## Is Life Worth Living?

That depends upon the Liver. If the Liver is inactive the whole system is out of order—the breath is bad, digestion poor, head dull or aching, energy and hopefulness gone, the spirit is depressed, a heavy weight exists after eating, with general despondency and the blues. The Liver is the housekeeper of the health; and a harmless, simple remedy that acts like Nature, does not constipate afterwards or require constant taking, does not interfere with business or pleasure during its use, makes Simmons Liver Regulator a medical perfection.

I have tested its virtues personally, and know that for Dyspepsia, Biliousness and Trembling Headache, it is the best medicine the world ever saw. Have tried forty other remedies before Simmons Liver Regulator, and none of them gave more than temporary relief, but the Regulator not only relieved but cured.

WHAT changes may take place before 1894.

WELDON will witness great changes during the coming year, unless all signs fail.

MAY we all be here to witness a thousand new years.

WHAT EVER may have been the disappointments of the past, begin the new year with fresh courage.

1893 will prove a prosperous year. Watch the professor.

If you have any broken resolutions on hand mend them.

MAY all the readers of the Roanoke News have a happy and a prosperous New Year.

**WELCOME 1893.**

A happy New Year.

WRITE it 1893 after Saturday.

ONE more mile post passed in life.

LET us all try to be better in every way.

THE new year begins well — on Sunday.

ONLY three more days of leap year remain.

LET us all begin the new year with renewed hope and energy.

REFLECT not upon the dead past but look to the future.

MAY the new year witness the fruition of the hopes of all.

How many young ladies have improved the opportunities which leap year gave them?

If you haven't made new resolutions make them now. If you have made them stick to them.

## Rose Tobacco Cure!

A QUICK and ABSOLUTE CURE for the TOBACCO HABIT!

Next to the whiskey traffic, it is the most expensive and noxious habit of the American people. The annual cost runs up into millions. The average tobacco user pays to gratify this unnatural appetite from five to ten times more than he gives to support the Church. Shame on us.

This Cure has not yet failed where the party was in earnest about quitting and followed directions. Thousands have been cured of chewing, smoking and dipping. Here are samples of certificates:

BIRMINGHAM, ALA., March 16, 1892.

Messrs. Brazeal & Co.:

GENTLEMEN—I used tobacco for nineteen years, and finding it injurious, decided to quit it. About seven months ago, with the Rose Tobacco and Snuff Cure, I quit it, and now find my health greatly improved, and that I have gained 30 pounds in weight.

A. T. BAKER.

MESSRS. BRAZEAL & CO.:

Dear Sirs—The tobacco tablet bought of you December 30, 1891, has given perfect satisfaction. It has cured two persons of the tobacco habit—myself and another. I smoked cigarettes for four years, and had been chewing fourteen years. Since the use of the tablet I have no desire whatever either for smoking or chewing. It did the work in four days. Yours truly,

E. T. ODOM, Gadsden, Ala.

ROCKY FORD, GA., Jan. 12, 1892.

Messrs. Brazeal & Co., Birmingham, Ala.

DEAR SIRS—I have used one of the tablets for cigarettes, and it has cured me. Enclosed find \$10. Please send me amount in tablets. Will take agency or territory. Give me full particulars. Refer to my business house of this town. Yours truly,

G. R. HEAD.

Mrs. J. F. Judd, of Fayette C. H., Ala., writes:

"I received my box of Snuff Cure and am delighted with it. There is no doubt of its curing any one who will give it a fair and honest trial and really has the desire to cease using the weed, and exercise this willing desire. I think I can sell many boxes for you. I do want to help those who want to help themselves."

PRICE PER TABLET, TOBACCO CURE, \$1.00
