eansed by De-SYMPTOMS OF A DISEASED LIVER. Had Breath; Pan in the Solin, sometimes the pain is felt under the Shoulder blade, mistaken for Rhomanism; general loss of apportive. Bowels generally coater, sometimes alternating with laxing the head in troubled with pain; is dull and heavy with considerable loss of memory, accompanied with a painful semano in of leaving undone consulting which digits in have been done; a light, they cough and flushed face is softening on attention, often mistaken for consumment the relief consideration. and flavined face is sometimes an attendant, often missiscen for consumption: the policin complaint of weariness and declary, nervous, early sturried; feet cold or huming, sometimes a prickly semantim of the skin exists, spirits are low and despendent, and although sutsified that exercise would be beneficial, yet one can hardly summon up fortitude to try it—in fact, distribute every remely. Several of the above symptoms attend the disease but cases have occupred what but few of them existed, yet examination after iteath has shown the Liver to have been extensively desinged.

It should be used by all persons, old and young, whenever any of the above symptoms appear.

Persons Traveling or Living in Un-healthy Localities, by taking a dose occasion-ally to keep the Liver in healthy amon, will avoid all Malaria, Billious attacks, Diritors, Nau-sea, Drowsiness, Depressing of Spirits, etc. It will invigorate like a plass of wine, but is no in-toxicating beverage,

If You have eaten snything hard of digestion, or feel heavy after meals, or sleep-less at night, take a disc and you will be relieved. Time and Doctors' Bills will be saved

by always keeping the Regulator in the House!

For, whatever the adheren may be, a thoroughly ask purgative, afterstive and fonic can never be out of place. The remedy is harmless and does not interfere with business or cleaning.

TT IS PURELY VEGETABLE, And has all the power and effice y of Calon Quining, without any of the sojurious after eff

A Governor's Testimony. Simmons Liver Regulator has been in use in my family for some time, and I am satisfied it is a valuable addition to the medical science.

J. Greek Shorten, Governor of Ala,

Hon. Alexander H. Stephens, of Ga., sys: Have derived some benefit room the use of limmons Liver Regulator, and wish to give it a

further trial.

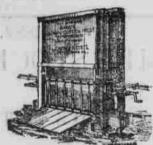

"The only Thing that never falls to Relieve."—I have used many remedies for Dyspepus, Liver Affection and Debility, but never have found anything to benefit me to the extent simmons Laver Regulator has. I sent from Minpascota to Georgia for it, and would send further for auch a medicine, and would advise all who are similarly affected to give it a grial as it seems the only thing that never fails to relieve.

P. M. Jansery, Momenpells, Mine. Dr. T. W. Makon says: From actual as-

Dr. T. W. Mason says: Feen actual ex-perience in the use of Simmons Liver Regulator in my practice I have been and am suitabled to use and prescribe it as a purgative medicine.

WELDON, N. C., THURSDAY, AUGUST 24, 1882.

THE SOURCE OF SONG. ing like a barrel of new eider when we were away from each other.

BY CARLOTTA PERBY.

Too much we posts sing of love you say; You bid us pitch our saugs in higher key. We look, we listen with our souls and pray To learn if such there be,

Nothing of love? Then we must close our even And ears to every awastest wight and sound, For love bath many witnesses that rise, I'en from the very ground.

I'pen the apple's check the blushes glow Brought thith 'r by the kiss of wind and sun ; The son calls to the fittle streams, and lo: They answer every one.

With sweetest music from the bought above,

The happy mate thirds the whot s day long live me a glad assurance that its love That fills the world with song.

Nothing of love, when over all below It reigns from morn till night, from night (ii)

Atom loved atom ages gone, and so The worlds were torn

Not sing of that strange power that thrills the

To wildest rapture, makes it strong and clad-That sometimes in a life's all-too-heavy part Keeps men from going mal?

You speak in vain; no power 'gainst this can more. As long as earth by mortal feet is trod; And this is truest trath: who sings of love - Will sing of God.

And never a song however great or true, So well the past's heritage can prove As the heart's simple song, so old, so new, The song of love-

HUMORS OF MATRIMONY.

It may be fancy but I've done it. I've got a rib and a baby. Shadows departed-oyster stews, brandy cocktails, eigar boxes, boot-jacks, abscording shirt-buttons and de nijohns .-Shadows present-pullbacks, band boxes, ribbons, garters, long stockings, juvenile dresses, tin trumpets, little paragorie, hive syrup, rhubarb, senna e nter the room to get married, till we salts, squills and doctor bills. I'll tell got so we could walk as graceful as a fellow you ever did see; it was kinder the company and minister came, and in my line to be taken with the shakes | the signal was given, and, arm in arm | cannan." ing me, and I'd cross the street any time rather than face one; 'twasnt because I didn't like the critters, for if I down I went kerslap on the oilcloth, she went away, with the pillows, andwere behind a knot hole in a fence I pulling Sil after me. Some cussed it, "You are a fool," could not look long enough. Well, fellow had dropped a bananaskin on my sister Lib gave a party one night the door and it floored me. I split an and I started away because I was to bashful to face the music. I bung awful hole in my cassimers, right unaround the house whistling 'Old Dan der my dress coat tail. It was too Tacker, dancing to keep my feet late to back out, so clasping my hand in the store, you know." warm, watching the heads bob up and over it, we warehed in and were store with the store, you know." "Oh!" said ma, with a down behind the window curtain and wishing that the thundering party room. I smoked a bunch of eigars, groomsman was tight and be kissed door post. No sooner said than done, and I soon found myself snug in bed. imp had crawled behind me and pulled was coming.

I was dreaming of soft-shell crabs and stewed tripe, and having a good time generally, when somebody knocked at the door and woke me up. Rap, rap, rap! Then I heard a whispering, and I knew there was a whole raft of girls outside. Then Lib sings

Jack, are you in there? Yes, says I. Then came a roar of laughter. Let us in, said she.

I won't. Can't you let a fellow alone savs I. Are you in bed, said she,

I am, says I. Get out says she. 1 won't says I. Then came another roar of laughter.

By thunder! I then began to get Get out, you petticeat scare crows, can't you get a beau without hauling

a fellow out of bed? I won't go bome with you -so you may as well clear gave him a piece of an old overshoe to ckey, And throwing a boot at the door, I

and it said

the girl's things are in there.
Oh, mercy! What a pickle. Think of me, in hed all covered with muffs, shawls, bonnets and twenty gul's outside the door waiting to get in. If I sick. He tried to get away but she clong to back." had stopped to think I should have him, and again put her lips to his. He said he fainted on the spot. As it was I rolled felt as though he should die, and he got after out among the ribbon and honnet ware awaite and rushed for the nearest saloon in a hurry. Smesh went the millinery | where he drowned his sorrow and dog hair is in every direction. Thad to dress in the flowing bowl. He said every time she the dark for there was a crack in the kissed that dog he felt like the girl that ate door and girls will peop, and the way tomstoes the first time. The thoughts of her I fumbled about was sudden death to kissing that dog's nose, that had been in acstraw hats. The moment finally came, weer places of disrepute smelling old bones I opened the door and found myself

among the women, Oh, my leghorn't cried one. My dear darling winter velvet ! cried another, and they pitched in -they pulled should not let a small dog come between him me this way and that way, boxed my and bilss. He said he didn't want any more cars, and one bright eyed little piece. bilss, and should never feel any better in the Sal, her name was put her arms morning, around my neck and kissed me right "Wby," said be, as he drank the liquor, and on my lips. Human nature couldn't gagged, "I shall never be able to look a dog stand that and I gave her as good as in the face without getting siek. To think of she sent. It was the first time I ever that beautiful girl klaring that dog! If she got the taste, and it was powerful had seen the dog as I did that afternoon, with good. I believe I could have kissed some others, she would faint Out see that my that girl from Julius Cresar to the 4th grave is kept given, and put an irus feuce

"What is his chief value ?" "His right to yote, and his resainess to sell

out to the highest bidder." "Wouldn't it be a sin to kill a lack?" "It would be against the law. There is no need to kill him, however. His life is short structures. I saw them in their rise and fall, and full of cold and honger, and rags and lusul's and that knocks, and nobody remembers where he is buried up cases what becomes of

THE MORAL OF JENSIE CRAMMER.

If Jennie Cramer's mather had taken her girl across her knee the first time she rebelled, and taken a bed-slat and knocked the wind out of her paper and sat her down in a hard-bottom chair so hard that the filling had fallen tunies, as well as the engenther that matures out of her upper teeth, Jennie would have been alive today, and about this time in the afternoon she would be wiping the dinner dishes and singing "Mother is the Battle Over," or mending the heels of her father's stockings; or, if her mother had taken her by the hand and kindly told her that these Malleys were a couple of galvanized aristocrats, who excel no more for her than they they did for a dog, except to hug her and muss her up, the gul would have let them alone, and would now be happy at home. But the old lady seemed to have made a specialty of scolding the girl, and finally got her so that she had a better time out doors than she did in the house, and now there is not enough of her to bait a minnow hook. If mothers set about betakeneth not an even temper, at times it it right they can cause a girl to do wareth sluggish, notwithstanding I frequently about as she ought to, but too many urge him; when he should be on duty, as thou of them talk a girl blind, and never knowest his hand denoteth, I find him slum- give them a chance to rally. Girls bering, or, as the vanity of human reason who have symptoms of being prema phrases it, I caught him happing. Examine turely quick should ponder over Jennie him, therefore, and prove him, i beseach time, Cramer, and imagine how they would look cut up into slices not bigger than
