BY MARY SAUNDERS LOCKWOOD,

The gnaried old ash; the sweet, sweet words so

Have you forgot what this it was to love To after your time never has undone? How all the day we hand in hand did rose And when 'twas ended wished it just begun Have you forgot?

The doll despair, the heavy, aching heart Vien we were parted not to meet again, And worse than distance kept us far apart— Have you forgot?

## INVITED TO COME.

COME TO NORTH CAROLINA.

A Michigan man who is poor but hon-Carolina, and is thus answered by the humorist through the New York World:

"Come to North Carolina and you will to weep over the most unpleasant feet-ure sad funeral train of wasted opportunities never regret it. It is a land flowing with of the evening's performance.-Er. milk, honey and tar. It is full of health, climate and smoking tobacco. It will do you good to come here and live till you actually get tired of it.

"It is so extremely conducive to health here that people grow to an enormous down at de bayou?" height. Even the preachers grow to be

in this country, where I now remain, that a cursory way that poverty is not regarded as a violation of the statutes here in North Carolina. People have fived here for years in the most abject poverty right un- Sandy Smit, I reckon?" der the nose of the grand jury. So you need not stay away on that secount. More-man?" over, the poor people of the North Carolina mountains are a thousand-fold more contented than the poor people of the las' summer. North. If a man most be poor all his life what can be of more use to him than contentment? That is the great difference be-

" So come any time. I will be at the depot when you arrive. Would it annoy you if I were to bring the band down to the depot with me? We have a very fair all round band here, composed of self-made sinners. colored men who play in a chaste and unancholy. The members of this band have tent that they play right along just as fin-shouted monstrous." ently without their leader, and while he up ends his horn to pour out the juice they take up the air and carry it along in such a way that you could not miss the

tween Northern and Southern poverty.

MEXICAN GARDEN. Standing in the patio, writes a Phila consequence is some other fellow slips in the geologist with all his subterranean delphia Record correspondent from Mexic ahead of him. His habit of waiting ino, one is bewildered by the succession of co, one is bewildered by the succession of doors leading into the numberiess rooms of ally. There is a bargain to be had in the phor, with his golden chain of wisdom; the casa. Past parture, dining room and purchase of some property. Instead of the poet, with his limpid tide of songsfinds ourselves in the corral. This ing it immediately, as a product man would, by the delicate hands of their "fair ones the latter finding congenial wallowing labor and to wait may be sound advice in slaves in the peak of greenish mad formed some cases but not in all. from the overflow of the adobe trough where the herses and dankeys drink. No trace of our beautiful garden here; but climb some high a lobe steps, open a couple of heavy doors, wander through a this simple duty; and when one does his walled passage, and presto! the scene is simple duty, in spite of his temptation to changed as by magic. Here are acres of do differently, he deserves credit for his ross in perpetual bloom, pansy-hordered doing. On has no need to live long in walks b side murmuring streams, beds of this world before finding out this truth.

# JOHNNY AND HIS ADDRED.

The other night Johnny and his adored adorableness were seated near-yes, very near each other on the sofa watching the embers close their crimson eyelids in that deep sleep of exhaustion which lovers love so well, for in that hushed reposed the sweetest raptures dwell and every thought to holier realms goes soaring (Selah) and as they thus sat, dreaming and sighing,

is ready. And just as he was about to end. Yet, in view of this grand, promithe old man entered with "shooting stick" bubble upon the sea of Time, and hence it of the shaking. in hand and "chased" Johnny to the front is, when the harvest time has come and door and helped him out on the toe of his the reaper is ready, there is little meet for boot, and remarked, as he came back, that his sickle. Pause one moment, ye busy BILL NYE INVITES A MICHIGAN MAN TO that printed in his house. And the girl, other animals; endowed with all the faculamid her sobs and tears, cried out, "ob. ties necessary for grasping the grand course on the part of the cow is, nine times afraid you've broke his heart."-"Oh, no," made in the image and likeness of his ion to fly off. The cow is no sooner at est, with a wife and one child, writes to said the father southingly, "that was not creator, yet so absorbed with the perishing rest than the hen steals up and mounts the place I aimed at "-And the girl said, things of this world, that when he is called again to her perch. "oh, you base, base man; it is too bad, too into the presence chamber of his Maker,

estly said, "going to press."
