WINSTON, N. C., Sep't 16, 1891.

JAB. H. WEBB, Sec'y, Washington, D. C.:

DEAB SIR—I have been using one of your Electropoises for four years, upon a little invalid son, who has been afflicted with a pulmonary trouble and a dropsical tendency. I have found great relief for him in the use of the Electropoise, when the doctors had falled to give him any permanent relief, and I am satisfied that but for its use we should have lost him. I have never seen it fail to reduce his fever, or to bring sound sweet sleep. I would not be without it for many times its cost.

Yours truly, J. C. BUXTON.

I thought of this at Warren, for there stood before us 100 unpretending honest people all from one family. The fair had offered a premium of a large and beautiful family Bible to the head of the largest family that assembled upon the grounds. Mr. Benjamin H. Parnell and his good wife were there with ninety-eight living descendants. Did you ever see 100 people in a flock? The Spring Medicine. The popularity which Hood's Sarsaparilla has gained as a spring medicine is wonderful. It possesses just those elements of health-giving, blood-purifying and appetite-restor-ing which every body seems to need at this season.
