VOL. VIII.

Susie is Gone.

With a heart forsaken I wander, In silence, grief and alone, On a form departed I ponder For Susie, sweet Susie is gone. Gone when the roses have faded. Gove when the meadows are bars. To a land by orange blossoms shade l, And summer ever lingers in the air. When I view the chill blighted bowers

And roam over show covered plains, How I long for springs budding flowers To welcome her bright smites back again Way do the earth seem forsaken, Time will this sadness remove At her voice the meadows will awaken To melody, verdue and love.

A MAN'S PRIDE. Earle Trevors stood upon the verandah in the freshness of the summer morning,

and watched the girl gathering flowers in the garden. She did not know that he was watching her, for an old like bush screened hum; therefore she was her own natural self, and had not that sir of re-

straint and shyness which she usually manitested when he was with her. Her checks were bright as any of the roses she was gathering, and Earl could not help thinking that her face was like a flower in its brightness and color; a shy, will flower

that was all the sweeter because it had not been subjected to the hot-house treatment of city life and fashionable ways. "If she were educated and could have

the advantages of refined society she would make any man a wife to be proud of,' young Trevors thought, as he watched He had taken a fancy to Susie Dins. more's face the first time he had seen it.

It was so d flerent from the facet he was used to that it half fascinated him. He had known her three weeks now, and the charm her face held for him at first had not worn off. Sometimes I e almost fan ci d he was getting in love with the girl. Her frank, shy ways we e rovel (nough

to any one who was used to the hollow artific a ties of fashionable life, and they charmed him. When she said a thing she meant it. How many ladies of his ac-

quaintance in tashionable circles of city life could be say that of ? He rather felt inclined to believe that what they said they did not mean. Sometimes he thought that society was all a sham, and he wished

he was too weak to brave it. He bardly knew which,

Her song was something like the bird's, toll of runs and thrills and plaintive little notes that set all'the sir to ringing with

her good bye. He had told her nothing

speak of it. He felt that he had not acted

"This has been a pleasant summer," he said, as they stood there among the late littles and caroations. "A very pleasant
