

DISTRICT CONFERENCE.

The Warrington District Conference at Enfield.

A MOST DELIGHTFUL SESSION

And Splendid Sermons and Interesting Addresses—Encouraging Reports From The Various Churches.

THE Warrington District Conference convened in the M. E. church, South, in the beautiful town of Enfield, Wednesday, July 21st, 1897, at 6 o'clock a. m. Rev. W. S. Black, D. D., in the chair.

The secretary of the last district conference, Hon. E. T. Clark, not being present, Rev. E. H. Davis, of Littleton circuit was requested to call the roll of the conference. Quite a large per cent of the preachers and delegates answered to their names.

Rev. E. H. Davis was elected secretary. Nine o'clock a. m. was fixed as the hour for meeting, and at 11 o'clock a. m. for adjournment. 3 o'clock p. m. for the evening session to adjourn at will.

Committee on Quarterly Conference Records was appointed as follows: Revs. J. D. Pegram, S. T. Moyle and W. B. Fleming.

Committee on Public Worship.—Revs. W. S. Black, E. E. Rose, and—J. A. Hornaday, S. T. Moyle and W. D. Boyd.

Committee on Temperance.—Revs. A. McCullen, J. H. Frizzle, and Maj. W. P. Vick, J. B. Powell and H. C. Spiers.

Reports on Epworth League and Sunday Schools were then called for. These reports increased interest in the Sunday School work throughout the district, but the Epworth League seems not to grow and flourish in the soil of this district.

The reports revealed the fact that there were but two or three in the entire district, and Weldon station reported one of them. A strong resolution in favor of renewed efforts to establish leagues was passed.

At 10:45 o'clock conference adjourned for divine worship. At 11 o'clock Rev. J. Sanford, D. D., preached an excellent sermon to a fairly good congregation, his text was Rev. 22:14.

Afternoon session, July 21st, devoted to a discussion of the reports on Epworth Leagues and Sunday Schools. Revs. J. D. Pegram, A. McCullen, J. H. Frizzle and others participated in the discussion. A resolution was offered by Rev. J. R. Sawyer recommending the appointment of a State Sunday School secretary by the next annual conference, after much discussion it was lost.

Wednesday night, July 21st.—Rev. T. J. Daily preached to a good congregation, text, Matt. 22:12.

Thursday, July 22nd.—Conference was opened by Rev. P. L. Herman. Minutes of last session read, corrected and approved.

Reports on the spiritual state of the Church were called for. These reports clearly showed life and vitality throughout the district.

At 10:50 conference adjourned for preaching. At 11 o'clock Rev. E. H. Davis, of Littleton, preached to a full house, text, Prov. 23:23.

July 22nd.—Afternoon session opened at 3 o'clock by Rev. J. R. Sawyer. The question "Where shall the next conference be held?" was called.

Rev. A. J. Parker placed Williamston in nomination. Rev. J. R. Sawyer nominated Rich Square. Several good speeches were made for both places. Williamston was chosen by a vote of 28 to 20.

Prof. John Graham, of Ridgeway High School, was introduced to the conference, and made a few remarks in regard to his excellent school.

Dr. J. C. Kilgo, of Trinity College, and Dr. Fred Peacock, of Greensboro Female College were introduced and made short talks.

The conference adjourned at 5:45. At 8:30 o'clock Dr. J. C. Kilgo spoke to a crowded house on "Christian Education." He spoke for an hour and a half and I heard of no one who grew tired.

He is indeed a wonderful man, and is doing a wonderful work. Strong resolutions endorsing his position were passed by the conference.

July 23rd.—Morning session. Conference was opened by Rev. P. Greening. Minutes of last session read and approved.

Rev. A. McCullen representing the Committee on Temperance read their report. It was strong and to the point, and evoked much discussion. The report was adopted.

Dr. Peacock addressed the conference in behalf of Greensboro Female College. Mr. Grant was licensed to preach the Gospel.

Revs. R. H. Black and W. A. Pfand were recommended to the annual conference. Rev. T. N. Ivey, D. D., one of the editors of the N. C. Advocate addressed the conference in the interest of the Advocate.

At 11 o'clock Rev. P. L. Herman preached on Phil. 2:10. After the sermon the sacrament was administered. I failed to take any notes of the evening session.

At 8:30 o'clock Dr. Ivey preached on Tim. 4:8. Saturday morning, July 24th.—Conference was opened at 9 o'clock by Rev. A. J. Parker.

A resolution asking the Presiding Elder to appoint the next District Conference to meet on Tuesday and adjourn on the day on Friday or Saturday was adopted.

The following delegates to the annual conference were elected: Dr. D. R. Zollicoffer, J. T. Fyffe, W. A. Ellison, and W. T. Jenkins. Alternates: J. A. Dameron, H. C. Spiers, L. H. Read and G. W. Davis.

At 11 o'clock the conference adjourned sine die. Rev. J. H. Frizzle preached in Enfield Methodist church on Tuesday night July 20th, the night before conference convened, his text was Acts 3:19.

Rev. S. T. Moyle preached Saturday night after conference adjourned, text, Isaiah 3:10.

On Sunday, July 25th, the services were as follows: In the M. E. church, we feasted at 9 o'clock conducted by Dr. W. S. Black. Preaching at 11 o'clock by Rev. J. A. Hornaday, of Weldon.

S. M. meeting at 4 o'clock p. m. addressed by Revs. J. D. Pegram, M. P. Plyler and W. C. Whittaker.

At 8:30 o'clock preaching by Rev. A. McCullen, of Henderson. In the M. P. church preaching at 11 o'clock by Rev. J. D. Pegram.

It was the unanimous opinion of the visitors that it was one of the most pleasant conferences ever held.

THE ROANOKE NEWS.

THURSDAY, JULY 29, 1897.

TOWN AND VICINITY.

New moon today.

Two more days only in July.

Always comes in on Sunday.

ONLY one more summer month.

The summer is rapidly passing away.

WATERMELONS plentiful and cheap.

WELDON is full of pretty visiting girls.

SOMETIMES a live wire is concealed in a kiss.

SUNDAY was a scorcher and there are others.

A kiss from the rich girl is always the sweetest.

Look out for the eclipse of the sun this morning.

The thermometer has a very mercurial temperament.

THERE has been no reduction in the wages of sin.

THERE is no statute of limitation to the law of love.

KEEP your mind cool and your body will follow suit.

You can tame any animal, even a man, by feeding it well.

NEVER scold your lips by the free use of excommunicated lies.

MORE people are overcome by vanity than by summer heat.

COUNTY commissioners will meet next Monday in regular session.

August will have five Sundays, five Mondays and five Tuesdays.

LOVE your neighbor, but be careful not to love your neighbor's wife.

THE dog purrifies with his tongue, and so does the campaign orator.

KEEP faith with others and they will be true to you.

IN a liquor drinking contest among the animals the giraffe would win by a neck.

ALWAYS give the right of way to a trolley car, a pretty woman and a rattlesnake.

IF you wish to get rich, pay some attention to your own business, as well as that of your neighbor.

WHAT is the use of putting on so many airs? You have got to do some time just like the rest of us.

THE wedding bells will ring next Wednesday for the nuptials of two of Weldon's most popular young people.

WE know the great cures by Hood's Sarsaparilla are genuine because the people themselves write about them.

WOMEN ornament their dresses behind because they like to have nice things said about them when their backs are turned.

LADIES bathing suits are of lighter material this year than usual. We understand that cannibal two-cent stamps are useful to a great extent.

Half's Hair Restorer contains the natural food and color water for the hair, and medicinal herbs for the scalp, curing grayness, baldness, dandruff, and scaly scales.

THE weather is now too hot for church-going people. The same congregation which sits delighted through two and a half hours of a five act comedy can't possibly endure more than twenty minutes of sermon and a three minute prayer.

Remember—only such medicines are admitted for exhibition at the World's Fair as are accepted for use, by physicians, in the practice of medicine. Ayer's Sarsaparilla, Ayer's Cherry Pectoral, and Ayer's Pills being included in the list. They are standard medicines.

ECLIPSE OF THE SUN.—The annular eclipse of the sun will be visible here this morning, if not cloudy, between the hours of 8 and 9 o'clock. The eclipse begins at 8:15 and ends at 10:59. Get your smoked glass ready to witness this strange phenomenon.

"A Stitch in Time."—A dose of Ayer's Pills has saved many a fit of sickness, but when a remedy does not happen to be at hand, slight ailments are liable to be neglected, and the result, frequently, is serious illness, therefore always be supplied with Ayer's Pills.

WE like to think happy thoughts, to stroll on ideal days, in the field of fancy, with fascinating friends, amid fragrant flowers, and listen to winsome words and sweet bird songs, while balmy breezes blow and the softest sunshine envelops all in supernal radiance—then it is that we feel that every burden of life is lifted and all is light and love.

No Cure-No Pay.

That is the way all druggists sell Groves Tasteless Chilli tonic for Chills and Malaria. It is simply Iron and Quinine in a tasteful form. Children love it. Adults prefer it to bitter nauseating tonics. Price, 50c.

W. C. T. U.—A meeting of the Woman's Christian Temperance Union will be held at the residence of Mrs. M. C. Fair tomorrow (Friday) afternoon at half past four o'clock. All friends of the order invited to attend.

LAWYER PARTY.—The ladies of the Episcopal church will give a lawn party at the residence of Mrs. Cary Edwards Friday evening. Seasonable delicacies will be served by fair and charming waiters. All invited to attend.

CARDS ISSUED.—Cards have been issued for the marriage of Miss Mabel, the lovely and accomplished daughter of Dr. A. R. Zollicoffer, to Mr. R. S. Travis, at Grace Episcopal church, next Wednesday evening at half past nine o'clock.

WILL GIVE NOTICE.—Col. A. Prescott, County Supervisor of Public Schools, wishes us to state that he will give due notice of dates for examinations for scholarships at A. and M. college and also for Greensboro Normal and Industrial School. Notice will be published just as soon as he receives instructions to do so.

A TELEGRAPH TOURNAMENT.—The telegraph operators of the Seaboard Air Line between Charlotte and Portsmouth will have a telegraph tournament August 10th. The operators sending the most words in one minute for five minutes will receive a gold medal. Train Dispatcher Lee Johnson, of Raleigh, late of this place, is one of the judges.

STILL AT LARGE.—Rumor reached here a few days ago that the negro who murdered the section master at Palmyra some time ago, had been captured at Suffolk, Va.

Soliloquist Daniel investigated the matter promptly but found there appeared to be some mistake about the matter and that the murderer is still at large.

DEATH OF AN INFANT.—We regret to announce the death of the infant daughter of Mr. and Mrs. A. M. Inge, which sad event occurred at the home of her parents, about five miles from town, last Tuesday morning. Her little body was laid to rest yesterday, while the spirit has gone to flourish as an evergreen forever in a fairer and happier land. The afflicted family have our sympathies.

SEASONABLE GIFTS.—THE ROANOKE NEWS is greatly indebted to Mr. D. C. Cobb for three of the largest and finest watermelons we have seen this season. Mr. Cobb and his brother, Mr. J. J. Cobb, farm together, and are among Halifax county's cleverest and most successful farmers, and they stand undoubtedly on the top round of the ladder when it comes to melon growing.

STATE FARMS.—Superintendent Smith makes an inspection of the penitentiary farm on Roanoke river. He reports 6,000 acres of corn, which will yield 125,000 bushels, and 4,500 acres in cotton, which will yield 4,000 bales. There are 2,000 acres in field peas. All these yields are predicted upon absence of great frosts in Roanoke river.

HOW TO REMOVE A TIGHT RING.—Take a long thread of silk and put one end under the ring and draw it through several inches, holding it with the thumb in the palm of the hand. Then wind the long end of the silk tightly around the finger down to the nail. Take hold of the short end of silk, and holding it toward the finger end, unwind it, and the silk pressing against it will withdraw it.

A felt wad is that gnawing at the stomach after you have eaten a full meal, and can't eat any more, and yet there is that feeling as though you had eaten nothing. What is wanted is a dose of Simmons' Liver Regulator, the best Dyspepsia cure, for that is what that gnawing means. Simmons' Liver Regulator is all that is recommended for Indigestion.—A. R. Dyche, London, Ky.

STREET IMPROVEMENTS.—The town commissioners are having the streets nicely worked and the ditches and gutters put in first class order. The appearance of the streets where the force of hands have gone over present a neat and attractive appearance. We are always glad to note the interest our City Fathers take in the town. Besides adding to the appearance of things, the sanitary benefit to be derived are also worth more than a passing notice.

REV. J. A. HORNADAY.—We are indebted to Rev. J. A. Hornaday, pastor of the Methodist Episcopal church here, for a most excellent report of the District Conference, held at Enfield last week. We are also pleased to learn that Rev. Mr. Hornaday preached one of the best sermons at Enfield last Sunday that was preached during the conference, and that his sermon made a deep, and we hope, a lasting impression upon the people who heard him.

EDUCATE YOUR BOWELS WITH CASCARETS. Only Cathartic, cure, constipation forever. No SICK, If C. C. fail, druggists refund money.

More and better food and water—less whip and yell would be a mighty good "horse trade" on some farms.

THE President, according to a Washington dispatch, has finally determined to resign the consular post out of the last administration.

CONVICTS FOR CARTRIDGE.—Captain W. J. Bradshaw, the popular superintendent of the State farm, near town, left Tuesday for Carthage, taking with him 127 convicts from the three State farms on Roanoke river. These convicts will be put to work on the grading of the Carthage railroad extension. Captain Bradshaw also took four sick convicts along, these he left at Raleigh to be placed in the penitentiary hospital. Twelve employees were also taken to Carthage to guard the convicts.

The large force of unfortunates reached here several hours ahead of their train Tuesday, and while here they engaged in singing and appeared to be in good spirits. There were several white convicts in the squad. One was crazy, or appeared to be so.

BIRTHDAY PARTY.—Master Charles Daniel, the bright little son of Mr. and Mrs. W. E. Daniel, gave a delightful birthday party to his little friends at the hospitable home of his parents last Saturday evening. The children all had a lovely time and elegant refreshments were served, consisting of all the choice delicacies of the season, and it is needless to add that the little folks did not consider this the least part of the royal birthday fete.

STOLEN BROKEN INTO.—One night last week thieves entered the store of Dr. D. B. Zollicoffer, near his residence in Northampton county, and secured about \$100 worth of goods and \$15 in money. The goods were found the next day by a searching party in the house of a colored man near by. The negro saw the men coming towards his house and took to the woods. At last accounts he was still at large. The money, of course, disappeared with the thief.

THANKS RETURNED.—THE NEWS was kindly remembered last week by Mr. S. L. Gibson, of the Aurelian Springs section, and also by Mr. J. H. Wood, who lives at the Zollicoffer place. Mr. Gibson sent us the first melon of the season and it was enjoyed and highly appreciated. The one sent us by Mr. Wood was one of the largest and finest we have seen this year. Mr. Wood informs us that he has a fine crop. The editor is never happier than when returning thanks to kind friends for such timely gifts.

S. A. L. SOUVENIR OF THE SOUTH.—The Passenger Department of the Seaboard Air Line at Portsmouth, Va., has issued a unique, attractive and useful souvenir in the shape of a paper weight being a bale of cotton reduced to about two by three inches, laying on a truck while an idle negro seated on the bale enjoys his watermelon.

This attractive as well as useful article can be obtained by sending 25 cents in stamps to T. J. Anderson, General Pass' Agent, Portsmouth, Va., to cover cost of mailing.

WELCOME TO THEIR OLD HOME.—The North Carolina Christian Advocate says of a family who a few days ago moved from Durham to Greensboro: "Rev. R. P. Troy has moved his family to Greensboro. This is Sister Troy's native place, and Brother Troy taught school here several years before entering the ministry. They have a host of friends here and all welcome them back with real heartfelt cordiality. Brother Troy, we think, is improving in health, and we trust a kind Providence may soon fully restore him."

MISS JESSIE EDWARDS, formerly of this place, but late of Raleigh, is in the city. Mr. Lawrence has many friends in Weldon who are always glad to see him.

MR. D. A. LAWRENCE, formerly of this place, but late of Raleigh, is in the city. Mr. Lawrence has many friends in Weldon who are always glad to see him.

MR. STEPH'S PICNIC.—We return thanks to Mr. Charles M. Steff, the great piano manufacturer of Baltimore, for an invitation to the 55th anniversary and picnic of his employees which was given Monday the 26th at Electric Park, West Arlington, Baltimore, Md. We are not surprised that Mr. Steff's factory turns out the sweetest toned, best instruments. There is music in the souls of employees who receive such treatment at the hands of an employer and they are compelled to put it in the pianos they make. When the young lady of your house gets "piano on the brain," write to Charles M. Steff, Baltimore, Md.

NO CHANGE OF TRACK AT GASTON.—The Seaboard Air Line people have decided not to build the short-cut giving Gaston the go-by, on the Raleigh and Gaston division. The cause of the decision is the action of the railroad commission, in requiring that if the short cut is built the road by Gaston must also be maintained for a year and then if it does not pay the commission would take up the matter of allowing the tearing up of the old track. It would be cheaper, it would seem, to buy the town and move it to the place where it was desired to have the road run. The Legislature passed an act allowing the road to straighten its line.
