regard to the crop are anything but as they have in other sections, but a 10.00. posted man writing from Prince Edward county says: "The outlook for crops in this sec-

tion is decidedly gloomy. The excessive rains for two months, up to April 1st, prevented farmers from ploughing their lands for corn and tobacco crops and sowing their plant beds. Since then we have had no rain at all, and consequently not more than half of the corn crop has been planted. The land is so dry and hard that it is impossible to break it or to prepare the tobacco for planting, and there are very few tobacco plants in the country. I considerer the outlook the most gloomy in my recollection."

THE DURHAM BULL SALE. The Durham Globe has three columns on it. Mr. Carr refuses to say. in building any bridge that will cost defeat of the odious Force Bill—and who has been called Mr. Blaine's Heads of departments are seeking ed away at Wiggins' Mill, and the som did as much if not more in the has just returned from a visit to Mr. and experts are busy with the Bull's the occasion of such action; as the shown our appreciation of our Sena- Justices have to concur before the tors work as I think we ought to gave Mr. Harrison a bad half hour. plenty of money and will still be most Commissioners have power to con- have done.
