cure rheumatism, fever, habitual constipation

ONE OF TWO WAYS.

The bladder was created for one purpose,
namely, a receptacle for the urine, and as
such it is not liable to any form of disease
by one of two ways. The first way is from
imperfect action of the kidneys. The sec-
ond way is from careless local treatment of
other diseases.

CHIEF CAUSE.
Unhealthy urine from unwholesome food-
stuffs is the chief cause of bladder troubles.
So the usual, like the bladder, sacculated
for one purpose, and if not doctored too
much is not liable to weakness or disease,
except in rare cases. It is situated, back
of and very close to the bladder, therefore
any pain, disease or inconvenience mani-
fested in the kidneys, back, bladder or
urinary passage is often, by mistake, at-
tributed to female weakness or womb
trouble of some sort. The error is easily
made and may be easily avoided. To find
out correctly, get your urine made for
twenty-four hours; a sediment or settling
indicates kidney or bladder trouble. The
mild and the extraordinary effort of Dr.
Kilmer's Swamp Root, the great kidney,
and bladder remedy is soon realized. If
you need a medicine you should have the
best. At druggists 50 cents and one dol-
lar. You may have a sample bottle and
pamphlet, both sent free by mail. Men-
tion the Roanoke News and send your ad-
dress to Dr. Kilmer & Co., Binghamton,
N. Y. The proprietor of this paper guar-
antees the genuineness of this offer.

There are 210 students enrolled at
Wake Forest college and fully 60 more
are expected.

Don't Tobacco Spit and Smoke Your Life Away,
it's just because you don't realize the im-
portance of life, nerve and vigor, that you
do. The weaker you are, the more you smoke,
the more you waste. All druggists sell or
send for a free copy of the "Cure for
Tobacco Habit" and sample free. Address:
Sterling Remedy Co., Chicago or New York.
