Ladies, for natural and thorough orresponsibility—From Speaker Crisp's There is no way to stop it except to ganic regulation, take Lemon Elixir to prove his age. It is that class at bowels which this section is aimed, and they lanta, Ga

There are but three other changes. They are:

1. If the Judges of election prefer, the polling places may be railed off. es Elegant, reliable This will be used only where it is necessary to prevent crowding at the polls and to prevent intimidation and allow the Judges to quiedy conduct the election. In the House when the bill was on its passage, Mr. Trull, the Republican member of the House times for \$10.

from Cherokee, secured the adoption of an amendment providing that there should be no crowding around the polls. And then, being perfectly satisfied with the law, Mr. Trull left the House and would not vote against

2. It is provided that the voting GASTONIA, N. C., Sept. 10.—A for State and county officers may be Republican leader in this county says kept separate from the voting for he will rebut the Democratic Force members of Congress and Presidenand would not put out a ticket, and bill argument by airing what he calls tial electors. There can be no possi-Dr. Exum, the People's party can- that even if they did put out a ticket our "North Carolina Payne Election ble reasonable objection to this lidate for Governor, passed through the Easturn Republicans would not Bill." What is that bill, or law, and change. If Congress should pass a Force bill this provision would be needed to prevent any Federal inter-

always exercised. Now the above are plain explanations of the changes and the reasons that caused them to be made. We submit that all the clamor and "hulwould have been, as we thought, cheap Republican clap-trap—sound disfranchised. But that bill was deand fury signifying nothing.

The changes made were necessary: 1. To prevent repeating. 2. To put a stop to colonization. 3. To be ready to check-mate the

Republican Congress. 4. To provide against a rush at the

5. To give the Board of Canvassers power to pass upon returns.

All these things demanded slight changes in the election machinery, what legislation is to follow its suc- to the changes made by the last and they have been made. The cratic paper was true, but now I don't cess. The Republican party is pledg-believe a word in any paper. They all ed to the enactment of a federal election law. We charged it upon them at fair minded people of both political parties, and they will have no other write, the bill passed by the last Re- lature that they tried then to make a effect than securing to every legal heve all you see in the Progressive publican House on that subject. This false impression for partisan purposes, elector the full right to yote, and of For ignorance and cheek he really bill may be fairly considered as an and we now reiterate the charge, preventing every illegal voter from
