College Societies and Alumni Politics The Dickie scandal at Harvard cropped out in the voting for overseers at Cambridge. One of the overseers who had presumed to express his opinion in the press on the subject of the initiation peremonies of the secret societies was opposed for re-election, and the question as to whether he was defeated or not depends on whether another candidate who was voted for is eligible. The result of the balfoting looks as if the Harvard alumni resented public criticism of the affairs of the university.-Boston Her-
