LAWS.

Makes An Old Man Young.

[Extract from a Letter]

P. S.—I bought 3 bottles of your Botanic Blood Balm from my friend H. D. Ballard, at Campobello, S. C. I have been using it three weeks. It appears to give me new life and new strength. If there is anything that will make an old man young it is B. B. B. I am willing to sell it. I earnestly and houestly recommend Botanic Blood Balm.

BLOOD BALM CO.,

We never thoroughly know a man until we hear him laugh.

The Best Purifier Made.

ncus, Ga., June 29, 1888

I have suffered with Catarrh for about four years, and after using four bottles of Botanic Blood Balm I had my general health greatly improved, and if I could keep out of the bad weather I would be cured. I believe it is the best purifier made. Very respectfully,
L. W. THOMPSON.

Palatka, Fla., May 31, 1888.

We have been selling B. B. B. for two years, and it has always given satisfaction in every case.

Advice To Mothers

Mrs Winslow's Soothing Syrup should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels and is the best known remedy for diarrhoea, whether arrising from teething or other causes. Twenty-five cents a bottle

True and uniform politeness is the glory of any young man.

A Valuable Remedy.

Brandreth's Pills purify the Blood, stimulate the liver, strengthen the Kidneys, regulate the Bowels. They introduced in the United States in 1835. Since that time over fifty millions of boxes of Brandreth's Pills have been consumed.

This, together with thousands of convincing testimonials from all parts of the world, is positive evidence to their value.

Brandreth's Pills are purely vegetable, absolutely harmless, and safe to take at any time.

Sold in every drug and medicine store, either, plain or sugar.

Originality is the faculty of adapting an old idea to a new occasion.

I have been a great suffer from catarrah for over ten years: had it very bad, could hardly breathe. Some nights I could not sleep—had to walk the floor. I purchased Ely's Cream Balm and am using it freely, it is working a cure surely. I have advised several friends to it. And with happy results in every case. It is the one medicine above all others made to cure catarrh, and it is worth its weight in gold. I thank God I have found a remedy I can use with safety and that does all that is claimed for it. It is curing my deafness.—B. W. Sperry, Hartford, Conn.

Fame, like lightning, generally strikes the man who is not expecting it.

"Shall our girls whistle?" Of course if they strengthen their lungs by taking their lungs by taking Dr. Bull's Cough Syrup.

"When headache joins neuralgia, then comes the tug of war." A wise general marshals his forces charges with a bottle of Salvation Oil, and the doughty foe lies cringing in the dust.

A man's bearing wins ten superior women where his boots and brains win one.

The young man who swallowed by mistake the whole contents of a package of Laxador is out again. He says he feels rather "pale" but otherwise is all right. He will however follow the directions next time.

Dr. Bull's Baby Syrup is recommended by all druggists as being a purely vegetable, reliable and safe preparation for babies, Price only 25 cents.

It makes a general mad to see the battle flag before it is won.

She is "Grateful."

"I saved the life of my little girl by a prompt use of Dr. Acker's English Remedy for Consumption:"—MRS. WM. V. HARRIMAN, New York.

Eczema, Itchy, Scaly Skin Tortures.

The simple application of Swayne's Ointment without any internal medicine will cure any case of Tetter, Salt Rheum, Ringworm Piles, Itch, Sores, Pimples, Eczema all Scaly Itchy Skin Eruption no matter how obstinate or long standing. It is potent, effective and costs but a trifle.

If a man stands before a woman with respect for himself and fearlessness of her his suit is half won.

Consumption Surely Cured.

To the Editor:—

Please inform your readers that I have a positive remedy for the above named disease. By its timely use thousands of hopeless cases have been permanently cured. I shall be glad to send two bottles of my remedy FREE to every consumption if they will send me their Express and P. O. address,

Respectfully

The New Discovery.

You have heard your friends and neighbors talking about it. You may yourself be one of the many who know from personal experience just how good a thing it is. If you have ever tried it, you are one of its staunch friends, because the wonderful thing about it is, that when once given a trial, Dr. King's New Discovery ever after holds a place in the house. If you have never used it and should be afflicted with a cough, cold or any Throat, Lung or Chest trouble, secure a bottle at once and give it a fair trial. It is guaranteed every time, or money refunded Trial Bottles Free at A. W. Rowland Drug store.

Many a man has a pail appearance after leaving a bucket shop.

A Sound Legal Opinion.

E. Bairnbridge, Munday Esq., County Atty., Clay Co., Tex. says: "Have used Electric Bitters with most happy results. My brother also was very low with Malarial Fever and Jaundice, but was cured by timely use of the medicine. Am satisfied Electric Bitters saved his life."

Mr. D. I. Wilcoxson, of Hores Cave, Ky., adds a like testimony, saying: He positively believes he would have died, had it not been for Electric Bitters.

This great remedy will ward off, as well as cure all Malarial Diseases, and for all Kidney, Liver and Stomach Disorders stands unequaled. Price 50c. and $1 at A. W. Rowland's Drug Store.

Talk is cheap, except when you hire a lawyer to do it for you.

Promptness.

First a cold, then a cough, then consumption, then death. "I took Dr. Acker's English Remedy for Consumption the moment I began to cough, and I believe it saved my life."—WALTER N. WALLACE, Washington.

Lawyers ought to be good peets; they write lots of "versus"

Terrible Forewarnings.

Cough in the morning, hurried or difficult breathing, raising phlegm, tightness in the chest, quickened pulse, chillness in the evening or sweats at night, all or any of these things are the first stages of Consumption. Dr. Acker's English Remedy for consumption will cure these fearful symptoms and is sold under a positive guarantee by Dr. W. S. Anderson.

A doctor isn't a man who "docks." He always presents the whole bill.

A Narrow Escape.

Col. W. K. Nelson, of Brooklyn, came home one evening, feeling a peculiar tightness in the chest. Before retiring, he tried to draw a long breath but found it almost impossible. He suffered four days from pneumonia, and the doctors gave him up. Dr. Ackers English Remedy for Consumption saved him and he is well to-day.

Children shrink from being washed. The same may be said of socks.

Take it in Time.

"For want of a nail, a shoe was lost; for want of a shoe, a horse was lost; for want of a horse, a rider was lost;" Never neglect things. The first signs of pneumonia and consumption can positively be checked by Dr. Acker's English Remedy for Consumption.
