JOSEPHUS and C. C. DANIELS Editors and Proprietors.

The ADVANCE endeavors to be an h

at as low figures as anybody. Entered in the Post Office at Wilson, N. C. as second class mail matter. WILSON, N. C. MAY 29th, 1890.

THE Judicial Convention of the Fourth D strict is called to nounced by all as a monstrosimeet in Smithfield, July 1st.

the simple truth .- Dickens.

REED and Quay would make a representative Republican ticket. They represent truly blows that it received were the Republican party-rascality and force.

THE cause of public education is receiving more thought at the hands of the people of North Carolina than has ever been the case before. The people are becoming educated on this subject.

THE McKinly tariff bill will receive its proper attention in the Senate. The people of the West, as well as of the South, are tired of being taxed for the benefit of northern monopolists. Senator Allison is "loaded" for the measure.

who trades it off for gain.

Judge A. W. Tourgee, of reconstruction fame, and the author of "The Invisible Empire" and other books villifying the South, has been granted a pension at \$6 a month dating from 1863 to date; and thereafter at the rate of \$30 a month. Tho arrears amount to \$2,519 .-

WE hope some day to see some liberal hearted North Carolinian donate a good sum of money for the purpose of establishing public libraries in the different towns of the State. We know of no use to which it could be put that would be of greater practical value to the

and eggs, a bounty on cocoons, were given a stone.

position."

THERE are two classes of people who always have our symignorance because his opport them. tunities were so meager that he cannot be otherwise, and the so-called educated man who "knows it all." The former might have been a useful man vantages under which he labors, commiseration of all people.

THE ADVANCE desires editorially to note the progress that the people of the Rock Ridge succeed Mr. Carlisle could be section of Wilson county have selected without injury to the Stock Association, with a capimade since the establishment party. These men are Messrs. talstock of \$10,000. Shares are of the Academy. We have never seen a people who gave gia, Wilson, of West Virginia, more unmistakable evidences and Breckenbridge of Kenof the progress they were tucky. Each represents a making than do the people of Southern State and all are that section. They established sincere advocates of a Tariff four years ago, a good school and that whole section imme diately took on new life and is to-day one of the most intelligent and prosperous sections of the county. The direct benefits of good schools receives an allustration that cannot be gainsaid. We hope the people of every the white route agents on the preparations for the next Show, R. W. King's office promptly at 10 neighborhood in the county main line of the Richmond & At an early day a race course o'clock. An interesting subject will follow the example set Danville railroad are being rap- will be built and will be one of will be presented for discussion and them by this people and co- idly removed to make place for the features. The object of the a cordial invitation is extended to operate with the public school negroes. It saw four colored Association is to encourage the schools.

TARIFF REDUCTION (?)

The people of this country demanded that the present high and burdensome tariff be The advance endeavers to be an nonest, faithful and important elements of the search of the State of the revised and reduced. The dorsed that platform, although sary that the people should the boys of the Eucpian Society | Heals the Sore ced would "reduce the tariff," in the confines of the State who Pell a committee to decide the but which was fashioned ac- is doing more to appreciate and contest. The speakers were cording to the order of the think about the cause of public Affirmative-Jos. Gold, Paul monopolists who furnished the education than he is. Would Anderson, Pleasant Gold, Howmoney by means of which the

election. The bill was proty. So unjust and unfair were the provsions of the bill that THERE is nothing so strong or McKinly, Reed and other tools safe in any emergency of life as of monoply recognized the fact that it could not stand the test of general discussion. They were afraid of their own party. The most violent and effective party lash with all its perquisites was vigorously appli- its truth. ed to force the Republican a disgrace to a free people.

#### THE WRONG POLICY.

The ADVANCE has no sympathy with the cry for THE people are becoming more "young men" that is occasiona reading and thinking people ally heard in this State. We that forbids every man's hold it was impossible to have a rethan ever before and therefore believe in men of character, ing the view of the honest old bearsal of a debate, and that This is For You the more necessity that every vigor and honesty whether editor should be an honest, they are young or old. We plorable that all men smile forehand of what the boys conscientious man. His respon- believe the time has come sibility is great, and woe to him when the State needs her best men in her service whether they are covered with the frost of many years or the color of buoyant youth is still upon their faces.

> While we deprecate the 'young man' cry that is some times heard in our State, we believe that the cry has been raised because some of the fossils (and some of them are not very old, either) have so systematically said to the young men "stay at Jericho
