Brown, have been since the war, and better prenot clearly known. pared to put their shoulders to the wheel and help rush the State forward along under the management of Mr. J. J. ATLANTA, it seems, does not propose with propose with propose with the State is forging ahead. Wood has closed up. It is rumored to be left when anything new is floating. West Vo., writes: I have used Kamon's as never before.

Roundbale Bale Becomes Popular.

The American Cotton Company has met with marked success in the development of its Roundlap bale business. Last year it had less than sixty presses in operation while this season it will have ever 300 at work. Its plant at Chicago for building these presses is runing night relied upon in all cases of coughs, colds and day and new locations are being selected as rapidly as possible.

JOHN WANAMAKER has again de constrated the efficacy of printer's link. two years ago and took the old Stowart lry goods stock off the bands of the ankrupt firm of Hilton & Hughes Co. the store had been looner money at a overficentieftic several years; and basis ness men predicted that Wanamicket Sci5 p m. Song Service-Leid by Prof. had made a mistake that would force him to fail. They said that the store was too for down town that it was a boodoo, and that its maintenance would be like pouring money to a rat hole. But Wanamaker knew what would bring certain success, and it is now estimated that his profits during the past swelve mouths | 0:15 A Weekly Democratic journal devoted to from this store which the wise heads the material, educational, political and said would break him would have aggregated \$800,000. Printer's ink, and plenty of it, is what worked the miracle, and Wanamker cheerfully admits it. 10:00 a.m. "A Graded Sanday School" He uses the newspapers and periodicals exelusive
