

FARMERS

LOOK WELL TO YOUR INTEREST!!!

We are not the agents of the FARMER'S ALLIANCE of Wilson county, but will endeavor to show them, as well as all other farmers, that they can serve their interest better by buying their Fertilizers from us than from anyone else. We control a COMBINATION of FERTILIZERS that analyze HIGHER and give better field results than any other brands sold in the County, State or South. It is not economy to buy low-priced goods. The value is the thing to consider, not the price per ton.

The following table, taken from THE OFFICIAL REPORT of Dr. Herbert Battle, STATE CHEMIST, substantiates every fact that we claim for the brands of fertilizers we handle:

Our customers are numbered by the hundreds and are to be found in all the adjoining counties. They know full well that we offer to them only the best goods on the market. When we offer them such goods as

RELATIVE COM. VALUE PER TON AT THE SEABOARD	RELATIVE COM. VALUE PER TON AT THE SEABOARD

VALUABLE PROPERTY FOR SALE.

A valuable, never failing water power on Contentines Creek, five and a half miles from Wilson, with Saw Mill, Cotton Gin, and Grist Mill, one run of corn and one of wheat. Also a farm of 155 acres with two comfortable dwelling houses on the same. This is one of the most desirable pieces of property ever offered for sale in this county. It will be sold at a figure that will surprise any one.

A small desirable farm four miles from Wilson, containing 75 acres, 10 acres cleared, will be sold cheap.

I desire to call special attention to the two pieces of property here offered for sale. Anyone desiring to go into the milling business would find in the mill property a wonderfully good bargain.
