To Cleanse the System

Effectually yet gently, when costive or bilious, or when the blood is impure or sluggish, to permanently overcome habitual constipation, to awaken the kidneys and liver to healthy activity, without irritating or weakening them, to dispel headaches, colds, or fevers, use Syrup of Figs.

Att-tempted Murder.

Elm City was the scene of an attempted murder on Tuesday. A strange negro said to be from Rocky Mount and a negro barber, Ephriam Joyner, were in the woods near Elm City gambling. The parties were alone, so it is not known how the quarrel began, but there was a quarrel the result of which was a fatal wounding of Joyner. The would-be murder escaped at once. The hounds of Mr. Grantham, Ex-Sheriff of Wayne County, were immediately wren for. He came bringing the hounds. The dogs found a trail and ran it for several miles on Tuesday night, but nothing could be found of the assassin's whereabouts. The negro was not dead early this morning but is expected to die.

Gladness Comes

With a better understanding of the transient nature of the many physical ills, which vanish before proper efforts—gentle efforts—pleasant efforts—rightly directed. There is comfort in the knowledge, that so many forms of sickness are not due to any actual disease, but simply to a constipated condition of the system, which the pleasant family laxative, Syrup of Figs, promptly removes. That is why it is the only remedy with millions of families, and is everywhere esteemed so highly by all who value good health. Its beneficial effects are due to the fact, that it is the one remedy which promotes internal cleanliness without debilitating the organs on which it acts. It is therefore all important, in order to get its beneficial effects, to note when you purchase, that you have the genuine article, which is manufactured by the California Fig Syrup Co. only and sold by all reputable druggists. If in the enjoyment of good health, and the system is regular, laxatives or other remedies are then not needed. If afflicted with any actual disease, one may be commended to the most skillful physicians, but if in need of a laxative, one should have the best, and with the well-informed everywhere, Syrup of Figs stands highest and is most largely used and gives most general satisfaction.
