Crncifixion Of Christ.

JESUS LIVED ABOUT FIVE HOURS.

Form of Torture. "Crucifixion was a terrible death,"

writes the Rev. Amory H. Bradford, D. D , in The Lishes' Home Journal. "It the pigs need ye." was reserved for offenders of a service class and never used for a Roman citizen The bands and feet of the victim were vent the weight of the body from tearing the condemned with their crosses of their backs, the hard bearted rabble We are reminded of the old story told making fun of them as they passed. The strength of Jesus failed before the desti nation was reached and another was compelled to carry the cross for him. The erucifixion, like all others, was cruel and barbarous in the extreme. The executioners were Roman soldiers, but a best of Jows feasted their eyes on the hideous

"Such agony was no protection against the gibes of the crowd. With but one of his disciples in sight, and only two o three friendly women near-one of then his mother-Jesus passed the last hours of his earthly life. Those who suffered by crucificion sometimes lingered four days-Jesus lived about five hours. While hanging on the cross he spoke seven times. Soon after the cross wa raised, looking over the coarse and brutal soldiery and the mistaken fanatics who had bounded him to that hour, he us tered a prayer, which has probably mada deeper impression on the world than any other single prayer ever offered-(Eather for eive them, for they know no what they do."

THE CLUCK ON THE COPPER

A little child was one day the ine with very valuable vase, when he put his hand into it and could not withdraw it. His father, too tried his best to get it out but all in vain. They were talking of used many remedies without receiving breaking the vase, when the father said: much relief, and being recommended to Now, my son, make one more try; -pen try a bottle of Chamberlain's Cough your hand and hold your fingers out Remedy, by a friend, who knowing m straight, as you see me doing, and then to be a poor widow, gave it to me. I tried pull." To their astonishment the little it, and with the most gratifying results. fellowsaid: "Oh, no, pa, I couldn't put The first bottle relieved me very much my fingers like that for if I did I would and the second bottle has absolutely cured drop my penny". He had been holding me. I have not had as good health for on to a penny all the time! No wonder twenty years. I give this certificate he could not withdraw his hand. How without solicitation, simply in appreciation many of us are like him! Drop the of the gratitude felt for the cure effected copper, surrender, let go, and God will Respectfully, Mrs. Mary A. Beard, Claregive you gold.

PLEASANT PEOPLE.

The finest of all arts is that of living ompanionably and happily with other op'e. There are many persons of high endownments and signal virtues who do not possess this art. They do not fit comfortably into the social or family structure. They answer to Carlyle's de scription of himself as "Gev ill to li wi" Again, you will find persons of no special attainments and without any pre-eminent virtues who are very pleasant to get along with. They have sympathy, and boy! In his short time er life dat good feeling and tactfulness. It is pleas | boy has outrun two lynchin' committees ant to have them around. They brighte up the circles they enter, like a ray of unshine. The husband who put on made speshully for him! No, sub. it? his wife's tombstone the epitaph, "She disproportionate homage to the strenue and self assertive virtues and are ant to overlook the high worth of pleasantness of the faculty of getting along well with people, and of making the course of daily life run smoothly and happily. From certain points of view the cross-graned aints may be very excellent people, but they leave much to be desired by those who, though they may hold that life is a "thorny road" and the world "a vale of tears," do believe in making the days nancescriby therey and tearful.
