This is a true story about a little girl WHAT YOU MIGHT HEAR AT & FASHION-ABLE WEDDING IN CHURCH. whom we will call Sudie: Sadie had a pleasant home in the coun-Wonder how much he's worth ? Did he give her those diamonds ?

Wonder what number her gloves are If his hair isn't parted in the middle! Wonder what on earth she married

Ho's as homely as a hedgehog ! No, he's like a dancing muster! She always was a stuck-up thing She jilted Sam Somebody, didn't she' There, the ceremony has begun. She was always a sweet little thing Dear me, what airs she puts on ! Wouldn't be in her place for a farm I'll bet those jewels were hired. Well, she's off her father's hands a Doesn't she cling tightly to him She has a mortgage on him now ! They say she's awful smart. Too smart for him by a jugful. There, they are getting in the carriage! That magnificent dress will be unshed !

think he did .- Ex. The way she does look at him ! asked. They say she worships him! "Yes, sir, he air."" Worship! She's only making believe! "Can I see him a moment?" It's kind o' nice to get married, isn't it? "No, sir you cain't see a hile nor hair

CALIFORNIA CLIMATE. A TRUE STORY. Summers and winters are so nearly alike that one is puzzled to choose between them. There is no summer day on try. The fruits and flowers which sur- which the mercury passes 80 degrees rounded the house in profusion, were her Fahrenheit, yet few in winter when it special delight, and she took good care does not reach 70 degrees. The surf that they didn't "waste their sweetness that beneath the bright sky and gentle on the desort air," when she was about, breeze rolls so lazily in long miles of There was a large May apple tree just he- snowy foam changes its temperature hind the kitchen, you could lean out of scarcely 4 degrees from summer to winter. the window and almost touch the lus- This makes sea bathing almost an every vious fruit. The children were forbidden day possibility; and one may bathe either to pull the apples, but any that fell on in the surf or on the still waters of the the ground, they were allowed to eat. bay, the two being 100 yards apart at Many a visit did Sadie make to this tree, the bath houses. Upon the higher parts often to come back empty-handed. One of the peninsula even hour frust is unday Sadie was feeling hadly, and her known, and on the low parts is seen only mother had made her a pallet on the once or twice in occasional years, and floor beside her; while she was lying there then is gone with the sunrise. As frost she thought how nice it would be to have can occur in this section only on perfectan apple, just to "put a good taste in her ly clear nights, the following day is sure month." So she said, "Mamma, mayn't to be bright and warm. At this season, I go see if there's an apple on the too, the sea breeze has fallen away to a ground ?" Her mother said, "Yes," and more breath of air; so that the greater away ran Sadie. She was gone so long part of the winter day differs slightly in that has mother began to grow uneasy temperature from the average summer and was just laying aside her work to day. Grass, trees and flowers, and even search for her, when the little girl came the tropical plants grow in midwinter running in, her bounct pushed back from with a vigor unknown upon in st of the her glowing face, and a large, nice apple low parts of the unioland, where the clasped in her clubby hands. See temperature falls too much by night. mamma, what I'v a g at ?" she exclaimed, LADIES AND WOMEN. holding up the apple. "You didn't pull it, did you, Sadie ?" asked her mother. Shortly after the war closed the ne No. mamma, I didn't." replied the little gross began to call each other "lady" and girl carnesdy, "God let it full." Why, "gentleman," but in speaking of the Sadie, what do you mean? "Well

whites they generally called them that mamma when I went out there, there "man" and that "woman" An instance wasn't any apple on the ground and 1 occurred a few years ago in which Gen. wanted one so had, I thought maybe if I W. T. Sherman played a part. The ask God to let one fall he'll do it. So I General was sitting in front of his house begged him a long time and didn't any one pleasant evening with some friends, fall; and I got tired and started to come smoking and talking, when a fellow as away, but I thought I'd ask him one black as the ace of spades sidled up, and more time, so I went back, and I was so addressing the General, said : Is de a tired, 'cause you know, mamma, I just lady here named Johnson? No, said the had a chill, I sat down on a stump and General. Well, said the darkey, I think GROCERIES, begged God to give me just one apple; and d'rectly he let one fall." "What did you say, Sadie, when you asked him ?" "I just said, God, please m'am let one fall, and he did let it fall, didn't he, for the mastery in her mother's eyes as she drew the little girl to her and kissed

there must be a lady of that name living here, because she is my wife, and she is working for a woman named Sherman .-Washington Critic mamma ?" A smile and a tear struggled BADBEENSLIGHTLY NEGLIGENT A physician who had attended a man BERGNER & ENGEL 'S the earnest face, saying, "Yes Sadie 1 during several weeks of illuess called one day and presented his bill.
