OPELIKA, Alg., August 9.-A deplorable tragedy was enacted near this place yesterday. It appears that Rolly Love. the thirteen year old son of Mr. Sam Love had some trouble with Emmett Brooks, the fourteen year old son of Mr. Charles Brooks, the result was young Brooks received a load of duckshot in his stomach, and is thought to be fatally injured. The fathar of young Love delivered his son to the authorities. The little fellow does not appear to appreciate the enormity of his offense and talked freely of the difficulty. He says Brooks cursed and abused him and then attempted to assault him with a heavy stick. The pyrents of the children are neighbors between whom ex-
