SOUTH'S IRON TRADE

Tennessee and Alabama.

THE PROSPECTS FOR THE NEW YEAR Production Has Reen a Million Tons More

During the Last Half of 1894 Than

in the First Six Months-An

Excellent Showing. CHATTANOOGA, Tenn., January 1 .ing of the iron industry, says: The record made in the iron trade in Ten-

nessee and Alabama for the past year has been | year amount to about \$71,000,000. most remarkable. Beginning with a dull and low market the first half showed both a small production and a small consumption: while on the contrary, the last half showed a very large productionand large consumption. The stocks of coke from in Tennessee at the close of the year are 150,000 tons less than at the beginning, while the production is 75,000 tons per week, or 100 per cent greater than at the beginning of 1894. The production has been in round numbers, 1.000.000 tons, or 40 per cent greater the last half of the year than the first half, and prices have declined, and are more than 10 per cent lower than they were twelve months ago. the desire on the part of consumers to close out the year with as little iron on hand as pos-

is not unreasonable to predict that they are at the very bottom, and that from this on the course of prices must tend upward. It is a well-known fact that pig iron can be bought | N. J., last September. today, either in Chattanooga or Birmingham, for 10 per cent less than the same grade can be obtained at the most favored points in England. This condition of affairs is of course not nor-mal and can only exist so long as labor is so largely unemployed and must accept unreasonably low wages or remain idle.

Trade Conditions For the Week. NEW YORK, December 29.-Bradstreet's report today says: General trade presents the usual holiday characteristics. A majority of wholesale dealers and manufacturers are beginning or have finished taking account of stock or arranging settlements for the new year. Main activity has been for Christmas specialties in retail lines. The practical conclusion of holiday action, and this emphasizes the dullness noted in preceding weeks.

phus Daniels, chief clerk of the depart-Merchants generally incline to the ment of the interior, will, at the end of view that 1895 promises a favorabl the present week, resign that position business, although opinion is divided as in order to devote his entire time to the to whether renewed activity will mark conduct of his newspaper, The News the early months of the coming year or

show much firmness, with sugar, cotton, wheat, eorn, steel, naval stores, tobacco, tin and copper practically unmineral is more abundant in North chaned in price. Coffee is depressed Carolina than anywhere else. It is and there are rumors of contracts for iron and steele at a shade under last weeks quotations, although uncon-

sand found in streams and from it Southern cities uniformly report a quiet trade in jobbing lines. Charleson, Sayannah, and Augusta report collections slow, but at Nashville, where merchants 'regard the prospects for spring business reasonably good, collections are fair. Manufactures at Atlanta are doing little and 'Chattanooga A moderately improved demand for

ong leaf pine the waste lands in the funds is announced from Memphis, and sandy regions in the eastern counties at New Orleans the only gain is a better feeling in the rice market. Galveston notes the exception with an improvement expected shortly after the young trees. Fires destroy as much January 1, and with wholesale mertimber as is sold. Efforts will also be chants in nearly all lines sending out

CALL FOR SOUTHERN CONTRIBUTIONS.

Washington, December 29.—The cash A Solid Train of Corn and Meat For Nebraska.

> Unfortunate Farmers That Need Assistance So Badly-Railroads to Furnish Transportation. MACON, Ga., December 31.-Commissioner of Immigration Glessner has taken steps by which he hopes to see a solid train of corn and wheat sent to the sofferers in Nebraska. The followsing letter and circular which he is and private gardens are killed and seading over the line of his road, will many trees are blighted. The temperexplain his plan:

Georgia Southern and Florida Rail oad Curesu of Immigration, Macon Ua December 29 .- Dear Sir: By enclosed circular you will see the steps taken by our road in response to the call for provisions for the Nebraska sufferers. In addition to such contrithe state being that at Griffin. He says - butions as may be received, the Georgia Southern and Florida railroad will ship a carload of corn.

Truly yours,

W. L. GLESSNER, Com. The Circular. "In view of the great destitution reported from Nebraska because of the almost total failure of the corn crop, the main dependence of that state, it has been suggested that the south contribute a solid train of corn and meat and ship it to Nebraska to be distributed among those in distress.

"Nothing that the south could do would do more to cement the feelings of friendship between the south and the north and nothing else would so impress the country with the blessings that the south enjoy in the abundance of its supply of grain and provisions. It would also be a fitting recognition of the generosity shown by the people of the north to the south in its days of

"The section traversed by the Georgia Southern and Florida railroad has been blessed this year with an abundant crop of corn and its meat houses ple along its line will gladly avail tribute from their abundance to alle viate the dire distress of those in the northwest, the management of the confidently hoped that he would be a Georgia Southern and Florida offers to can didate to succeed Senator Blacktake charge of all contributions and see that they are transported and delivered to the proper parties for distribution. All contributions can be left with our agents at any time before Thursday, January 10, 1895, on which day a car will be sent along the line to take up contributions.

"We earnestly urge upon every one to contribute something to this worthy object, no matter how little. A bushel of corn or a side of bacon can easily be spared from your abundance, and such a contribution by every one along the line would alleviate the distress of many families. Let us show to the world that we appeciate our blessings and with genuine southern hose and was the recipient of but dreds of pitality stand ready to share them with our less fortunate neighbors.

"J. LANE, General Manager. "W. L. GLESSENER, Commissioner of

Immigration. ASKS AID FOR NEBRASKA

Georgia's ex-Governor Has Wired Many Prominent People Requesting Help. AUGUSTA, Ga., December 31. - The following telegram has been received here from ex-Governor Northern.

"Atlanta, Ga., December 30 .- I shall appeal to the people of this state for contributions of food supplies and money for the destitute people in Nebraska. Three thousand families in that state are in almost starving condition. The destitution is appalling. Through the generous aid of the Western Union telegraph company, free of cost, I have wired to the mayor of every county town in this state asking for a thorough canvass of his county. Railways will deliver to me free from freight charges at Atlanta. This is a great charity. Georgia has a grand opportunity to recognize it. I want to send a a crew passing, over three hundred train load from this state. Train will leave Atlanta, January 15th. W. J. Northen.

WILL FIGHT FOR BUSINESS.

Florida Rallroads Will Wage a Merry War for Winter Travel. JACKSONVILLE, Fla., 'December 31 .-The appointment of W. B. Wrenn as passenger traffic manager of the Plant system, is considered in this city to mean that an aggressive fight for passenger business between the Plant system and the Florida Central and Peninsula is about to be inaugurated. The business into Florida up to last year was controlled exclusively by the Plant. The new Florida Central and Peninsula line to Savannah, however, cut deeply into him and thus he puts at the head of that department a man

whose aggressiveness is unquestioned A Cigar Factory Burned. TAMPA, Fla., December 31 .- Early yesterday morning the eigar factory of Losana Pendoas was destroyed by fire, together with six cottages. The fire is thought to have been incendiary. The water pines were frozen and the firemen could do nothing. Loss about \$20,000, insurance unknown.

Freight Warehouses Burned. RIVER JUNCTION, Fla., December 31 .-The freight warehouses and offices of the Louisville and Nashville, Savannah Florida and Western, and Florida Central and Peninsular railways were destroyed by fire yesterday morning.

letters and telegrams and birthday gifts. He is in remarkably good health and spirits, and despite the storm; weather, drove through the village of Hawarden to church, where he met a deputation of Armenian Christians from Paris and London. The deputation presented a siver chalice to the church. of which Rev. Stephen Gladstone, son of the ex-Premier, is rector. Mr. Giau stone expressed his sympathy with the sufferings of the Armenian Christians. The deputation took luncheon at Hawarden castle. The Prince of Wales and Lord Aberdeen telegraphed congratulations.

A FIRE OF COTTON.

Planters Lose Their Property by the Burn ing of a Freight Depot.

LAWRENCEVILLE, Ga. December 31. Twenty-five bales of cotton beloning to various planters were destroyed by fire vesterday morning at the Georgia, Carolina and Northern depot. The fire was discovered about 2 o'clock, and had it not been for a freight train with bales would have been destroyed, besides the new depot and all the adjoining warehouses. The origin of the fire is unknown, though some suspect incendiarism. It is said thieves have been taking cotton by the bale and set the whole lot on fire to hide their tracks. The road is careless in leaving several hundred bales of cotton lying ill round the depot most of the time. This is about the third fire at this

Good Sense of the Japanese.

One bottle of Electric Bitters is undoubtedly the best cough remedy and one box of Bucklen's Arnica that he has used in his family for eight Salve cured him entirely. Sold by B. years and it has never failed to do all that is claimed for it. Why not try a remedy so long tried and tested. For sale by B. W. Hargrave.

---A Modern Miracle.

A young married couple of this city had a nice bottle of blackberry cordial presented to them some months ago and as this particular fluid is very useful in certain kinds of sickness they prized it very highly. Some days ago a little nip of the precious stuff. But on tasting it she found that instead or the delicious beverage it was nothing more than water with a slight coloring of the wine that had been in the bottle It seems that the nurse or some one connected with the household been taking sly nips at the bottle from time to time and in order to cover up the theft had replaced it with water,

There is good reason for the popularity of Chamberlain's Cough dy. Davis & Buzard. of West Monterey, Clarion Co., Pa., say: "It has cured people that our physicians could do nothing for. We persuaded them to try a bottle of Chamberlain's Cough Remedy and they recommend it with the rest of us." 25 and 50 cent bottles for sale by E. M. Nadal, druggist.

SWINEFORD'S ARSENIC LITHIA WATER!

DYSPEPSIA, KIDNEY, LIVER, LUNGS OR BLADDER TROUBLE?

RICHMOND, VA., November 18, 1894. I have visited Mr. Swindfords "Arsenic Lithia Water" Spring in Chesterfield County. It is clear and bold, with nothing near to contaminate it. The chemical analysis demonstrates its purity, and long before any analysis was made the spring was much used by peeple residing in the neighborhood because of their experience of its value. I am using it
