HOME MATTERS.

SEASONABLE SUGGESTIONS AND PRACTICAL EVERYDAY HINTS TO BUSY HOUSEKEEPERS.

Never leave vegetables in the water after they are cooked.

If sassafras bark is sprinkled on dried fruit it will keep out the worms.

Catsup keeps better and pickles also if you put a bit of horseradish in the mouth of the bottle.

When washing fine white flannels add a tablespoonful of pulverized borax to a pailful of water. This will keep them soft and white.

A pound of sulphur burnt in a tightly closed room will destroy every living thing in it, from moths and bed bugs to possible disease germs.

If doughnuts are cut out an hour before they are fried, to allow a little time for rising, they will be much lighter. Try cutting at night and frying in the morning.

If the hands are rubbed on a stick of celery after peeling onions the smell will be entirely removed. Onions may be peeled under water without offence to eyes or hands.

Aged people, invalids or those who have feeble digestion or suffer from dullness, as well as growing children, will be greatly benefited by taking sweet cream in liberal quantities.

Steaming the face at night over a bowl of very hot water, and then bathing it with very cold water, is the simple method of giving it a Russian bath and will tend to make the skin whiter and smoother and the flesh firmer.

A GIRL'S OWN BROTHER.

"But he's my own brother."

Is that any reason why you should take his courtesies for granted and never say, "thank you?"

Is that any reason why you should not try to make an evening at home pleasant for him, instead of forcing him by your selfishness to seek his happiness somewhere else?

Is that any reason why you should not think his opinion of your frocks, your bonnets or your looks worth consideration?

Is that any reason why you should appear before him in a clumsy wrapper and with your hair in papers?

Is that any reason why, when you have a man visitor, he should be made to feel that you endured your brother when there was—well—then it was different?

Is that any reason why you should not be glad of a dance or a game with him as your partner?

Is that any reason why you should not listen to his word of advice about other girls or their brother?

Dear Sirs—I bought a bottle of your P. P. P. at Hot Springs, Ark., and it has done me more good than three months' treatment at the Hot Springs.

Have you no agents in this part of the country, or let me know how much it will cost to get three or six bottles from your city by express.

Respectfully yours,  
Jas. M. Newton,

Messrs. Lippman Bros., Savannah, Ga.

Dear Sirs—I wish to give my testimonial in regard to your valuable medicine, P. P. P., for the cure of rheumatism, neuralgia, dyspepsia, biliousness, etc. In 1861 I was attacked with bilious muscular rheumatism, and have been a martyr to it ever since. I tried all medicines I ever heard of, and all the doctors in reach, but I found only temporary relief; the pains were so bad at times that I did not care whether I lived or died. My digestion became so impaired that everything I ate disagreed with me. My wife also suffered so intensely with dyspepsia that her life was a burden to her; she would be confined to her bed for weeks at the time, she also suffered greatly from giddiness and loss of sleep. Sometime in March I was advised to take P. P. P. and before we (my wife and I) had finished the second bottle of P. P. P. our digestion began to improve. My pains subsided so much that I have been able to work, and am feeling like doing what I haven't done before in number of years. We will continue taking P. P. P. until we are entirely cured, and will cheerfully recommend it to all suffering humanity.

Yours very respectfully,  
J. S. Duprisa.

**SADLER'S BRYANT & STRATTON COLLEGE BALTO**

FOUNDED IN 1864 by the present executive—27 YEARS of continuous and successful management—increased annual attendance—Now occupying four buildings—Stands unrivaled in facilities for educating YOUNG MEN AND WOMEN for success in life. In deciding upon a school for their children, PARENTS should send them to THE BEST, because it pays. It may require the expenditure of a few dollars more at first, but it will prove the cheapest in the end. CHEAP tuition is very dear, because it means cheap teachers, cheap surroundings, inferior facilities, and offers NO opportunities for securing POSITIONS for its pupils and graduates. This institution, owing to its HIGH standard of excellence, has placed in desirable positions more young men and women from Maryland, Virginia, North Carolina, South Carolina and Georgia, than all similar institutions combined. Catalogue and particulars mailed on application.
