WILSON LOCALS.

S. T. DANIEL, LOCAL EDITOR.
A WEEK'S NEWS BRIEFLY TOLD FOR BUSY READERS.

Home Matters Picked up on Our Streets by our Reporter—What he Sees and Hears.

—Don't forget the Minstrel Monday night.

—Chamber of Commerce meets this afternoon at 5 o'clock.

—Quite a crowd left yesterday for Washington to see the ball games.

—Monday night, June 28, is the date for a repetition of the minstrel. Be sure and go. You will enjoy it.

—One of the bridges at the intersection of Tarboro and Green streets is in very bad condition. It should be repaired before some one is injured.

—To retain an abundant head of hair of a natural color to a good old age, the hygiene of the scalp must be observed. Apply Hall's Hair Renewer.

—Remember "Paige's Players" will return to Wilson on July 9th and 10th. The troupe is an excellent one and we trust they may have a good patronage on their next visit.

—The interior of Hackney's new building is being painted. This puts the finishing touches upon the immense structure. It is an ornament to Wilson. Rose Bros., the contractors, have done their work well.

—Don't throw away good but faded garments. Remember with one hour's work and no muss, if you use Putnam Fadeless Dyes, you can make them new again. Sold by Hawley & Raper, Boyette, N. C.

—The Chamber of Commerce will meet in the Mayor's Office this afternoon at 5 o'clock. It is earnestly desired to have a large crowd present. Let every man in Wilson, no matter what his occupation, be at the meeting.

—We extend our thanks to the managers for an invitation to attend a "basket picnic" to be given at Eagle's school house, Friday June 25th. The dinner managers are six ladies well known in Wilson county, which is sufficient guarantee that the inner man shall be well supplied.

—We call attention of our readers to the advertisement of Greensboro Female College. This institution need no recommendation. The young ladies who have graduated there show that it is what it claims to be—one of the best. If you need any information address the President, Prof. Dred Peacock.

—Mr. P. C. Setzer, a short while ago, found three pistols under a bridge near his house. Not knowing whose they were he took possession of them at the same time notifying the police of his find. As will be remembered a negro was arrested here for breaking into a hardware store in Goldsboro. After being carried back for trial he told where he had hid the pistols, so a letter was written in regard to the same, when it was found that they were the ones found by Mr. Setzer.

Will Return to Wilson.

The many friends of Mr. Louis Rawlings, who has been living in St Joseph, Mo., for the past two years, and who recently returned to Wilson on a visit, will be glad to learn that he will not return to the West, having accepted the position of book-keeper with Hackney Bros., our widely known carriage manufacturers.

Monday Night.

On account of the death of Mrs. Farmer, who lived near the opera house, the Minstrel was postponed until Monday night, so if nothing happens the show will be given on that date. New specialties have been added which with new songs and jokes will make it one of the best amateur performances seen here in a long while. Remember the date and go to see what an excellent show the boys will give. The proceeds, as before go into the treasury of the baseball team.

The True Remedy.

W. M. Repine, editor Tiskilwa, Ill., "Chiet," says: "We won't keep house without Dr. King's New Discovery for Consumption, Coughs and Colds. Experimented with many others but never got the true remedy until we used Dr. King's New Discovery. No other remedy can take its place in our home, as in it we have a certain and sure cure for Coughs, Colds, Whooping cough, etc." It is idle to experiment with other remedies, even if they are urged on you as just as good as Dr. King's New Discovery. They are not as good, because this remedy has a record of cures and besides is guaranteed. It never fails to satisfy. Trial bottles free at Hargrave's Drug Store.

Wilson vs. Stantonburg.

On Tuesday evening Wilson played a picked nine composed of players from Stantonburg and adjoining towns, and had a walkover, the score being 22 to 2. While a majority of those who were out to see the game wanted Wilson to win, they did expect the visitors to put up a fair article of ball. Wilson has played Stantonburg more than once and each time they gave her a hard fight for the victory. Tuesday the pitcher for Stantonburg did excellent work but his support was miserable. Wilson, too, played a game of errors, but this is partly accounted for by the fact of their having such an easy team to play against.

Our boys with practice can play as good ball as any of the teams, and when they get into the game we trust they may put up such an article of ball as to hold their own with any amateur team.

On The Diamond.

The grand stand at the grounds has been finished and was used in the game Tuesday. This is a great improvement over having to sit in the hot sun and watch the game. Special space will be reserved for the ladies and their escorts, and the managers will see that there is no boisterous conduct or profane language.

The Wilson team left yesterday for Washington, where they play two games of ball—one today and one tomorrow. Wilson must play ball if she expects to make a creditable showing.

Rocky Mount is organizing a team. Ashe Hines will play with them.

Washington defeated Tarboro Tuesday by a score of 7 to 1. Tarboro defeated Wilson by a score of 8 to 4. Question: Where does Wilson's chance to win come in? Baseball is an uncertain thing though and our boys may manage to capture at least one of the games.
