SENATOR JONES TO BE HIS BACKER. The Project of Those Interested in the New Silver Party Leaks Out-The Proposed Effort to Capture the Strength of the Populists.

WASHINGTON, September 10.- The talk about the presidential aspirations of Senator Don Cameron, of Pennsylvania upon a free silver platform. which was current in political circles several weeks ago, is reviving, and in the sight of certain recent events is assuming renewed significanc.e For some time it has been believed that Senator Cameron really cherished the ambition to head a new faction in a presidential race, and had fixed upon the advocates of free coinage of silver to form his party. Senator Jones Ills Backer.

A close friend of Senator John P. Jones. of Nevada, authoritatively states that Senator Jones is a backer of Mr. Cameron's presidential boom. This statement opens up a wide range of political probabilities. It is said that when Senator Jones takes his place at the head of the silver party, which he has recently joined. a position which, it is claimed, he will occupy by virtue of his prominence in national affairs, his in the British museum: and I knew we | efforts, after looking to his own senatorial interests, will be devoted to an attempt to swing the silver party into line for Don Cameron
