

BULLETIN BUBBLES.

Pocket handkerchiefs may be called a crying need. Many a man is more than half afraid of his better half. The sailor who wins a girl is the one who knows how to suit her. The clergyman calculates he knows how to put two and two together. Some people always have a big basket to fill when they start out to pick flaws. Can't the tenor serve on a baseball nine or a football eleven? A nose for news is generally accompanied by a tongue for telling it. Wordsworth was a well paid poet if he received the worth of his words.

How can one say that a horse's tail is his mane attraction. In Ireland, no doubt, the largest number of corkscrews will be found in Cork. Sometimes the musicians feel like saying to the composer, "Oh, give us a rest."

It may be filthy lucre, but enough of it will make a tidy sum. Even the man who has made a name for himself may like to have a woman call on him.

The zebra would come out feeling streaked if he tried to knock the spots off the leopard. —Philadelphia Bulletin

ON ACCOUNT

"That's the worst paying family I ever attended," said the first doctor.

"Yes, I used to attend them, but I never succeeded in getting a penny out of them."

"Well, I've had better luck. I got a nickel out of one of the children after it had nearly choked the kid to death."

A Badly Burned Girl

or boy, man or woman, is quickly out of pain if Bucklen's Arnica Salve is applied promptly. G. J. Welch, of Tekonsha, Michigan, says: "I use it on my family for cuts, sores and all skin injuries, and find it perfect." Quickest Pile cure known. Best healing Salve made. 25c at any drug store.

The hen that wants to set doesn't have to be egged on.

You aren't allowed to punch a man just because he's a bag of wind.

Advice to Housewives

No home is so pleasant, regardless of the comforts that money will buy, as when the entire family is in perfect health. A bottle of Dr. Williams' Pink Pills costs 50 cents. It will cure every member of the family of constipation, sick headache or sour stomach. For sale by E. Clark, Weldon, N. C.

Money makes the mare go. It also starts the horses on the merry-go-round.

Keep the bowels open when you have a cold and use a good remedy to allay the inflammation of the mucous membranes. The best is Kennedy's Laxative Honey and Tar. It contains no opiates, moves the bowels, drives out the cold. Is reliable and tastes good. Sold by W. M. Cohen, Weldon, N. C.

The barber may be wise, but he cannot always put you next.

Blood Poisoning

results from chronic constipation, which is quickly cured by Dr. King's New Life Pills. They remove all poisonous germs from the system and infuse new life and vigor into the stomach, kidneys, bowels, aches, dizziness and cold, without griping or discomfort. 25c. Guaranteed by all druggists.

The roller skate manufacturer again has hopes of rolling in wealth.

If an article is imitated, the original is always the best. Think it over, and when you go buy that box of salve to keep around the house, get DeWitt's Witch Hazel Salve. It is the original and the name is stamped on every box. Good for eczema, tetter, boils, cuts and bruises, and especially recommended for piles.

The seat of discord is often nothing but conceit.

A cold is much more easily cured when the bowels are open. Kennedy's Laxative Honey and Tar opens the bowels and drives the cold out of the system in young or old. Sold by W. M. Cohen, Weldon, N. C.

Countless people do not count for much when called to account.

True and friends tried of the family—DeWitt's Little Early Risers. Best for results and best to take. Rosy cheeks and sparkling eyes follow the use of these dependable little pills. They do not grip or sicken. Sold by W. M. Cohen, Weldon, N. C.

Owing to his girth, the average policeman ought to be called a "middle man."

When a horse is so overworked it lies down and in other ways declares its inability to go further, you would consider it criminal to use force. Many a man of human impulses, who would not willingly harm a kitten, is guilty of cruelty when his own stomach is concerned. Over driven, overworked, when what it needs is something that digests the food eaten and help the stomach re-operate. Something like Kodol for Dyspepsia. Sold by W. M. Cohen, Weldon, N. C.

FOLEY'S KIDNEY CURE. Home Kidney and Bladder Right

Holy people are not always the ones most easily seen through. The absent-minded man even forgets that he is forgetful. A girl would almost rather have freckles than not be a flirt. Life grows as love is given. Men who think themselves aggressive are usually classed as knockers by others. There is many a slip between a seaside flirtation and a wedding trip. Even free speech may be in the nature of extravagant language. The theatrical manager may never reach the glory of a starry crown. The poet cannot expect the patronist to read all the lines in his hand. Rolls in wealth—bills. Things are seldom what they seem, even on the seamy side of life. How can a man hope to understand a woman when she is unable to understand herself?
