DOANE HERRING, 1st Sergt. y order of John F. Bruton, Capt.

Is the most ancient and most general of all diseases. Scarcely a family is entirely free from it, while thousands everywhere are its suffering slaves. Hood's Sarsaparilla has had remarkable success in curing every form of scrofula. The most severe and painful runneng sores, swellings in the neck or golfre, humor in the eyes, causing partial or total blindness, yield to the powerful effects of this medicine. It thoroughly re-

moves every impurity from the blood.

"My little daughter's life was saved, as we believe, by Hood's Sarsaparilla. Before she was six months old she had 7 running scrofula sores. One physician advised the amputation of one of her fingers, to which we refused assent. When we began giving her Hood's Sarsaparilla, a marked improvement was noticed and by a continued use of it her recovery was complete. And she is now, being seven years old, strong and healthy."
