Tun Heraid a lew days ago in a violent article had this to say of Virginia and the S ath generally :

"Lynching in Virginia, and, is fact, in n-arly all the Southern States, is in the regular order of things. Midnight murder by masked miscreants is the rule down that way ; a legal and orderly hanging is the exception.

That this is untrue every well informed man in the South knows, and many of the well informed in the North know it toe The Norfolk Landmark says the following in answer to and we heartily agree with and endorse it :

This is not true But when respectable women, white or colored, are victims to There were ten or twelve physicians in atbrufal violence it ought to be "the rule," When this is the custom and the fact a known, the villacus who now perpetrate animeless atrocities will be awed into harmissaness. Cathartic Pills

Combine the choicest eathartic principle in medicine, in proportions accurately adjusted to secure activity, certainty, and uniformity of effect. They are the result of years of careful study and practical experiment, and are the most effectual remedy yet discovered for diseases caused by derangement of the atomach, liver, and bowels, which require prompt and effectual treatment. Aven's Pills are specially applicable to this class of diseases. They act discrib on the digestics and assimilative processes, and restore regular healthy action. Their extensive use by physicians in their practice, and by all civilized nations, is one of the many milormity of effect. They are the result all civilized nations, is one of the many proofs of their value as a safe, sure, and proofs of their value as a safe, sure, and perfectly reliable purgative medicine. Being compounded of the concentrated virtues of purely vegetable substances, they are positively free from calomel or any injurious properties, and can be administered to children with perfect safety.

CHAVERS HORSE POWDER 1

This powder has been brought before the public after long solicitation by gentlemen who have experience in its efficiency, and in no case where it has been used as directed has it failed to effect a certain and speedy cure.

In several instances where this noblest of all animals lay helpless, and given up to die, after all other known remedies had used to no effect, permanent relief was found in the use of my Powder.

Upon its merits alone I am willing to risk its rise or fall. It is no numbing, as the following gentlemen, among others who have used it, will attest;
