(Continued from third page.) yond the wall, 'The drums of the infantry rolled and rattled their echoing clamor. The guard sprang into rank, and their muskets, glistening in the slanting beams of the setting sun, by his side and the smiling elders on the back seat as the team once more made the circuit of the post on the

"Oh," she cried, "isn't it all just too lovely for anything! Why, I think your life here must be like a dream." But Miss Allerton, as Mrs. Cram had said, sometimes gushed, and life at Jackson barracks was no such dream

The sun went down red and angry far across the tawny flood of the rushing river. The nightlights were set at the distant bend below. The stars came brought in this season came from To-day our soldier boys leave for peeping through a shifting filmy veil. The big trees on the levee and about the flanking towers began to whisper and complain and creak, and the rising wind sent long wisps of straggly cloud racing across the sky. The moon rose pallid and wan, hung for awhile over the dense black mass of moss-grown cypress in the eastward swamp, then hid her face behind a heavy bank of clouds, as though reluctant to look upon the wrath to come, for a storm was rising fast and furious to break upon and deluge old

Jackson barracks. When Jeffers came driving into barracks on his return from town, his der many disadvantages. Some of first care, as became the trained groom, was for his horses, and he was rubbing them down and bedding their stalls for the night when the sergeant and the levee road was a quagmire, and of the battery guard, lantern in hand, appeared at the door. It was not yet tattoo, but by this time the darkness was intense, the heavens were hid, and the wind was moaning about the Fayetteville on Wilson's errors. The away over the dismal expanse of flat, wet, ditch-tangled fields towards the swamp. But the cockney's spirits were blithe as the clouds were black. As was usual when he or any other servitor was in attendance on Waring, the reward had been munificent. He had lunched at Cassidy's at the lieutenant's expense while that officer and | sleeping curled up on a rug in front of his friends were similarly occupied at the open fireplace, and Cram stirred stabled the team at the quartermaster's while he had personally attended the matinee at the St. Charles, which was more to his taste than Booth and high tragedy. He had sauntered | nias, rubbing his eyes and still only about the Tattersalls and smoked half awake. Waring's cigars and patronized the jockeys gathered there for the spring meeting on the Metairie, but promptly on time was awaiting the return of the party from their drive and lolling about the ladies' entrance to the St. had passed and repassed the open por- fragrant Havanas temptingly visible. tals several times, and that they were There lay a late magazine, its pages "frog-eater," who occupied the old he was too anxious to sleep anyhow, house on the levee, Lascelles, the hus- why not wait a few minutes? Waring on Rampart street. Even as he was fort anyhow Cram stepped to the wondering how cabby got out of his scrape and chuckling with satisfaction over the scientific manner in which Again have the tendrils of love and Mr. Waring had floored that worthy, affection been ruthlessly torn by the Mr. Jeffers was surprised to find him-
