Pretty Shetland Pony—Soldier W. E. Daniel purchased last week from the L. Banks Holt stock farm, in Lanesboro county, a beautiful Shetland pony for his children. The pony arrived in a big crate by express over the Seaboard Air Line, Wednesday of last week, and attracted much attention when it was taken out. The pony is one of the prettiest ever seen here and is well broken and as gentle as a kitten.

ATHLETIC IN REASON IS GOOD—Why run athletes into the ground? They need to be bright, happy and healthy. They work and study better if they are so. Athletics in its proper sense and if wisely conducted, not only develops the body, gives health, saves the doctor's bill and keeps the mind clear, but it has a religious value, in as much as it makes boys pure in thought and more manly in every way. At the Bingham school, near Mebane, N. C.—enjoyed the institution publishes an interesting catalogue, containing full information which will be sent free upon a postal card request, addressed to Preston Lewis Gray, L. Mebane, N. C.

ANY CHURCH or parsonage or institution supported by voluntary contributions will be given a liberal quantity of Longman & Martinez L. & M. Paint whenever they paint.

8 & 6 makes 14, therefore when you paint fourteen gallons of paint, buy only eight of L. & M., and mix 6 gallons of pure Linseed Oil with it, making actual cost of paint about \$1.20 per gallon.

Don't pay \$1.50 a gallon for Linseed Oil (worth 60 cents) which you do when you buy other paints in a can with paint label on it.

Many houses are well painted with four gallons of L. & M. and three gallons Linseed Oil mixed herewith.

Wears and covers like gold.

These Celebrated Paints are sold by Wells D. Tillery, Roanoke Rapids, N. C.

SAW MILL AND COTTON GIN BURNED—Fire at the lumber mill of Mr. A. M. Ingo, about six miles from town, on Wednesday morning of last week, destroyed the saw mill, cotton gin and about 4,000 feet of lumber. The planing mill was badly damaged. Mr. Ingo says the fire occurred during the night, and he thinks it originated from the boiler. The loss is about \$1,000 and there was no insurance whatever. Mr. Ingo will rebuild at once. He is not a man to sit in the ashes of misfortune and grieve over that which is lost, but with that energy, perseverance and courage which enters into all his transactions, he will soon have his machinery humming again.

MISSISSIPPI ENTERTAINMENT—In honor of their charming guest, Miss Margaret Ward, of Charlotte, the Misses Sater entertained delightfully at Halifax, Thursday evening, at six hand euchre. Aterwarding two beautiful prizes which went to Miss Lizzie D. Fenner and Mr. De Leon Green, elegant refreshments were served in course.

Those in attendance were Misses Margaret Ward, Charlotte; Emma Tillery, Manchester, Va.; Susie Dimmock, Newport News, Va.; Nettie Gilliam, Urtie and Helen Daniel, Rebo Ousby, Margaret and Wellhelmina Froelich, Lizzie and Annie Fenner, Nannie Gary, Alice Butts, Messrs. De Leon Green, Carl and Ben Pope, of Weldon; L. A. Godfrey and R. H. Duncan, of Rocky Mount; Joseph McMahon, Marshall Gary, John T. Fletcher and Arthur Gregory, Joseph Butts, Henry Ferguson, Paul Fenner, J. H. Boisseau, Mr. and Mrs. S. M. Gary, Mr. and Mrs. Allport, of Richmond, Va.

ARM CUT OFF—Sam Green, colored, who worked for the Weldon Lumber Company, had his left arm severed from his body Saturday night by an Atlantic Coast Line train. It is not known exactly how the accident occurred, as Sam could not remember just why he was on the track, nor when the accident occurred. He had a lot of bundles and was returning to his home near the fair grounds. It is supposed that he was asleep upon the track. After the train had cut his arm off, he got up, took his bundles, and walked home, several hundred yards from the place where the accident occurred, before he was conscious of the fact that his arm was missing. Dr. Green was immediately sent for, but being at home sick, Dr. Hoyt attended the injured man, who was later taken to the Coast Line hospital at Rocky Mount. The arm was cut off right up to the shoulder, and the hand was badly mangled, yet the man did not know anything about it.

GAINED ABOUT THIRTY POUNDS AT THE BINGHAM SCHOOL, NEAR MEBAHE, N. C.—Dear Mr. Gray:—It gives me great pleasure to say something good for the Bingham school. I am perfectly satisfied with my son's progress there.

His improvement physically was more than I could have expected; for, if he had not accomplished any good in his studies, I would have considered my money well spent.

He most always had to stop school a month or so before it closed, because of his delicate health, until he went to Mebane. When he left home in September his weight was about 123 lbs. and, when he came back in May, he weighed about 153.

I do not think that there is anything that can be said too good for the Bingham School.

Wishing that your roll may be doubled for the ensuing year.

I remain, very respectfully,
J. FRANK PICKARD,
Chapel Hill, N. C.

MR. STEDMAN AT VIRGINIA BEACH—Mr. N. L. Stedman, of Tillery, who has been spending the past few weeks at Virginia Beach, gave a complimentary soil one day last week in honor of Miss Elizabeth Powell, a charming young lady of Tillery, who has frequently visited Weldon.

Dr. and Mrs. F. M. Register, also of Tillery, very graciously chaperoned the merry party. Refreshments were served on the yacht.

Others of the party were: Misses Nellie Pemberton and Nan Cowan, of Holston Valley, Tenn.; Miss Nina White, of Hobbgood, N. C.; Miss Gussie Harrell, Tarboro, N. C.; Miss Lizzie E. Mayo, Bethel, N. C.; Miss Lucy House, Scotland Neck, N. C.; Dr. C. W. Fleece, of Holston Valley, Tenn.; Mr. J. E. Powers, Scotland Neck, N. C.; Mr. B. G. Allbrook, Tarboro, N. C.; Mr. Jessie Speight, Greenville, N. C.; Dr. J. A. White, Williamson, N. C.; Mr. H. E. Biggs, Raleigh, N. C.

Mr. Stedman is one of the most successful farmers and business men in Halifax county and is a member of the county board of commissioners. Miss Powell has been teaching music at Esfield for the past several years.

JUDGE PEEBLES WILL PRESIDE—Judge R. B. Peebles has exchanged courts with Judge Long for the second district and will preside at Halifax Superior court which begins August 21st. Judge Peebles wrote Clerk of the Court S. M. Gary that the clerk was expected to have a liberal supply of watermelons in hand and that the clerk who failed in this would be in a blue row. Mr. Gary is now in the market for melons and will do his best to provide some of the finest and best.

NOT YET READY TO REPORT—The bridge committee, appointed some time since by the board of commissioners, was not ready to report when the city fathers met last Monday, and asked for more time. Sixty days more has been granted the committee. Since the appointment of this committee the members have been diligent in obtaining all the information possible as to the cost of a bridge over Roanoke river. But they are not yet ready to make any report whatever. The committee and every one interested in this matter realize that it is an important undertaking and it is best to go slow in the matter.

I ask that township meetings be held in Halifax county at voting precincts August 12th or 19th, to elect officers, where needed, and also to send delegates to the county convention to be held at Halifax, Monday, August 21st. MR. ANDREW JOYNER'S HOME ROBBED—The following item which appeared in the New York Sunday Telegram will interest Halifax county people. Mr. Joyner being a native of this place.

The Telegram says: "The Sheepshead Bay home of A. J. Joyner, was broken into yesterday. The wire received by Mr. Joyner at Saratoga informing him of the burglary was not very explicit but the inference was that the burglars took everything away except the gas fixtures and the plumbing. Mr. Joyner has not yet been able to estimate his loss. The house contained most of Mr. and Mrs. Joyner's clothing, and besides plate and jewelry, which were in a safe, there were many valuable rugs. Just prior to leaving for Saratoga Mr. Joyner took out a burglary insurance policy for \$3,000. Besides being a great horse trainer, Mr. Joyner has a long business head, with a dash of clairvoyant ability."

The news of the robbery, when received here Monday, recalled a strange dream Mr. J. T. Pope, of this place, had Saturday night, which troubled him very much at first, but after hearing of the robbery he feels satisfied that the mystery is cleared up. He dreamed that he was at Sheepshead Bay and was walking out with Mr. Joyner, who looked troubled and told him he had bad news to tell him. Before he could inquire into the nature of the news he awoke.

GRAFT in the Washington department seems to be an endless chain.

The average politician who boasts of being a self-made man usually proves to be "machine-made."

We like best to call **SCOTT'S EMULSION** a food because it stands so emphatically for perfect nutrition. And yet in the matter of restoring appetite, of giving new strength to the tissues, especially to the nerves, its action is that of a medicine.
