How's Your Liver?

Is the Oriental salutation, knowing that good health cannot exist without a healthy Liver. When the Liver is torpid the Bow-els are sluggish and con-stipated, the food lies in the stomach undigested, poisoning the blood; frequent headache ensues; a feeling of lassitude, despondency and nervousness indicate how the whole system is de-ranged. Simmons Liver Regulator has been the means of restoring more people to health and happiness by giving them a healthy Liver than any agency known on earth. It acts with extraor-

dinary power and efficacy. REV. R. G. WILDER, Princeton, N. J., says:—
"I find nothing helps so much to keep me in working condition as Simmons Liver Regulator." See that you get the Genuine,

with red Z on front of wrapper.
