THURSDAY, JANUARY 8 1880

PARTY ORGANIZATION.

ar earlier day than usual,

conventions. In short the whole machinimproperly done. Nothing can be gained Maine,-Baltimore Sun, 3rd, by delay and much may be lost, and with all respect to the proper officers and their older heads we suggest that something be done towards organiz og the Democrats of the county and the district in order that they may be ready at any time to do whatever the good of the party may require.

We do not see the wis lim in waiting until a short time before the election, to complete our organization. An army would be woolly unfit for battle, unless disciplise viere enforced in time of peace Raw militia, however, brave and true the last night, leaning in his decrepitude upon individuds may be, are ant to be deteated and so it is with parties political,

An early organization would also give authorized representatives of the party summer and autumn, were howed by winample time to work and restore order out ter; his sa dals were old and covored with of the confusion which is almost always a consequence of off years in politics,

THE STATE GUARD.

Wases from many of our State exchanges that the State Guard is losing ground in members, discipline and interpanies are generally young men who have ever the cradle of his successor to work for their living, and cannot men do not care to aid such things where probably be disbanded.

to memoralize the last Legislature on the oblivion, and buried him in a grave where subject, and ask that something be done terements are sternal. He will return no to encourage the State Guard but they thy cold ghost mingle with the shades of met with no success. About time we be- thy preferessors, but let it not come back lieve the retrenchment boom was receive to haunt us when we die. ing attention from those who wished to Gone, but he has left his foot-print! year. It contains all the leading news The lovely habe the mother so fondly contained in the Daily H-raid, and is arcurry layor with the people in order to kissed last New Year is not here this secure another election, and the best in- morning. It simply came, smiled, the terest of the State were neglected by its wept and departed. It seemed to come so called guardians.

The St te Guard should be maintained Legislature to adopt some measure tooking | more and earth less. State Guard from service on juries and from working the public roads. Those so exempted would pay an anausl assessment to the company of which they are members for the privilege while those remaining will be sufficient for every pur ever live sgain? The old arm clinit that pose we commend this to the State press, sat in the corner, and was tenanted by and hope they will join in support of smiling old age one year ago, is cepty some proposition for helping our volunteer companies.

MAINE.

The Governor of Maine, the Hon-A'or 2: Gracelon, occupies a very unen viable position at present, but it must be contends that he and the Council of t State are bound to a certain course of ac you ready to dief If die we must, toition by a constitution and subsequent laws year we may seemd to heaven. enforcing its principles; for which he is which he has nothing to do. The conthey have imposed one ous and to dividual the dying touches of the dying wind still duties upon him and the Council, allow the occasion, but does not wish to mour should submit certain points in issue to since man was made I know not our the Septeme Court of the State and he chromologies cann t by associately relied mode a drait of the questions which he into his deep to a manger, aughteen hand desired to have adjustic ded upon by the courts, and Governor Garcelon has drawn ion, bornal, resurrection and ascension by up these questions in a modified for under the advice of distinguished counsel

toom to the justices of the court.

The only difference between the que tions proposed by Senator Morrill and those submitted by the Governor-substantial difference, to be sure-rests upon the previous of the Gave nor, and Council as a retuning borad. Mr. Morrill's interpogatories were such as to solicit the Supreme Court to decide in respect to questions of fact as well as to questions of law. The Governor's interrogatories are granes. based upon the assumption that the only possible relation between the Governor and Council and the Supreme Court is that the latter is to be regarded as an ad- and name upon some tembstone in our visory body to the former in questions of law. In other worts, the Governor and Council are a jury, under the peculiar constitution and is vantM sine, seleted to decate nay the facts in respect to State elections. It there should be any doubt about the law or it- cous raction, this jury is authortz d to consult the Supreme Court. As to the facts the Governor and Council's decisi u are both supreme and float. Upon bals basis the Governor has submitted twelve questions to the Supreme Court, suggesting, in a hypotheti al way, and without dire t reference to the specific cases complained of, whether the Governot and Conneil of Maine weald be doing ;

THE ROANOKE NEWS I ght and acting under the law to decide ertain things in certain ways.

The questions submitted rest, in the main, upon the fact as to whether the laws and constitution of the State are to be construed liberally or literally. points submitted are put in a very techni-The National Executive Committee of Cal and abstract shape, apparently with the Republican party has called a conven-dacies and elections. It is evident, howout may regard to the immediate caudition to meet on the second day of next ever, that they have a specific and posi-June. This will probably cause the Den tive bearing upon the particular cales orratic committee to call a convention at which have been a fjulicated by the G vermor and Council, and that their object more or less remotely, is to secure a de-In order to send delegates to the cision from the Supreme Court of the national committee a good deal of work State in regard to the principles and the will have be done in the way of organiz- legal technicalists, also upon the basis of which such an extensive revision of the ation Delegates are appointed from each court in Maine has been made. The Sudistrict by district conventions. These preme Court will of course) or course il district conventions are composed of delegates sent from each county by county and it will be quite wincorty, discretion to make an electrical to make an electrical to make an electrical transfer of the state of the tion between the points figested by ery of party organ zation has to be set in nally subm. Marrill and Governor Its ac-motion, and such a penderous machine of tion will not by the fog upon the Govera necessity working slowly makes it im- nor and Countriescept by more force of portant that every thing should not be opinion; but in cases of this sort it is be lieved that this will be irresiatible. In put off to the last moment and then do other words, that what was freely done in things in such a hurry that they will be Louisians dare not to be resorted to in

THE OLD AND NEW YEAR.

The following eloquent extract from a sermon delivered by the lamented Rev. Wm E Monsey, D D, on the 1st of Jan uary, 1871, is as appropriate now as when it was delivered, and save changing the FURNITURE AT NORFOLK date, we publish it as it fell from the lips of that eliquent and remarkable di-

List night the old year died. Did you see that old man so pale frail and ab only who stood up on the bleak and i v hills the arm of his last surviving but dyin; child the departing December?

The chapl t or units, flow re and traits wreathed around his brow by spring, snow and mud, his garments were tat tered, and glistening with sleet were fatered around his wasted form; his gray locks were trosty, his breath was cold, and it pole quivered tike an tey thread in his chillies and shrucken arm.

Who is he? He was the child of remorseless time. He was one of a numerous family that presents us no two cone ... We believe this to be caused by in temporaries. The bith of one has always ability to raise funds for its necessary sup | been preceded by the death of the solitary port. The members of the diff rent com- other. The waiting requiems over the douth of the one have ended to fullables

Who is he? He was the Old Year, Last afford to contribute much in sid of the night eternity's he-ologue tolled out low organization. The older and wealthier twelve upon its sounding be h. It was his death-knell and at that lonely hour while we slept, when ex laverous ghosts are intrno inducement is offered. The coase led to creep amid the tried rules of case quence is that many companies which a ties old, and shrink through the crevices year a two ago were in a flourishing con of tottering church beliries, and dry old condition, are now languishing and will be died, and the spirits of winter passed him in a cold cloud drawn by bores A committee of officers was instructed winds, and drave him out to sequicared more forever! Farewell old year! L.

from heaven, and to stay just long enough to make us love it, and then to return Its mission appears to have been to gather even at a little expense to the public un oureffections and early them back to treesury, and it is the duty of our next beaven with it, to make us love heaven

to its respectitation, and support. This whose laugh and shout enlivened our can be done in a great degree without ac- homes during the asi Christmes and New tually taking one dollar from the gov. Year holidays, are not with us to day ernment by exemptling every member of the | Drexmless they sleep beneath the snows of the winter in our neighboring cemetries and foul decay has married their lovely

holidays, we have found a toy, a shoe, a as it is the cheapest. Every week is given hat, a book, unclaimed and ownerless, a faithful report of which made us weep anew. O, shall they now-its occupant is gone and some at no are latherless. The head of the table is also vacate t. The dust lies heav ly upon the manti-pir e, and disorder has crep-THE SUPREME COURT OF into he family chamber, for with some of as mother is gone too, some familiar out fall is misse I, some well known voice i hushed. The re eding year has I nched us somewhat. We are a veer older, a similtied that He holds it manually. In the prace, This year us, well as the most practical suggestions and discoveres relating to the dottes of the contends that he and the Council of the band us in heaven or sink us to hell. Are farm hims for relating to the dottes of the

But the misty spirit, of the Old Year not responsible and with the enactment of wien 5 if away into the dark, dim past, the angels of God sang the birth hymn of stitution and there laws, he submits, while the New Year. And still you may hear lingering to the mountain tops and quivering gently in the happy air, and cour I g mint's senvoring, to greet the human sou'.
